Subject: Policy FGB- Site Acquisition Procedures **(First Reading)**

Summary

The District is presenting Policy FGB – Site Acquisition Procedures for First Reading.

Background

Policy

The revisions to Policy FGB – Site Acquisition Procedures are limited. They emphasize the District's statutory authority to acquire property and its commitment to comply with applicable federal, state, and local laws and regulations.

Regulation

Regulation FGB-R(1) describes the process for identifying and approving acquisitions through a purchase and sale agreement or eminent domain. Minimal revisions are proposed to ensure the public is aware that executive sessions to consider the acquisition of property are allowed by the Open Meetings Act.

Next Step

Policy: The District will post Policy FGB – Site Acquisition Procedures for First Reading on Simbli to receive input from the Board members and stakeholders for 30 days. The policy will be brought to the next board meeting for second reading and final Board adoption and approval.

Regulation: The Board is requested to provide District administration with feedback regarding revisions to Regulation FGB-R(1). The administration will then make any

additional changes based on feedback from the Board. The regulation will be adopted by the administration and posted on Simbli.
