**Special Use of School Buses**

The school buses of the Bibb County School District are used only for the purposes authorized by state law or regulation. School buses are used primarily for transporting students to and from school. School buses may be used for instructional programs and for school-related activities ~~for trips other than transporting children to and from school~~ under certain conditions. Some of the most important of these include~~are~~:

A. Instructional program related field/activity trips, which are approved by the principal, sponsored by a faculty member and scheduled during the academic day.

B. Overnight and weekend trips directly related to the academic curriculum.

C. Co-curricular activity trips, both during and after the academic day, for music and art students.

D. School-related extracurricular activities.

E. Special in-service training programs for school employees.

School buses will not be used for non-school purposes or by non-school groups unless approved by the superintendent or a designee.

The Superintendent and Director of Transportation are authorized to prepare a regulation regarding this policy.
