Gifts to Staff

The Bibb County Board of Education ("Board") recognizes that students, parents, and others may wish to show appreciation to Bibb County School District ("District") employees. However, individuals are discouraged from routine gift-giving to District employees and are instead encouraged to write letters and notes of appreciation or to give small tokens of gratitude as memorabilia.

This policy is not intended to discourage acts of generosity in extenuating situations.

Gifts from the Board

The Board will consider appropriate ways of thanking retiring District employees who have rendered outstanding service for an extended period of time and who have earned the high regard of other staff members and the community.

Vendors

Employees of the District will not accept gifts (except food trays) from a commercial organization or vendor doing business in any manner with the District.

Employees may accept nominal items (such as pens or notepads) from a commercial organization or vendor that are generally distributed for promotional purposes.
