Subject: Policy JHC - Student Organizations **(2nd Second Reading)**

Summary

The District is presenting Policy JHC - Student Organizations and Regulation JHC-R(1) for a revised Second Reading. It was pulled from last month in response to questions from the Board.

Background

The revisions to Policy JHC were proposed to incorporate new requirements of 2026 Senate Bill 179 related to patriotic societies and Senate Bill 552 related to student political activities.

Policy JHC was revised to incorporate the requirements of newly enacted legislation allowing equal access to students who wish to conduct a meeting on the basis of the political, philosophical, ideological, or other content of such speech at such meetings.

Since last meeting, it has been revised to clarify that students may not engage in conduct or speech at any club or organizational meeting that involves violence, threats, harassment, or infringes on the rights of other students.

Recommendation

It is recommended that the Bibb County Board of Education approves revisions to Policy JHC - Student Organizations.
