BIBB COUNTY SCHOOL DISTRICT

Dr. Dan A. Sims, Superintendent

ACTION MEMORANDUM

To: Board of Public Education for Bibb County ("Board")
Dan A. Sims, Superintendent

From: Anthony V. Jackson, Executive Director of Transportation
Sam Kitchens, Assistant Superintendent of Operations

Subject: Vehicle Surplus

Summary

The Transportation Department is seeking Board approval for the surplus, sale and/or disposal of forty-five (45) vehicles in accordance with Board Policy DO and Regulation DO-R(1) – School Properties Disposal Procedures. These vehicles are no longer operable or necessary for school purposes.

Background

The Transportation Department has conducted a comprehensive evaluation of its vehicle fleet as part of its ongoing commitment to operational efficiency, safety, and environmental responsibility. As a result of this assessment, forty-five (45) vehicles have been identified as surplus. These vehicles, which include a combination of school buses, service trucks, and patrol cars, have reached the end of their useful life and are no longer operable or necessary for school-related operations. Some of these vehicles have either been replaced or will be replaced with newer, more efficient models that better meet the current needs of the District.

In accordance with Board Policy DO and Regulation DO-R(1) – School Properties Disposal Procedures – these surplus vehicles will be sold or otherwise disposed of upon formal approval. The goal is to ensure proper stewardship of District assets and compliance with all applicable regulations.

A detailed list of all vehicles identified for surplus along with a list of vehicles that were sold last school year has been provided for review.

Recommendation

It is recommended that the Bibb County Board of Education declares the forty-five (45) vehicles identified in the attached Exhibit "1" as "surplus property" and authorizes the Board President and Superintendent to sign a Resolution declaring the forty-five (45)

vehicles as “surplus property” authorizing the sale or disposition of the vehicles pursuant to Board Policy DO and Regulation DO-R(1).
