2	John Stocksdale	CR Warehouse	DO	Amendment	C	21	\$11,278.40	Project Inspection Services	Additional time is required for project inspection.	Original contract was based on an estimated time to complete project inspections, which has now been expended due to weather and other procurement delays.
					G	21	\$3,561.60			
3	Brelje & Race	PHS 2 Story Classroom Building	PHS	Professional Service Agreement	C	21	\$10,300.00	Topographic & Underground Utility Surveys	Surveys are required prior to design of the new classroom building.	Topographic and underground utility surveys are required to begin the design work for a new 2 story classroom building, which was Board approved on 4/23.
4	Dell Technologies	CCLA Network Video Recorder Replacement	CCLA	Equipment Quote	C	21	\$13,526.76	New Network Video Recorders	Replacement of aged Network Video Recorder at CCLA campus.	The district fleet of Network Video Recorders (NVRs) for the security cameras is past the end of its lifespan, with over 6 years of service, and many elements of the hardware are no longer supported, resulting in frequent failures. There have been five failures so far. This quote is to replace the NVR at CCLA, to test the new equipment before replacing the remainder of the fleet.
5	CDW-G	CCLA Network Video Recorder Replacement	CCLA	License Quote	C	21	\$240.67	License	Licensing is required to operate the new Network Video Recorder at CCLA.

7	Redwood Moving & Storage	School Consolidations: SRMS	SRMS	Quote	C	21	\$3,850.00	Boxes	Boxes to pack for the move from SRMS to SRHS.	
8	Quattrocchi Kwok Architects	PHS Theater Lighting Replacement	PHS	Project Assignment	C	21	\$116,300.00	Design Services	PHS Theater Lighting system is outdated and requires a new system for safety and proper operations.	PHS Theater was built in 1999 and has not had its theater lighting system updated. The theater lighting is no longer functioning and requires a new lighting system to be installed. Safety and proper use of the theater are affected by the unreliability of the existing system. This proposal is for the design of the theater lighting system. When the design is complete, we will bid the project and bring the winning award to the Board for approval.
9	Bay Cities Fire Protection, Inc.	RHS Portable Relocation	RHS	Professional Service Agreement	C	21	\$3,500.00	Fire Flow Test	A fire flow test is required for agency approval.	As part of the DSA review, testing is required to document adequate fire flow.
10	Redwood Moving & Storage	School Consolidation HSMS Move	HSMS	Professional Service Agreement	C	21	\$42,220.00	Moving Services	Moving services due to school consolidation.	Moving services that are required this summer due to consolidation exceed the capacity of district staff. This agreement will augment the services that are being provided within the district.

17	Placeworks	School Consolidation & TK Projects	District Wide	Professional Service Agreement	C	21	\$103,755.96	California Environmental Quality Act Consulting Services	School consolidation is considered a "project" under the California Environmental Quality Act.	Consulting services are needed to determine what the District is required to provide under CEQA due to school consolidation and new TK buildings at the HCMS and SRMS sites. Approval of this proposal will allow Placeworks to assist the District through this process and any studies required with the CEQA review.
					G	21	\$32,765.04			
18	School Outfitters	School Consolidations: SRHS	SRHS	Quote	C	21	\$6,312.37	Portable Sinks	Sinks are required in the classrooms that will be occupied by 7th/8th grades at SRHS for art and science.	The decision to utilize DeSoto Hall for incoming 7th and 8th graders at SRHS necessitates providing portable sinks for classrooms that need sinks, as permanent modification of these classrooms is not feasible before the start of the next school year.
