<b>Walker Creek Ranch</b>		Hidden Valley Elementary School						
<b>Department / Person Submitting Contract</b>		<b>Cost</b>	<b>Length of Contract</b>		<b>Object Code</b>	<b>Funding Source</b>		
Educational Services / Brad Coscarelli		\$29,486.00	February 24 - February 27, 2026		N/A	Fundraising & Donations		
<b>Description of Services</b>		<b>Consideration</b>			<b>Evaluation and Metrics</b>			
The Marin County Outdoor School at Walker Creek Ranch is dedicated to helping elementary schools satisfy their educational goals through quality instruction within a special learning environment that inspires and motivates students to achieve an appreciation of the natural world. Using the principles of thematic instruction, the Outdoor School program enhances a student's critical thinking, processing, and socialization skills.		As an outdoor education program, Walker Creek Ranch provides students with a quality science education, strengthens bonds with their peers, and increases their environmental awareness. Students leave with the confidence that they are the much-needed stewards of the land. The trip will be funded through Fundraising and the Parent and Faculty Organization.			N/A

<b>Description of Services</b>		<b>Consideration</b>			<b>Evaluation and Metrics</b>		
Cyber High provides an online learning platform that allows students to take rigorous, standards-based curriculum that is aligned to the A-G requirements of the UC/CSU system by completing online courses.		Cyber High supports students with credit recovery and achievement to both graduate from Santa Rosa City Schools and prepare themselves for transferring to a UC/CSU directly from high school. It provides online courses and curriculum that align to common core standards.			During the 2024/2025 school year, up until May 6, 2025, students completed 838 courses through Cyber High and earned a total of 4,190 credits.

<b>Description of Services</b>		<b>Consideration</b>			<b>Evaluation and Metrics</b>		
Informed K12 provides electronic internal office forms and workflow process to automatically collect signatures, route and track electronic forms.		The renewed service contract for this platform will be used District-wide and will improve efficiencies and workflow. The electronic form processes in HR, such as new employee onboarding packets, have been extremely successful with positive feedback. The expansion of electronic processes to other departments has improved service, reduced processing times, reduced errors, as well as improved transparency and communication.			It has streamlined the HR process, and we will continue to review and make modifications for additional efficiency.

<b>Description of Services</b>		<b>Consideration</b>			<b>Evaluation and Metrics</b>		
Keeping Kids In School mentors partner with families and schools to improve student attendance. A mentor can work with students to improve their engagement with school, coordinate with other city and county services, and support schools in increasing engagement with families.		Keeping Kids in School is an existing partner with SRCS. This renewal to our MOU maintains our services for another year.			With the participation of KKIS, aligned with site-based and district led attendance programming, SRCS has made steady improvement in attendance rates across the district. In the 2021-22 school year, we had 39% chronic absenteeism, which fell to 35% in 2022-23. In the 2023-24 school year, we dropped to 21% chronic absenteeism.

<b>Description of Services</b>		<b>Consideration</b>			<b>Evaluation and Metrics</b>			
Let's Go Learn is a board-approved assessment to support the English Learner redesignation process for grades 7-12. The online ELA diagnosis assessment (DORA) is administered periodically to students who have scored an overall ELPAC score of a 4 to support reclassification.		Let's Go Learn provides an online diagnosis assessment for reading (DORA) to guide instruction and is used as part of the English learner redesignation criteria.			(DORA) Assessments are to be administered periodically to students who have met the overall score of a 4 on the English Language Proficiency Assessments for California (ELPAC) as the local assessment tool for the reclassification. Reclassification rates for Multilingual learners will increase annually between 3-5%.

Special Services / John Fischer		Additional Cost of \$288,380.23	July 1, 2024 - July 1, 2025		5870	Special Education		
<b>Description of Services</b>		<b>Consideration</b>			<b>Evaluation and Metrics</b>			
Contract between SRCS and South Bay, a certified Non-Public School in Torrance, California, to provide special education services. Services to include academic support, behavioral services, and other supports and services, in a residential setting, to SRCS students with IEPs, that are placed at South Bay through an IEP.		This non-public, Residential Treatment Center, and special education school will provide an appropriate placement and services to enable some SRCS students with an IEP to receive a Free Appropriate Public Education. Because of their unique and high needs, SRCS doesn't have a public school setting with appropriate services and supports to meet the needs of such students. Currently one student is placed as South Bay. A portion of our costs will be reimbursed through the SELPA agreement.			South Bay will provide agreed upon IEP services, report attendance, progress and other data to SRCS. Students will make progress in all appropriate IEP goals, with all provided agreed upon supports from Star Academy, as demonstrated at the student's next annual Plan Review IEP.
