Any disputes or disagreements between CONTRACTOR and LEA regarding implementation or interpretation of this Master Contract, or otherwise relating to this Master Contract, that are not informally voluntarily resolved shall be addressed and/or resolved as set forth in this section of the Master Contract. This provision in this section of the Master Contract, shall apply to all disputes and disagreements related to events that occur and/or injuries that are incurred and/or commence during the term of this Master Contract, even if the party claiming injury first discovers the events and/or injuries giving rise to the disagreement or dispute or first notifies the other party of the disagreement or dispute, after expiration of this Master Contract. For purposes of this section of the Master Contract, the term “injury” shall include monetary and/or non-monetary injuries.

The mediator does not have the power to decide for the parties but can help the parties find a mutually acceptable resolution.

Step Four: If the dispute or disagreement is not resolved at Step Three, the party claiming injury may seek legal and/or equitable redress in a court of competent jurisdiction, or if mutually agreed to in writing by the parties, may submit the matter to the binding arbitration by an arbitrator or arbitration service to be agreed to by the parties.

To terminate this Contract either party shall give no less than 20-calendar days written notice prior to the date of the termination (EC 56366 (a) (4)).
