Board Meeting Date: February 26, 2025	Contract Number: 1							
Vendor		Service Provided to the following sites or individuals						
Dr. Laura Flaxman		All District High Schools						
Department	Cost	Length of Contract			Object Code	Funding Source		
Educational Services / Debi Cardozo	\$2,800.00	February 27, 2025 - June 30, 2025			5800	Educator Effectiveness Grant		
Description of Services		Consideration			Evaluation and Metrics			
Technical assistant sessions to support the development of healthcare-focused integrated pathway programs, which connect core academic and CTE classes, embed early college credit opportunities, student support, and work-based learning at each comprehensive high school.		This contract will support building the capacity of SRCS staff to implement integrated healthcare CTE pathways at each comprehensive high school, which include increased access to early college credit and work-based learning opportunities for students.			Development of site-based plans for increasing healthcare-related early college credit courses, and work-based learning opportunities. Student enrollment in a healthcare CTE pathway in the 25-26 school year will also be measured to determine the impact.

Vendor		Service Provided to the following sites or individuals						
Pepperwood Preserve		Hidden Valley Elementary School - 3rd Graders						
Department	Cost	Length of Contract			Object Code	Funding Source		
Educational Services / Brad Coscarelli	No Direct Cost	March 14, 2025			N/A	Parent, Faculty Organization and Classroom Funds		
Description of Services		Consideration			Evaluation and Metrics			
Naturalist-led hikes that cater to groups of all ages. Observe birds, find animal tracks, search for hidden forest creatures, and support Pepperwood's biodiversity and research projects – all while stretching your legs and getting outside in the fresh air. Learning Landscape participants will explore forests, meadows, and grasslands within a small group setting with expert guidance and interpretation.		This is directly connected to our 3rd grade Environmental Science in which students study biodiversity of Sonoma County.			Pre and Post hike formative and summative assessments.

Vendor		Service Provided to the following sites or individuals						
Examgen Inc.		Maria Carrillo High School						
Department	Cost	Length of Contract			Object Code	Funding Source		
Educational Services / Amy Wiese	\$657.00	February 16, 2025 - June 30, 2025			5817	General Funds		
Description of Services		Consideration			Evaluation and Metrics			
Examgen is able to generate and provide personalized and standards aligned formative assessments for students and teachers. The software provides multilingual support and is fully aligned to state standards. Instant feedback is provided to students.		The software will provide Math 1, Math 2, and Math 3 teachers at Maria Carrillo High School with software for progress monitoring and formative assessment to support their curriculum. This will serve as a pilot for the department. Data generated by the software will be able to provide feedback to students and guidance to teachers for follow up to targeted interventions.			Formative assessments and teacher feedback.

Mosyle Manager is a cloud-based Mobile Device Management system SRCS employs for iOS and MacOS devices. Mosyle Auth is an add-on module used for user authentication via Google on MacOS devices.			Mosyle Manager MDM is the Mobile Device Management (MDM) SRCS is using to manage its fleet of 3092 iOS (iPhones and iPads) and MacOS devices. Mosyle Manager MDM allows SRCS staff to remotely deliver applications, operating system updates and settings. It also allows SRCS to ensure software license compliance and to reuse/re-assign licenses when different devices are decommissioned or the license needs to be reassigned to other users. Mosyle Auth Subscription is an add-on module used for user authentication via Google on MacOS devices. This type of integration dramatically reduces the number of support calls and allows the IT team to use its resources more efficiently.			Timely delivery of applications and updates to the end user on iOS and MacOS devices. Maintain compliance with software licensing for iOS and MacOS

Department / Person Submitting Contract		Cost	Length of Contract			Object Code	Funding Source	
Educational Services / Michael Jablonski		\$510.00	February - June 2025			5800	Site LCAP	
Description of Services		Consideration				Evaluation and Metrics		
GoGuardian will allow teachers to support safe and focused internet browsing for students in 3rd-6th grade. This will allow teachers the ability to control unwanted websites, and produce a more effective learning environment.		We have seen an increase in students who are accessing inappropriate websites and are not following school rules. We currently have funding to secure the GoGuardian program.				On task, student work completion. Additionally, a decrease in behavior referrals for technology violations.

Educational Services / Evelyn Anderson		\$10,315.00	March 17, 2025 - June 27, 2025			5800	ELOP	
Description of Services		Consideration				Evaluation and Metrics		
Instruction in French in the performance arts of Magic and juggling to multiple grade levels.		Unduplicated students often benefit from high-engagement activities that support their academic success. Classes doing fun and novel activities in French helps these students build vocabulary and confidence. Performing magic tricks in French gives them a sense of accomplishment that is sometimes lacking. The students learn to collaborate and respect each others' accomplishments in a low-stress learning environment.				Students will develop the new fine motor skills required for juggling and sleight of hand. Acquisition of specialized French vocabulary and social vocabulary. Mastery of oral presentation and spectator management skills.

Educational Services / Hector Soto		\$8,992.18	April 14, 2025 - April 16, 2025		N/A	Parent Donations	
Description of Services		Consideration			Evaluation and Metrics		
Spending the days in small learning groups led by a professional NatureBridge educator. Study the adaptations of tide pool creatures in an intertidal marine touch tank. Collect and identify macroinvertebrates from Rodeo Pond. Engage in rock inquiry and explore 200 million years of geologic history. Visit the Point Bonita Lighthouse and observe seal behavior from the coastal bluffs. Hike to the top of Hawk Hill or Hill 88 and enjoy 360° views of the San Francisco Bay. Short night hike, campfire or beach visit to look for bioluminescent plankton.		Students engage in collaborative, authentic scientific learning experiences in a safe and supportive environment. These experiences are designed to support Next Generation Science Standards (NGSS) and student's social and emotional development.			Evaluation of specific skills related to scientific inquiry, such as observation, experimentation, and data collection. Observation of student interactions, enthusiasm, and engagement in discussions or activities.

Interactive Learning Licenses for five teachers.		BookWidgets allows teachers to create a ton of different types of interactive content. Examples of each type of widget are available to use as a template to start out, and a tutorial walks you through the steps. There are 40 different widgets you can create that can be shared through a link, a QR code, an email, and Google Classroom. Simple assessments you can integrate include exit slips, quizzes, and worksheets. Kids can practice and review skills with flash cards, puzzles, or games such as hangman or bingo.			The BookWidgets Reporting Dashboard offers the right student statistics and feedback features to support student learning.

Wizix Technology Group		District-Office						
Department / Person Submitting Contract		Cost	Length of Contract			Object Code	Funding Source	
Purchasing / Kelley Cook		\$35,400.00	March 2025 - September 2025			5616	General Fund	
Description of Services			Consideration			Evaluation and Metrics		
District-Office 6-Month Copier Lease Extension with Wizix (formerly with KBA).			Due to school consolidations/closures and the efforts District staff will make to reduce the number of copiers throughout the District, staff recommends a 6-month extension for the District Office Copiers only. This extension will allow for the District Administration to determine the actual quantity of copiers needed once all school consolidations/closures have been determined. School site copiers that are a part of the Master District-Wide Contract, will then be distributed to the District Office, other sites or eliminated from the master District-Wide contract.			Response times and service provided.		
The renewal agreement includes the lease of equipment (12 copiers), software, parts, firmware upgrades, maintenance, toner, and consumables. Includes 50,000 b/w and 1,000 color images per month. The renewal will ensure that the District Office has functional copiers and is being provided with adequate service response times.			Extension Breakdown \$5,900/month			Contract Type
