<b>Description of Services</b>		<b>Consideration</b>		<b>Evaluation and Metrics</b>					
Follett Destiny Library & Resource Manager is a database system used by SRCS to efficiently manage their library collections, textbooks, and other educational resources. It provides centralized access to books, digital materials, and instructional assets, making it easier for students and staff to locate and utilize resources.  Key Features: <ul style="list-style-type: none"> <li>Library Management: Supports cataloging, circulation, and tracking of books and digital resources.</li> <li>Resource Management: Manages textbooks, Chromebooks, and other instructional materials.</li> <li>Student &amp; Staff Access: Allows users to search, check out, and reserve materials online.</li> <li>Integration: Works with various student information systems (SIS) and digital learning platforms.</li> <li>Reporting &amp; Analytics: Generates detailed reports on resource usage and availability.</li> <li>Cloud-Based &amp; Secure: Offers secure, web-based access for schools and districts.</li> </ul>		The Follett Destiny Library & Resource Manager will be renewed for all current schools through the end of the school year, covering the period from March 31, 2025 to June 30, 2025.  A separate contract, reflecting the updated number of schools, will be presented to the board for approval in the coming months. This new contract will take effect on July 1, 2025, aligning with the school year calendar.		Efficiency gains in library operations, resource utilization, cost savings, and staff/student satisfaction, using tools such as reports and surveys.

Educational Services / Michael Reimer		\$64,800.00	May 1, 2025 - August 30, 2025	5100 & 5800	Title I Funds		
<b>Description of Services</b>		<b>Consideration</b>		<b>Evaluation and Metrics</b>			
LandPaths will provide 4 week-long outdoor camps at several open space areas for SRCS students (from Title I sites; ages 6-13) during Summer 2025. This includes providing the staffing and educational program supportive of social, emotional and physical well-being.		When SRCS partners with LandPaths, the focus is not only on environmental stewardship, but also social-emotional and physical wellness through experiences in nature. This will be the District's 5th year partnering with the LandPaths organization. Participant feedback from previous years has been strong, and opportunity focuses on science and careers in environmental areas.		Program will serve 144 students and be evaluated via attendance, participation and participant surveys.

<b>Vendor</b>		<b>Service Provided to the following sites or individuals</b>					
<b>Santa Rosa Metro Chamber - Mike Hauser</b>		Summer programming for up to 100 rising 9th grade students.					
<b>Department / Person Submitting Contract</b>		<b>Cost</b>	<b>Length of Contract</b>	<b>Object Code</b>	<b>Funding Source</b>		
Educational Services / Michael Reimer		No Direct Cost	May 1, 2025 - July 31, 2025	N/A	N/A		
<b>Description of Services</b>		<b>Consideration</b>		<b>Evaluation and Metrics</b>			
The Santa Rosa Metro Chamber will provide the following for the Mike Hauser Academy: Provide an orientation meeting to participating students and parents/guardians on an evening in May 2025. Provide materials for all students and staff. Facilitate a one day planning session for teachers. Identify a minimum of 8 partnering businesses. Provide transportation to and from school sites and partnering locations. Organize a graduation ceremony on final day to include speakers, certificates, food, invitations and other graduation ceremony items. Businesses or Metro Chamber to provide lunch.		The Mike Hauser Academy (MHA) Program is specific to the Santa Rosa Metro Chamber as this was created by their former president, Mike Hauser. The 2025 MHA summer program will be the 18th year of the partnership with the Santa Rosa Metro Chamber and SRCS.  No payments to SR Metro Chamber. Additional costs (teachers, support staff, supplies) paid by SRCS.		SR Metro Chamber will provide a pre & post interest comparison survey. SRCS will track students to determine: number of students enrolled in STEM classes in high school; number of students pursuing college or career in a STEM field pathway; and graduation rates (including 1-g completion rate) as well as demographic data. Finally, the program will be evaluated via attendance, participation and participant surveys.

<b>Springboard Collaborative</b>		Summer supplemental academic, early-literacy program for 250 students (K-4).							
<b>Department / Person Submitting Contract</b>	<b>Cost</b>	<b>Length of Contract</b>	<b>Object Code</b>	<b>Funding Source</b>					
Educational Services / Michael Reimer	\$71,460.00	April 1, 2025 - July 31, 2025	5100 & 5800	Expanded Learning Opportunities Program (ELOP) Funds					
<b>Description of Services</b>		<b>Consideration</b>		<b>Evaluation and Metrics</b>					
Professional development, training & support materials, and online platform access to support K-4 early literacy summer school program.		Building on the successful results from the Elementary Academy program in Summer 2024 (average of 5.0 months of reading gains at BHES, and 4.7 months at ALES summer sites), the district will offer a similar version of the program, in conjunction with classroom teachers at the LBES summer school location.		Background: In the Technical Analysis and Springboard Impact Reports presented at the 9.13.23 BOE meeting, results of the program revealed a statistically significant improvement in students' "Correct Letter Sounds" and "Words Correct Per Minute" metrics (from Summer, 2023). Also, some students showed up to a 5.9 month reading gain from participating in the intensive 5-week program. The results from the 2 Summer 2024 sites showed similar impressive gains in student scores. The program will again be monitored across several metrics and will include both descriptive and inferential statistics. Student demographics will be summarized (accessibility) and results of the program (using a pre/post study design - using matched pair student t-test) will be presented. Finally, results will also be summarized in an independent Impact Report.

<b>Description of Services</b>		<b>Consideration</b>		<b>Evaluation and Metrics</b>					
EXCEL for Youth and the School of Extended Education at Sonoma State will provide 2 weeks of enrichment classes to SRCS students currently in grades 3-8. EXCEL for Youth teacher will provide a catalogue of engaging, hands on classes from which students may choose to attend.		SRCS has partnered with with Sonoma State's EXCEL for Youth for several summers with feedback being very positive. Partnering with EXCEL for Youth again will provide students with the opportunity to participate in learning experiences that are hands-on, engaging and supportive of social and academic growth.		200 students in grades 3-8 will have the opportunity to enroll in enrichment classes through Excel for Youth. Program will serve 200 students and be evaluated via attendance, participation and participant surveys.

<b>North Bay Trades Introduction Program</b>		Up to fifteen 11th and 12th Grade Students					
<b>Department / Person Submitting Contract</b>	<b>Cost</b>	<b>Length of Contract</b>	<b>Object Code</b>	<b>Funding Source</b>			
Educational Services / Debi Cardozo	No Direct Cost	March 27, 2025 - June 1, 2025	N/A	CTE Incentive Grant			
<b>Description of Services</b>		<b>Consideration</b>	<b>Evaluation and Metrics</b>				
<p>The North Bay Trades Introduction Program will:</p> <ul style="list-style-type: none"> <li>• Provide an orientation meeting to participating students and their parents.</li> <li>• Hire a TradesWomen Inc. instructor to work in partnership with the SRCS teacher on content delivery. Camp content would include a discussion of pathways in construction, construction apprenticeships, safety, teamwork, basic rights and responsibilities of construction workers, and taking students through a project's approval, design, resource coordination and ordering, construction and delivery process.</li> <li>• Provide instructional materials, cover costs associated with custodial, provide First Aid/CPR Certification, and a letter of recommendation to students that complete the Construction Camp.</li> </ul>		<p>One of the key outcomes of the camp is to increase awareness of career pathways for women in construction, which is an underrepresented group in the Building and Trades Industry Sector. Additionally, students will learn basic hand tool use and earn first aid and CPR certification through their participation in the camp.</p> <p>No payments to North Bay Trades Introduction Program. Cost of one (1) teacher is paid by SRCS.</p>	<p>Number of students completing the camp and earning certifications. Students will complete a Pre and Post interest comparison survey. In the Spring of 2024, 13 students completed the camp and earned First Aid certification.</p>

<b>Description of Services</b>		<b>Consideration</b>	<b>Evaluation and Metrics</b>				
<p>District will partner with NHFY team to identify students in need of support of intervention services and connect students and families with community-based organizations. District will also serve as liaison with students and families to monitor ongoing impact of services. NHFY will target (1) Youth exhibiting high-risk behaviors including substance abuse, school truancy, academic underperformance, and/or contact with the juvenile justice system; (2) youth committing intentional acts of violence; (3) Youth suspended due to fighting or alcohol/drug use.</p>		<p>This partnership is funded by a grant with the City of Santa Rosa. There is no cost to SRCS.</p>	<p>Success of this partnership will be measured through individual student academic, behavioral, and attendance metrics. Overall impact on culture and climate will be examined through the social emotional, climate and culture surveys including Panorama and Youth Truth.</p>

Wellness & Engagement / Stacy Desideri	No Direct Cost	July 1, 2025 - June 30, 2030	N/A	N/A			
<b>Description of Services</b>		<b>Consideration</b>	<b>Evaluation and Metrics</b>				
<p>The Sonoma County Office of Education requires this reciprocal agreement in order to accept interdistrict transfer students. This is a county-wide agreement that is shared between Sonoma County schools. This agreement shall be effective July 1, 2025 and continue for a five-year term.</p>		<p>The Sonoma County Multi-District Interdistrict Attendance Agreement does not supersede our Interdistrict Board Policies, but confirms the basic parameters that all districts in the county will abide by for Interdistrict requests.</p> <p>The consequences for not participating in this agreement would not be desirable as every accepted interdistrict student would require a separate district agreement. Knowing the number of districts represented by our students we would be looking to 40+ separate agreements. In addition to not having access to the universal SCOE Interdistrict Transfer Agreement form available online. The fact is that parents still have the right to transfer in and SCOE would still oversee any appeals.</p>	<p>Annual evaluation of transfers in and out of the district.</p>

<b>Description of Services</b>		<b>Consideration</b>		<b>Evaluation and Metrics</b>				
Sonoma State University's College of Education offers degree programs in a wide variety of academic disciplines, which are academically enhanced by practical experiences outside of the traditional classroom setting.		Original Board Approval Date: 8/14/24 The addendum updates the billing process: As per SSU, "Essentially, we are omitting the step where we reimburse for mentor payments by billing only the amount needed to run the intern pathway at SSU and asking districts to pay mentors directly.  In the old process, we bill \$3750 per intern/year and reimburse \$1500 per mentor/year. This is prorated for one semester interns.  In the addendum, we still require \$3750 per intern/year, though we will only bill the districts \$2250 per intern/year - with the assumption the district will pay the mentor \$1500 per mentor/year. This is also prorated for one semester interns."		100% of teachers/counselors/interns placed within SRCS will complete their residency with placement within a school district the following year.

<b>Santa Rosa Junior College</b>	Santa Rosa High School Students in the Manufacturing 1 Courses							
<b>Department / Person Submitting Contract</b>	<b>Cost</b>	<b>Length of Contract</b>	<b>Object Code</b>	<b>Funding Source</b>				
Educational Services / Debi Cardozo	No Direct Cost	Fall 2024 - Spring 2026	N/A	N/A				
<b>Description of Services</b>	<b>Consideration</b>		<b>Evaluation and Metrics</b>					
The Articulation Agreement is between the Santa Rosa Junior College and Santa Rosa High School. This agreement provides students enrolled in the Santa Rosa City Schools Manufacturing 1 courses the opportunity to earn Santa Rosa Junior College credit (WELD 170) through a credit-by-exam process.	Santa Rosa City Schools has Articulation Agreements in place for several Career Technical Education (CTE) Programs. Establishing an articulation agreement between the Santa Rosa Junior College and a High School CTE Program involves a collaborative process that requires input from both institutions to ensure that course standards are met. This year, the Santa Rosa High School (SRHS) Manufacturing Program Instructor and Santa Rosa Junior College WELD 170 Instructor determined that the courses were similar enough to form an agreement where students could earn college credit through a credit-by-exam process. The exam is proctored by the SRHS Manufacturing teacher, is free for students, and only students who earn an A or B grade on the credit-by-exam will have their grade reported on their college transcript.		The credit-by-exam pass rate will be evaluated.
