About Sales Tax

Items sold by Development Group, Inc. ("DGI") and shipped to destinations in California are subject to sales tax.

If an item is subject to sales tax in the state to which the order is shipped, tax is generally calculated on the total selling price of each individual item. In accordance with state tax laws, the total selling price of an order will generally include shipping and handling charges and item-level discounts. The amount of tax charged on your order will depend upon many factors including, but not limited to, the type of item(s) purchased, and the source and destination of the shipment. Factors can change between the time you place an order and the time and invoice is sent, which could affect the calculation of sales taxes. The amount appearing on your proposal as 'Estimated Sales Tax' may differ from the sales taxes ultimately charged.

About Product Returns

Consistent with the terms and conditions of the California Multiple Award Schedules (CMAS) General Provisions for Information Technology, you are required to provide written notice of rejection of products delivered or services performed within a reasonable time after receipt of such products or the performance of such services. Such notice of rejection is required to state the respect in which the products do not substantially conform to your specifications. If you do not provide such notice of rejection within FIFTEEN (15) days of delivery for purchases of Commercial Hardware or Commercial Software or THIRTY (30) days of delivery for all other purchases, such products and services will be deemed to have been accepted. Your acceptance will be final and irreversible, except as it relates to latent defects, fraud, or gross mistakes amounting to fraud.

Re: **Proposal for Professional Services**

DeSoto Hall Modernization
Santa Rosa City Schools
Project No.: 2025-016

Dear Erik,

The following is provided as our Proposal for Architectural and Engineering Services related to the DeSoto Hall Modernization project. The scope of Professional Services is proposed on a lump sum basis with a not-to-exceed limit plus 2.5% in reimbursable expenses in the form of printing, reproduction, delivery and consultant services with no mark-ups.

The scope of this project includes the architectural and engineering services required to complete the following:

- Conversion of four standard classrooms to STEAM and Science Classrooms
- Refresh of the buildings finishes and associated architectural elements to align with District Standards

It is understood that that schedule for this project requires construction during the Summer of 2026, and it is the District's desire to gain DSA Approval for this work prior to April 1st, 2026.

The fee for this work is proposed as a lump sum of four hundred twenty-seven thousand five hundred dollars (\$427,500) based on our fee percentages submitted in our statement of qualifications.

If you have any questions or need additional information regarding this proposal, please contact me at at your earliest convenience.

Thank you for your time and consideration,

Trent Sommers
President, Architect C-33589

Proposal No. 95.018740

PROFESSIONAL SERVICES AGREEMENT FOR GEOTECHNICAL SERVICES

Santa Rosa City Schools (CLIENT), requests, and RGH Geotechnical and Environmental Consultants, Inc. (RGH), agrees to provide services as described below.

Project Name: James Monroe Elementary School Drainage Improvements

Project Location: 2567 Marlow Road, Santa Rosa, California

Project Description: We understand it is proposed to construct approximately 500 feet of storm drain line. The storm drain line extends along the driveway at the southern side of the campus and crosses Marlow Road to an existing manhole. There are eight DI's along the new storm drain line. Based on the top of grate and invert elevations from the plan set titled "James Monroe Elementary School Drainage Improvements," prepared by Chaudhary and Associates, Inc., dated March 25, 2025, the bottom the pipe will be 3 to 6 feet below the pavement surface. We anticipate that the trench will be backfilled with Class 2 Aggregate Base and finished with asphalt.

Scope of Services: As requested, we will provide on-call compaction testing of the aggregate base backfill. The results of our observations and testing will be made available to the contractor(s) on the job site so that timely corrective action might be taken, if required. Upon completion, we will provide a summary of the laboratory and field density test results.

In addition, if requested, we will provide compaction testing during placement of the asphalt at the top of the trench. The results of our observations and testing will be made available to the contractor(s) on the job site so that timely corrective action might be taken, if required. Upon completion, we will provide a summary of the laboratory and field density test results.

Fee: RGH proposes to provide the services outlined herein on a time and expense basis, in accordance with our attached schedule of charges, for the following not to exceed fees:

Storm Drain Trench Backfill	\$ 9,000
Asphalt Compaction Testing	\$ 3,500
Total	\$12,500

These fees will not be exceeded without the authorization of Santa Rosa City Schools and are based on the following assumptions.

- 32 hours of trench backfill testing
- Class 2 Aggregate Base backfill
- One Compaction Curve
- One day of asphalt placement

AUTHORIZATION: The undersigned agrees to the terms and conditions of this Professional Services Agreement. This agreement includes the attached **General Conditions** and **Schedule of Charges**.

GENERAL CONDITIONS

1. DEFINITIONS

1.1. Contract Documents. Plans, specifications, reports, and agreements between Client and Contractors, including addenda, amendments, supplementary instructions, and change orders.

1.2. Contractor. The contractor or contractors retained to construct the Project for which Consultant is providing Services under this Agreement.

1.3. Day(s). Calendar day(s) unless otherwise stated.

1.4. Hazardous Materials. The term Hazardous Materials means any toxic substances, chemicals, radioactivity, pollutants, or other materials, in whatever form or state, known or suspected to impair the environment in any way whatsoever. Hazardous Materials include, but are not limited to, those substances defined, designated or listed in any federal, state or local law, regulation or ordinance concerning hazardous wastes, toxic substances or pollution.

1.5. Services. The Services provided by Consultant as set forth in this Agreement, the SCOPE OF SERVICES and any written amendment to this Agreement.

1.6. Work. The labor, materials, equipment, and services required to complete the work described in the Contract Documents.

2. SCOPE OF SERVICES

Consultant will perform the Services set forth in the attached SCOPE OF SERVICES.

2.1. Changes in Scope. If Consultant provides Client with a writing confirming a change in the SCOPE OF SERVICES, it will become an amendment to this Agreement unless Client objects in writing within 5 business days after receipt. All Services performed by Consultant on the Project are subject to the terms and limitations of this Agreement. If Services are performed, but the parties do not reach agreement concerning modifications to the SCOPE OF SERVICES or compensation, then the terms and limitations of this Agreement apply to such Services, except for the payment terms. The parties agree to resolve disputes concerning modifications to scope or compensation pursuant to Section 19, "Disputes."

2.2. Licenses. Consultant will procure and maintain business and professional licenses and registrations necessary to provide its Services.

2.3. Excluded Services. Consultant's Services under this Agreement include only those Services specified in the SCOPE OF SERVICES, OR A WRITTEN AMENDMENT(S) THERETO. Consultant shall have no other responsibility or obligation except as agreed to in writing.

2.3.1. General. Client expressly waives any claim against Consultant resulting from its failure to perform recommended additional Services that Client has not authorized Consultant to perform, and any claim that Consultant failed to perform services that Client instructs Consultant not to perform.

2.3.2. Biological Pollutants. Consultant's SCOPE OF SERVICES specifically excludes the investigation, detection, prevention, or assessment of the presence of Biological Pollutants. The term "Biological Pollutants" includes, but is not limited to, molds, fungi, spores, bacteria, viruses, and/or any of their byproducts. Consultant's SCOPE OF SERVICES will not include any interpretations, recommendations, findings, or conclusions pertaining to Biological Pollutants. Client agrees that Consultant has no liability for any claims alleging a failure to investigate, detect, prevent, assess, or make recommendations for preventing, controlling, or abating Biological Pollutants. Furthermore, Client agrees to defend, indemnify, and hold harmless Consultant from all claims by any third party concerning Biological Pollutants, except for damages caused by Consultant's sole negligence.

3. PAYMENTS TO CONSULTANT

3.1. Basic Services. Consultant will perform all Services set forth in the attached SCOPE OF SERVICES AND SCHEDULE OF CHARGES for the amount(s) set forth therein.

3.2. Additional Services. Any Services performed under this Agreement, except those Services expressly identified in the attached SCOPE OF SERVICES, will be provided on a time and materials basis unless otherwise specifically agreed to in writing by both parties.

3.3. Estimate of Fees. To the best of its ability, Consultant will perform the Services and accomplish the objectives of this Agreement within any written cost estimate provided by it. Client recognizes that changes in scope and schedule, and unforeseen circumstances can all influence the successful completion of Services within the estimated cost. The use of an estimate of fees or of a "not to exceed" limitation is not a guarantee that the Services will be completed for that amount; rather, it indicates that Consultant shall not incur fees and expenses in excess of the estimate or limitation amount without obtaining Client's agreement to do so.

3.4. Rates. Client will pay Consultant at the rates set forth in the SCHEDULE OF CHARGES.

3.4.1. Changes to Rates. Client and Consultant agree that the SCHEDULE OF CHARGES is subject to periodic review and amendment, as appropriate to reflect Consultant's then-current fee structure.

3.4.2. Prevailing Wages. Unless Client specifically informs Consultant in writing that prevailing wage regulations cover the Project and the SCOPE OF SERVICES identifies it as covered by such regulations, Client will reimburse, defend, indemnify and hold harmless Consultant from and against any liability resulting from a subsequent determination that prevailing wage regulations cover the Project, including all costs, fines and attorneys' fees.

3.5. Payment Timing; Late Charge. All invoices are due upon receipt. All amounts unpaid 30 days after the invoice date will include a late payment charge from the date of the invoice, at the rate of 1-1/2% per month or the highest rate permitted by law. In addition, Consultant may suspend performance of the Services when such failure to pay continues for fifteen (15) days following notice to Client of the same. Geotechnical study reports, plan review letters, or final construction observation reports may be held until payment for services is received by RGH.

3.6 Payment Disputes. If Client objects to any portion of an invoice, Client must so notify Consultant in writing within ten (10) days of the invoice date, identifying in such notice the cause of the disagreement. The parties will immediately make every effort to resolve the disputed portion of the invoice. Payment thereafter will first be applied to accrued interest and then to the unpaid principal amount

4. STANDARD OF PERFORMANCE; DISCLAIMER OF WARRANTIES

4.1. Level of Service. Consultant offers different levels of geotechnical engineering Services to suit the desires and needs of different clients. Although the possibility of error can never be eliminated, more detailed and extensive Services yield more information and reduce the probability of error, but at increased cost. Client must determine the level of Services adequate for its purposes. Client has reviewed the SCOPE OF SERVICES and has determined that it does not need or want a greater level of Services than that being provided.

4.2. Standard of Care. Subject to the limitations inherent in the agreed SCOPE OF SERVICES as to the degree of care, the amount of time and expenses to be incurred, and subject to any other limitations contained in this Agreement, Consultant will perform its Services consistent with that level of care and skill ordinarily exercised by other professional Consultants practicing in the same locale and under similar circumstances at the time the Services are performed.

4.3. No Warranty. No warranty, express or implied, is included or intended by this Agreement.

4.4 No Fiduciary Duty. Client agrees that Consultant has been engaged to provide technical professional services only and that Consultant does not owe a fiduciary responsibility to Client or to the project Owner, if different from Client.

5. ESTIMATE OF CONSTRUCTION COSTS

Client acknowledges that construction and Project development are subject to many influences that are not subject to precise forecasting and are outside of Consultant's control. Client further acknowledges that actual costs incurred may vary substantially from the estimates prepared by Consultant and that Consultant does not warrant or guarantee the accuracy of construction or development cost estimates.

6. CONSTRUCTION PHASE SERVICES

If Consultant's SCOPE OF SERVICES does not include observation and/or testing during the course of construction, Client acknowledges that such services will be provided by Client or by others and Client assumes all responsibility for interpretation of the Contract Documents and for construction observation and testing. Further, Client waives any claim against Consultant in any way related to such services, and agrees to indemnify, defend, and hold Consultant harmless from any loss, claim, or damage arising out of or in any way related to the performance of such services by other parties, including, but not limited to claims related to the interpretation, modification, or clarification of the Contract Documents due to changed field or other conditions, except for claims caused by the sole negligence of Consultant.

If Consultant's SCOPE OF SERVICES includes observation and/or testing during the course of construction the following provisions apply:

6.1. Construction Observation.

6.1.1. Site Meetings & Visits. Consultant will participate in job site meetings as requested by Client, and, unless otherwise requested by Client, visit the site at times specified in the SCOPE OF SERVICES or, if not specified in the SCOPE OF SERVICES, at intervals as Consultant deems appropriate to the various stages of construction to observe the geotechnical conditions encountered by Contractor and the progress and quality of the geotechnical aspects of the Work. Based on information obtained during such visits and on such observations, Consultant may inform Client of the progress of the geotechnical aspects of the Work. Client understands that Consultant may not be on site continuously; and, unless expressly agreed otherwise, Consultant will not observe all of the Work.

6.1.2. Contractor's Performance. Consultant does not, and cannot, warrant or guarantee that all of the geotechnical Work performed by Contractor meets the requirements of Consultant's geotechnical recommendations or the plans and specifications for such geotechnical Work; nor can Consultant be responsible for Contractor's failure to perform the Work in accordance with the plans, specifications, or the recommendations of Consultant. Consultant shall not be responsible for the acts, errors, or omissions of the Contractor, Owner, Client, other consultants, or any other persons or entities performing work on the project, except those under the direct control of Consultant.

6.1.3. Contractor's Responsibilities. Consultant will not supervise, direct, or have control over the Work nor will Consultant have authority over or responsibility for the means, methods, techniques, sequences, or procedures of construction selected by Contractor for the geotechnical aspects of the Project; for safety precautions and programs incident to the Work; nor for any failure of Contractor to comply with Laws and Regulations applicable to Contractor furnishing and performing its Work.

6.1.4. Final Report. At the conclusion of Construction Phase Services, Consultant will provide Client with a written report summarizing the tests and observations, if any, made by Consultant, if requested by the client.

6.2. Review of Contractor's Submittals. If included in the SCOPE OF WORK, Consultant will review and take appropriate action on the Contractor's submittals, such as shop drawings, product data, samples, and other required submittals. Consultant will review such submittals solely for general conformance with Consultant's design, and will not include review for the following, all of which will remain the responsibility of the Contractor: accuracy or completeness of details, quantities or dimensions; construction means, methods, sequences, or procedures; coordination among trades; or construction safety.

6.3. Tests. Tests performed by Consultant on finished Work or Work in progress are taken intermittently and indicate the general acceptability of the Work on a statistical basis. Consultant's tests and observations of the Work are not a guarantee of the quality of Work and do not relieve other parties from their responsibility to perform their Work in accordance with applicable plans, specifications, and requirements.

7. CLIENT'S RESPONSIBILITIES

In addition to payment for the Services performed under this Agreement, Client agrees to:

7.1. Cooperation. Assist and cooperate with Consultant in any manner necessary and within its ability to facilitate Consultant's performance under this Agreement.

7.2. Representative. Designate a representative with authority to receive all notices and information pertaining to this Agreement, communicate Client's policies and decisions, and assist as necessary in matters pertaining to the Project and this Agreement. Client's representative will be subject to change by written notice.

7.3. Rights of Entry. Provide access to and/or obtain permission for Consultant to enter upon all property, whether or not owned by Client, as required to perform and complete the Services. Consultant will operate with reasonable care to minimize damage to the Project Site(s). However, Client recognizes that Consultant's operations and the use of investigative equipment may unavoidably alter conditions or affect the environment at the existing Project Site(s). The cost of repairing such damage will be borne by Client and is not included in the fee unless otherwise stated.

7.4. Relevant Information. Supply Consultant with all information and documents in Client's possession or knowledge which are relevant to Consultant's Services. Client warrants the accuracy of any information supplied by it to Consultant, and acknowledges that Consultant is entitled to rely upon such information without verifying its accuracy. Prior to the commencement of any Services in connection with a specific property, Client will notify Consultant of any known potential or possible health or safety hazard existing on or near the Project Site, with particular reference to Hazardous Materials or conditions.

7.5. Subsurface Structures. Correctly designate on plans to be furnished to Consultant, the location of all subsurface structures, such as pipes, tanks, cables, and utilities within the property lines of the Project Site(s), and be responsible for any damage inadvertently caused by Consultant to any such structure or utility not so designated. Consultant is not liable to Client for any losses, damages or claims arising from damage to subterranean structures or utilities that were not correctly shown on plans furnished by Client to Consultant.

8. UNANTICIPATED AND CHANGED CONDITIONS

Actual subsurface conditions may vary from those encountered in the specific locations where Consultant conducts its explorations. Consultant can only base its site data, interpretations, and recommendations on information reasonably available to it. Practical limitations on available data will result in some level of uncertainty, and therefore risk, with respect to the interpretation of environmental, geological, and geotechnical conditions even when Consultant follows the standard of care. If Consultant discovers conditions or circumstances that it had not contemplated at the commencement of this Agreement ("Changed Conditions"), Consultant will notify Client in writing of the Changed Conditions. Client and Consultant agree that they will then renegotiate in good faith the terms and conditions of this Agreement. If Consultant and Client cannot agree upon amended terms and conditions within 30 days after notice, Consultant may terminate this Agreement and be compensated as set forth in Section 18, "Termination." Underground utilities and other structures that are not properly located on plans and specifications provided to Consultant will be considered a Changed Condition under this clause.

9. HAZARDOUS MATERIALS

Client understands that Consultant’s Services under this Agreement are limited to geotechnical engineering and that Consultant has no responsibility to locate, identify, evaluate, treat, or otherwise consider or deal with Hazardous Materials. Client is solely responsible for notifying all appropriate federal, state, municipal, or other governmental agencies, including the potentially affected public, of the existence of any Hazardous Materials located on or in the Project site, or located during the performance of this Agreement. The existence or discovery of Hazardous Materials constitutes a Changed Condition under this Agreement. Client further agrees to defend, indemnify, and hold Consultant harmless from any claims related to Hazardous Materials that may be brought or filed by third parties due to the services provided by Consultant under this Agreement, except to the extent caused by the sole negligence of Consultant.

10. CERTIFICATIONS

Client agrees not to require that Consultant execute any certification with regard to Services performed or Work tested and/or observed under this Agreement unless: 1) Consultant believes that it has performed sufficient Services to provide a sufficient basis to issue the certification; 2) Consultant believes that the Services performed or Work tested and/or observed meet the criteria of the certification; and 3) Consultant has reviewed and approved in writing the exact form of such certification prior to execution of this Agreement. Any certification by Consultant is limited to an expression of professional opinion based upon the Services performed by Consultant, and does not constitute a warranty or guarantee, either expressed or implied. Any such certification in no way relieves the contractor or any other party from meeting requirements imposed by contract or other means, including industry standards. Client further agrees not to make resolution of any dispute with the Consultant or payment of any sums due Consultant in any way contingent on Consultant signing any such certification or similar document.

11. ALLOCATION OF RISK

11.1. Limitation of Remedies. In recognition of the relative risks and benefits of the project to Client and Consultant, the risks are allocated such that Client agrees, to the fullest extent permitted by law, that the total cumulative liability of Consultant, its subconsultants and subcontractors, and all of their respective shareholders, directors, officers, employees, and agents (collectively “Consultant Entities”), to Client arising from Services under this Agreement, including any indemnity obligation, any defense costs and attorney’s fees, and any consequential damages which may be due under this Agreement, will not exceed the extent of available coverage with coverage limits outlined in Section 12. This limitation applies to all lawsuits, claims, or actions that allege errors or omissions in Consultant Entities Services, whether alleged to arise in tort, contract, warranty, or other legal theory. Client further agrees to require any contractor or subcontractor who may perform work in connection with any design, report, or study by Consultant to include a like indemnity and limitation of remedies clause in favor of Consultant. Client and Consultant agree that this clause was expressly negotiated and agreed upon.

11.2. Indemnification.

11.2.1. Indemnification of Client. Subject to all otherwise applicable statutes of limitations and repose and the provisions and limitations of this Agreement, including section 11.1 above, Consultant agrees to indemnify and hold harmless Client, its shareholders, officers, directors, and employees from and against any and all third party claims, suits, liabilities, damages, expenses, or losses including reimbursement of reasonable attorney’s fees and costs of defense, collectively “Losses” to the extent caused by Consultant’s negligent performance of its Services under this Agreement. With regard to any claim alleging Consultant’s negligent performance of professional services, Consultant’s defense obligation under this indemnity paragraph means only the reimbursement of reasonable defense costs to the proportionate extent of its actual indemnity obligation hereunder. The indemnity obligations provided under this section shall only apply to the extent such Losses are determined by a court of competent jurisdiction or arbitrator to have been caused by the negligence of Consultant.

11.2.2. Indemnification of Consultant. Client will indemnify and hold harmless Consultant Entities from and against any and all Losses to the extent caused by the negligence or willful misconduct of Client, its employees, agents, and contractors. In addition, except to the extent caused by Consultant’s sole negligence, Client expressly agrees to defend, indemnify, and hold harmless Consultant Entities from and against any and all Losses arising from or related to the existence, disposal, release, discharge, treatment, or transportation of Hazardous Materials, or the exposure of any person to Hazardous Materials, or the degradation of the environment due to the presence, discharge, disposal, release of, or exposure to Hazardous Material.

11.3 No Personal Liability. Client and Consultant intend that Consultant’s services will not subject Consultant’s individual employees, officers, or directors to personal liability. Therefore, and notwithstanding any other provision of this Agreement, Client agrees as its sole and exclusive remedy to direct or assert any claim, demand, or suit only against the business entity identified as “Consultant” on the first page of this Agreement.

11.4 Deviation from Recommendations. Unless specifically agreed otherwise in writing, Client agrees that Consultant bears no responsibility for ensuring Client’s or any other party’s compliance with any specifications, procedures, or recommendations provided by Consultant to Client under this Agreement (collectively, “recommendations”). Client hereby releases Consultant from all liability arising from any other party’s failure to fully comply with recommendations, and Client will defend, indemnify, and hold harmless Consultant from any party’s claims for losses arising from or related to Client’s or any other party’s failure to fully comply with recommendations.

11.5. Consequential Damages. Neither Client nor Consultant will be liable to the other for any special, consequential, incidental, indirect, punitive, or penal losses or damages including but not limited to losses, damages, or claims related to the unavailability of property or facilities, shutdowns or service interruptions, loss of use, profits, revenue, business, reputation, financing or inventory, or for use charges, cost of capital, or claims of the other party or its customers. This waiver applies to all such claims and damages, whether based on contract, warranty, tort, or any other legal theory.

11.6. Continuing Agreement. The indemnity obligations, limitation of remedies, and consequential damages waiver established under this Agreement will survive the expiration or termination of this Agreement. If Consultant provides additional or different Services to Client that the parties do not confirm through execution of an amendment to this Agreement, the obligations of the parties to indemnify each other, the limitations on liability, and the consequential damages waiver established under this Agreement apply to such Services as if the parties had executed an amendment.

12. INSURANCE

12.1. Consultant’s Insurance. Consultant will obtain, if reasonably available, the following coverages:

12.1.1. Statutory Workers’ Compensation/Employer’s Liability Insurance;

12.1.2. Commercial General Liability Insurance with a combined single limit of \$1,000,000;

12.1.3. Automobile Liability Insurance, including liability for all owned, hired and non-owned vehicles with minimum limits of \$1,000,000 for bodily injury per person, \$1,000,000 property damage, and \$1,000,000 combined single limit per occurrence; and,

12.1.4. Professional Liability Insurance in amounts of \$1,000,000 per claim and annual aggregate.

12.2. Contractor’s Insurance. Client will require that all Contractors and subcontractors for the Project name Consultant as an additional insured under their General Liability and Automobile Liability insurance policies. If Client is not the Project owner, Client will require the Project owner to require the owner’s Contractor to purchase and maintain General Liability, Builder’s Risk, Automobile Liability, Workers’ Compensation, and Employer’s Liability

insurance with limits no less than as set forth above, and to name Consultant and its subcontractors and subconsultants as additional insureds on the General Liability and Builder's Risk insurance.

12.3. Certificates of Insurance. Upon request, Consultant and Client will each provide the other with certificate(s) of insurance evidencing the existence of the policies required herein. Except for Professional Liability and Workers' Compensation Insurance, all policies required herein shall contain a waiver of subrogation.

13. OWNERSHIP AND USE OF DOCUMENTS

13.1. Client Documents. All documents provided by Client will remain the property of Client. Consultant will return all such documents to Client upon request, but may retain file copies of such documents.

13.2. Consultant's Documents. Unless otherwise agreed in writing, all documents and information prepared by Consultant or obtained by Consultant from any third party in connection with the performance of Services, including, but not limited to, Consultant's reports, boring logs, maps, field data, field notes, drawings and specifications, laboratory test data and other similar documents (collectively "Documents") are the property of Consultant. Consultant has the right, in its sole discretion, to dispose of or retain the Documents.

13.3. Use of Documents. All Documents prepared by Consultant are solely for use by Client and will not be provided by either party to any other person or entity without Consultant's prior written consent.

13.3.1. Use by Client. Client has the right to use the Documents for purposes reasonably connected with the Project for which the Services are provided, including design and licensing requirements of the Project.

13.3.2. Use by Consultant. Consultant retains the right of ownership with respect to any patentable concepts or copyrightable materials arising from its Services and the right to use the Documents for any purpose.

13.4. Electronic Media CLIENT and CONSULTANT both prefer that CONSULTANT use electronic means to issue to CLIENT CONSULTANT's proposed-final instrument(s) of professional service. CONSULTANT will provide to CLIENT electronic media or access to electronic media in which the instruments of professional service are stored or CONSULTANT will use electronic means, like e-mail, to transmit the instrument(s) of professional service directly. CLIENT and CONSULTANT both realize that data, words, graphical representations, drawings, and other elements of electronically stored or transmitted instruments of professional service may experience unpreventable, random alteration. Accordingly, CLIENT shall have [sixty (60)] calendar days after receiving or gaining access to CONSULTANT's proposed-final instrument(s) of professional service to inspect the material for readability, accuracy, and completeness. CLIENT shall call to CONSULTANT's attention any errors, omissions, or other problems, permitting CONSULTANT to provide prompt adjustments or corrections for CLIENT's additional review. Unless CLIENT requests modifications to the instruments of professional service within 7 days, the instruments of professional service shall become final. CLIENT shall, to the extent permitted by law, waive any and all claims against CONSULTANT that arise from or are related to the unauthorized modification of CONSULTANT's instruments of professional service by CLIENT or any person or entity that acquires or obtains the instruments of professional service from or through CLIENT. CLIENT shall further indemnify and hold harmless CONSULTANT from and against any and all claims, demands, allegations, causes of action, damages, losses, costs, or other liabilities and expenses (including all attorney's fees and court costs) that arise from or are related to the unauthorized modification of CONSULTANT's instruments of professional service by CLIENT or any person or entity that acquires or obtains the instruments of professional service from or through CLIENT. CLIENT shall also compensate CONSULTANT for any time CONSULTANT spends or expenses CONSULTANT incurs arising from or relating to the unauthorized modification of CONSULTANT's instruments of professional service by CLIENT or any person or entity that acquires or obtains the instruments of professional service from or through CLIENT. Such compensation shall be based upon CONSULTANT's prevailing fee schedule and expense-reimbursement policy. (The term "any and all claims" used in this provision means "any and all claims in contract, tort, or statute alleging negligence, errors, omissions, strict liability, statutory liability, breach of contract, breach of warranty, negligent misrepresentation, or other acts giving rise to liability.")

13.5. Unauthorized Reuse and Reliance. No party other than Client may rely, and Client will not represent to any other party that it may rely on Documents without Consultant's express prior written consent, receipt of additional compensation by Consultant, and the written agreement of the party seeking reliance to be bound to the same terms and conditions as Client. Client will not permit disclosure, mention, or communication of, or reference to the Documents in any offering circular, securities offering, loan application, real estate sales documentation, or similar promotional material without Consultant's express prior written consent. Any reuse or modification of the Documents, including Documents in an electronic format, by Client or anyone obtaining them through Client will be at Client's sole risk and without liability to Consultant. Client will defend, indemnify, and hold Consultant harmless from all claims, demands, actions, and expenses (including reasonable attorney's fees, expert fees, and other costs of defense) arising out of or in any way related to the reuse or modification of the Documents by Client or anyone obtaining them through Client. Client further releases and agrees to defend, indemnify, and hold harmless Consultant from and against any claim, action or proceeding brought by any party claiming to rely upon information or opinions contained in the Documents provided to such person or entity, published, disclosed or referred to without Consultant's prior written consent.

14. SAMPLES AND CUTTINGS

14.1. Sample Retention. If Consultant provides laboratory testing or analytic Services, Consultant will preserve such soil, rock, water, or other samples as it deems necessary for the Project, but no longer than 45 days after issuance of any Documents that include the data obtained from these samples. Client will promptly pay and be responsible for the removal and lawful disposal of all contaminated samples, cuttings, Hazardous Materials, and other hazardous substances.

14.2. Monitoring Wells. Client will take custody of all monitoring wells and probes installed during any investigation by Consultant, and will take any and all necessary steps for the proper maintenance, repair, or closure of such wells or probes at Client's expense.

15. ASSIGNMENT AND SUBCONTRACTS

Client and Consultant, respectively, each binds itself and its successors and assigns to the other and its successors and assigns with respect to all covenants of this Agreement. During the term of this Agreement and following its termination for any reason, neither Client nor Consultant shall assign, convey, sublet, or transfer any rights under or interest in this Agreement without the prior written consent of the other party, including but not limited to, (a) any interest in the proceeds of this Agreement, or any proceeds of claims arising from or under this Agreement; (b) any rights, claims, or causes of action alleging breach, loss, or damages arising from or under this Agreement; (c) the control of claims or causes of action against the other party arising from or under this Agreement; and (d) any proceeds from claims or causes of action as security, collateral, or the source of payment for any notes or liabilities to any third party. This section shall not, however, apply to any subrogation rights (if any) of any insurer of either party. This section shall survive the completion or termination of this Agreement for any reason and shall remain enforceable between the parties. Any assignment that fails to comply with this paragraph will be void and of no effect.

16. RELATIONSHIP OF THE PARTIES

Consultant will perform Services under this Agreement as an independent contractor.

17. SUSPENSION AND DELAYS

17.1. Procedures. Client may, at any time by 10 days written notice suspend performance of all or any part of the Services by Consultant. Consultant may terminate this Agreement if Client suspends Consultant’s Services for more than 60 days and Client will pay Consultant as set forth under Section 18, “Termination.” If Client suspends Consultant’s Services, or if Client or others delay Consultant’s Services, Client and Consultant agree to equitably adjust: (1) the time for completion of the Services; and (2) Consultant’s compensation in accordance with Consultant’s then current SCHEDULE OF CHARGES for the additional labor, equipment, and other charges associated with maintaining its workforce for Client’s benefit during the delay or suspension, or charges incurred by Consultant for demobilization and subsequent remobilization.

18. TERMINATION

18.1. Termination for Convenience. Consultant and Client may terminate this Agreement for convenience upon 30 days written notice delivered or mailed to the other party.

18.2. Termination for Cause. In the event of material breach of this Agreement, the party not breaching the Agreement may terminate it upon 10 days written notice delivered or mailed to the other party. The termination notice shall state the basis for the termination. The Agreement may not be terminated for cause if the breaching party cures the breach within the 10-day period.

18.3. Payment on Termination. Following termination other than for Consultant’s material breach of this Agreement, Client will pay Consultant for Services performed prior to the termination notice date, and for any necessary Services and expenses incurred in connection with the termination of the Project, including but not limited to, the costs of completing analysis, records, and reports necessary to document job status at the time of termination and costs associated with termination of subcontractor contracts in accordance with Consultant’s then current SCHEDULE OF CHARGES.

19.2. Precondition to Other Action. No action or suit may be commenced unless the mediation did not occur within 90 days after service of notice; or the mediation occurred but did not resolve the dispute; or a statute of limitation would elapse if suit was not filed prior to 45 days after service of notice.

19.3. Choice of Law; Venue. This Agreement will be construed in accordance with and governed by the laws of the state in which the Project is located. Unless the parties agree otherwise, any mediation or other legal proceeding will occur in the state in which the Project is located.

19.4. Statutes of Limitations. Any claim related to or arising out of this Agreement by either party, whether known or unknown, including but not limited to claims for breach of this Agreement or for the failure to perform in accordance with the applicable standard of care, shall be made within two (2) years from the time the Client knew or should have known of its claim, but in any event, not later than four (4) years after the completion of Consultant’s Services on the project.

20. MISCELLANEOUS

20.1. Integration and Severability. This Agreement reflects the entire agreement of the parties with respect to its terms and supersedes all prior agreements, whether written or oral. If any portion of this Agreement is void or voidable, such portion will be deemed stricken and the Agreement reformed to as closely approximate the stricken portions as the law allows, and the remaining provisions of this Agreement shall be valid and binding on both the Client and Consultant.

20.2. Modification of this Agreement. This Agreement may not be modified or altered, except by a written agreement signed by authorized representatives of both parties and referring specifically to this Agreement.

20.3. Notices. Any and all notices, requests, instructions, or other communications given by either party to the other must be in writing and either hand delivered to the recipient or delivered by first-class mail (postage prepaid) or express mail (billed to sender) at the addresses given in this Agreement.

20.4. Headings. The headings used in this Agreement are for convenience only and are not a part of this Agreement.

20.5. Waiver. The waiver of any term, conditions or breach of this Agreement by Consultant or Client will not operate as a subsequent waiver of the same term, condition, or breach.

20.6. No Third Party Rights. Nothing in this Agreement or as a consequence of any of the Services provided gives any rights or benefits to anyone other than the Client and Consultant. All duties and responsibilities undertaken in this Agreement are for the sole use and exclusive benefit of Client and Consultant, and not for the use or benefit of any other party.

20.7 Value Engineering. Client acknowledges that if it elects to pursue value engineering on the project, it assumes the risk that it could result in reduced functionality or performance of the project, increased maintenance, or other issues. In addition, if the Client requires the incorporation of changes in the construction documents to accommodate value engineering, the Client agrees, to the fullest extent permitted by law, to waive all claims against Consultant and to indemnify and hold harmless Consultant from any damages, liabilities or costs, including reasonable attorneys’ fees and costs of defense, which arise in connection with or as a result of the incorporation of such design changes required by the Client. In addition, the Consultant shall be compensated for services necessary to incorporate recommended value engineering changes into reports, drawings, specifications, bidding, or other documents.

20.8 Precedence. These General Conditions take precedence over any inconsistent or contradictory provisions contained in any other agreement term, proposal, purchase order, requisition, notice to proceed, or other document regarding Consultant’s services.

Project Name: Santa Rosa High School Paving Project

Project Location: 1235 Mendocino Avenue, Santa Rosa, California

Project Description: We understand it is proposed to remove the existing pavement section and replace it with 3 inches of asphalt over 6 inches of Class 2 Aggregate Base. The areas for new pavement sections include about 400 feet in the northwest corner of the campus, adjacent to the football field, and approximately 170 feet at the northeast entrance to the campus. According to Sheet G-0.3 of a plan set titled "Santa Rosa High School, Fencing & A/C Paving Project," dated May 1, 2025, the upper 12 inches of subgrade is required to be compacted to at least 95 percent relative compaction with the Class 2 Aggregate Base and asphalt also compacted to at least 95 percent relative compaction.

Scope of Services: As requested, we will provide on-call compaction testing of the prepared subgrade, finished aggregate base, and asphalt. The results of our observations and testing will be made available to the contractor(s) on the job site so that timely corrective action might be taken, if required. Upon completion, we will provide a summary of the laboratory and field density test results.

Fee: RGH proposes to provide the services outlined herein on a time and expense basis, in accordance with our attached schedule of charges, for the not to exceed fee of \$11,000. 1.2. Contractor. The contractor or contractors retained to construct the Project for which Consultant is providing Services under this Agreement.

1.3. Day(s). Calendar day(s) unless otherwise stated.

1.4. Hazardous Materials. The term Hazardous Materials means any toxic substances, chemicals, radioactivity, pollutants, or other materials, in whatever form or state, known or suspected to impair the environment in any way whatsoever. Hazardous Materials include, but are not limited to, those substances defined, designated or listed in any federal, state or local law, regulation or ordinance concerning hazardous wastes, toxic substances or pollution.

1.5. Services. The Services provided by Consultant as set forth in this Agreement, the SCOPE OF SERVICES and any written amendment to this Agreement.

1.6. Work. The labor, materials, equipment, and services required to complete the work described in the Contract Documents.

2. SCOPE OF SERVICES

Consultant will perform the Services set forth in the attached SCOPE OF SERVICES.

2.1. Changes in Scope. If Consultant provides Client with a writing confirming a change in the SCOPE OF SERVICES, it will become an amendment to this Agreement unless Client objects in writing within 5 business days after receipt. All Services performed by Consultant on the Project are subject to the terms and limitations of this Agreement. If Services are performed, but the parties do not reach agreement concerning modifications to the SCOPE OF SERVICES or compensation, then the terms and limitations of this Agreement apply to such Services, except for the payment terms. The parties agree to resolve disputes concerning modifications to scope or compensation pursuant to Section 19, "Disputes."

2.2. Licenses. Consultant will procure and maintain business and professional licenses and registrations necessary to provide its Services.

2.3. Excluded Services. Consultant's Services under this Agreement include only those Services specified in the SCOPE OF SERVICES, OR A WRITTEN AMENDMENT(S) THERETO. Consultant shall have no other responsibility or obligation except as agreed to in writing.

2.3.1. General. Client expressly waives any claim against Consultant resulting from its failure to perform recommended additional Services that Client has not authorized Consultant to perform, and any claim that Consultant failed to perform services that Client instructs Consultant not to perform.

2.3.2. Biological Pollutants. Consultant's SCOPE OF SERVICES specifically excludes the investigation, detection, prevention, or assessment of the presence of Biological Pollutants. The term "Biological Pollutants" includes, but is not limited to, molds, fungi, spores, bacteria, viruses, and/or any of their byproducts. Consultant's SCOPE OF SERVICES will not include any interpretations, recommendations, findings, or conclusions pertaining to Biological Pollutants. Client agrees that Consultant has no liability for any claims alleging a failure to investigate, detect, prevent, assess, or make recommendations for preventing, controlling, or abating Biological Pollutants. Furthermore, Client agrees to defend, indemnify, and hold harmless Consultant from all claims by any third party concerning Biological Pollutants, except for damages caused by Consultant's sole negligence.

3. PAYMENTS TO CONSULTANT

3.1. Basic Services. Consultant will perform all Services set forth in the attached SCOPE OF SERVICES AND SCHEDULE OF CHARGES for the amount(s) set forth therein.

3.2. Additional Services. Any Services performed under this Agreement, except those Services expressly identified in the attached SCOPE OF SERVICES, will be provided on a time and materials basis unless otherwise specifically agreed to in writing by both parties.

3.3. Estimate of Fees. To the best of its ability, Consultant will perform the Services and accomplish the objectives of this Agreement within any written cost estimate provided by it. Client recognizes that changes in scope and schedule, and unforeseen circumstances can all influence the successful completion of Services within the estimated cost. The use of an estimate of fees or of a "not to exceed" limitation is not a guarantee that the Services will be completed for that amount; rather, it indicates that Consultant shall not incur fees and expenses in excess of the estimate or limitation amount without obtaining Client's agreement to do so.

3.4. Rates. Client will pay Consultant at the rates set forth in the SCHEDULE OF CHARGES.

3.4.1. Changes to Rates. Client and Consultant agree that the SCHEDULE OF CHARGES is subject to periodic review and amendment, as appropriate to reflect Consultant's then-current fee structure.

3.4.2. Prevailing Wages. Unless Client specifically informs Consultant in writing that prevailing wage regulations cover the Project and the SCOPE OF SERVICES identifies it as covered by such regulations, Client will reimburse, defend, indemnify and hold harmless Consultant from and against any liability resulting from a subsequent determination that prevailing wage regulations cover the Project, including all costs, fines and attorneys' fees.

3.5. Payment Timing; Late Charge. All invoices are due upon receipt. All amounts unpaid 30 days after the invoice date will include a late payment charge from the date of the invoice, at the rate of 1-1/2% per month or the highest rate permitted by law. In addition, Consultant may suspend performance of the Services when such failure to pay continues for fifteen (15) days following notice to Client of the same. Geotechnical study reports, plan review letters, or final construction observation reports may be held until payment for services is received by RGH.

3.6 Payment Disputes. If Client objects to any portion of an invoice, Client must so notify Consultant in writing within ten (10) days of the invoice date, identifying in such notice the cause of the disagreement. The parties will immediately make every effort to resolve the disputed portion of the invoice. Payment thereafter will first be applied to accrued interest and then to the unpaid principal amount

4. STANDARD OF PERFORMANCE; DISCLAIMER OF WARRANTIES

4.1. Level of Service. Consultant offers different levels of geotechnical engineering Services to suit the desires and needs of different clients. Although the possibility of error can never be eliminated, more detailed and extensive Services yield more information and reduce the probability of error, but at increased cost. Client must determine the level of Services adequate for its purposes. Client has reviewed the SCOPE OF SERVICES and has determined that it does not need or want a greater level of Services than that being provided.

4.2. Standard of Care. Subject to the limitations inherent in the agreed SCOPE OF SERVICES as to the degree of care, the amount of time and expenses to be incurred, and subject to any other limitations contained in this Agreement, Consultant will perform its Services consistent with that level of care and skill ordinarily exercised by other professional Consultants practicing in the same locale and under similar circumstances at the time the Services are performed.

4.3. No Warranty. No warranty, express or implied, is included or intended by this Agreement.

4.4 No Fiduciary Duty. Client agrees that Consultant has been engaged to provide technical professional services only and that Consultant does not owe a fiduciary responsibility to Client or to the project Owner, if different from Client.

5. ESTIMATE OF CONSTRUCTION COSTS

Client acknowledges that construction and Project development are subject to many influences that are not subject to precise forecasting and are outside of Consultant's control. Client further acknowledges that actual costs incurred may vary substantially from the estimates prepared by Consultant and that Consultant does not warrant or guarantee the accuracy of construction or development cost estimates.

6. CONSTRUCTION PHASE SERVICES

If Consultant's SCOPE OF SERVICES does not include observation and/or testing during the course of construction, Client acknowledges that such services will be provided by Client or by others and Client assumes all responsibility for interpretation of the Contract Documents and for construction observation and testing. Further, Client waives any claim against Consultant in any way related to such services, and agrees to indemnify, defend, and hold Consultant harmless from any loss, claim, or damage arising out of or in any way related to the performance of such services by other parties, including, but not limited to claims related to the interpretation, modification, or clarification of the Contract Documents due to changed field or other conditions, except for claims caused by the sole negligence of Consultant.

If Consultant's SCOPE OF SERVICES includes observation and/or testing during the course of construction the following provisions apply:

6.1. Construction Observation.

6.1.1. Site Meetings & Visits. Consultant will participate in job site meetings as requested by Client, and, unless otherwise requested by Client, visit the site at times specified in the SCOPE OF SERVICES or, if not specified in the SCOPE OF SERVICES, at intervals as Consultant deems appropriate to the various stages of construction to observe the geotechnical conditions encountered by Contractor and the progress and quality of the geotechnical aspects of the Work. Based on information obtained during such visits and on such observations, Consultant may inform Client of the progress of the geotechnical aspects of the Work. Client understands that Consultant may not be on site continuously; and, unless expressly agreed otherwise, Consultant will not observe all of the Work.

6.1.2. Contractor's Performance. Consultant does not, and cannot, warrant or guarantee that all of the geotechnical Work performed by Contractor meets the requirements of Consultant's geotechnical recommendations or the plans and specifications for such geotechnical Work; nor can Consultant be responsible for Contractor's failure to perform the Work in accordance with the plans, specifications, or the recommendations of Consultant. Consultant shall not be responsible for the acts, errors, or omissions of the Contractor, Owner, Client, other consultants, or any other persons or entities performing work on the project, except those under the direct control of Consultant.

6.1.3. Contractor's Responsibilities. Consultant will not supervise, direct, or have control over the Work nor will Consultant have authority over or responsibility for the means, methods, techniques, sequences, or procedures of construction selected by Contractor for the geotechnical aspects of the Project; for safety precautions and programs incident to the Work; nor for any failure of Contractor to comply with Laws and Regulations applicable to Contractor furnishing and performing its Work.

6.1.4. Final Report. At the conclusion of Construction Phase Services, Consultant will provide Client with a written report summarizing the tests and observations, if any, made by Consultant, if requested by the client.

6.2. Review of Contractor's Submittals. If included in the SCOPE OF WORK, Consultant will review and take appropriate action on the Contractor's submittals, such as shop drawings, product data, samples, and other required submittals. Consultant will review such submittals solely for general conformance with Consultant's design, and will not include review for the following, all of which will remain the responsibility of the Contractor: accuracy or completeness of details, quantities or dimensions; construction means, methods, sequences, or procedures; coordination among trades; or construction safety.

6.3. Tests. Tests performed by Consultant on finished Work or Work in progress are taken intermittently and indicate the general acceptability of the Work on a statistical basis. Consultant's tests and observations of the Work are not a guarantee of the quality of Work and do not relieve other parties from their responsibility to perform their Work in accordance with applicable plans, specifications, and requirements.

7. CLIENT'S RESPONSIBILITIES

In addition to payment for the Services performed under this Agreement, Client agrees to:

7.1. Cooperation. Assist and cooperate with Consultant in any manner necessary and within its ability to facilitate Consultant's performance under this Agreement.

7.2. Representative. Designate a representative with authority to receive all notices and information pertaining to this Agreement, communicate Client's policies and decisions, and assist as necessary in matters pertaining to the Project and this Agreement. Client's representative will be subject to change by written notice.

7.3. Rights of Entry. Provide access to and/or obtain permission for Consultant to enter upon all property, whether or not owned by Client, as required to perform and complete the Services. Consultant will operate with reasonable care to minimize damage to the Project Site(s). However, Client recognizes that Consultant's operations and the use of investigative equipment may unavoidably alter conditions or affect the environment at the existing Project Site(s). The cost of repairing such damage will be borne by Client and is not included in the fee unless otherwise stated.

7.4. Relevant Information. Supply Consultant with all information and documents in Client's possession or knowledge which are relevant to Consultant's Services. Client warrants the accuracy of any information supplied by it to Consultant, and acknowledges that Consultant is entitled to rely upon such information without verifying its accuracy. Prior to the commencement of any Services in connection with a specific property, Client will notify Consultant of any known potential or possible health or safety hazard existing on or near the Project Site, with particular reference to Hazardous Materials or conditions.

7.5. Subsurface Structures. Correctly designate on plans to be furnished to Consultant, the location of all subsurface structures, such as pipes, tanks, cables, and utilities within the property lines of the Project Site(s), and be responsible for any damage inadvertently caused by Consultant to any such structure or utility not so designated. Consultant is not liable to Client for any losses, damages or claims arising from damage to subterranean structures or utilities that were not correctly shown on plans furnished by Client to Consultant.

8. UNANTICIPATED AND CHANGED CONDITIONS

Actual subsurface conditions may vary from those encountered in the specific locations where Consultant conducts its explorations. Consultant can only base its site data, interpretations, and recommendations on information reasonably available to it. Practical limitations on available data will result in some level of uncertainty, and therefore risk, with respect to the interpretation of environmental, geological, and geotechnical conditions even when Consultant follows the standard of care. If Consultant discovers conditions or circumstances that it had not contemplated at the commencement of this Agreement ("Changed Conditions"), Consultant will notify Client in writing of the Changed Conditions. Client and Consultant agree that they will then renegotiate in good faith the terms and conditions of this Agreement. If Consultant and Client cannot agree upon amended terms and conditions within 30 days after notice, Consultant may terminate this Agreement and be compensated as set forth in Section 18, "Termination." Underground utilities and other structures that are not properly located on plans and specifications provided to Consultant will be considered a Changed Condition under this clause.

9. HAZARDOUS MATERIALS

Client understands that Consultant’s Services under this Agreement are limited to geotechnical engineering and that Consultant has no responsibility to locate, identify, evaluate, treat, or otherwise consider or deal with Hazardous Materials. Client is solely responsible for notifying all appropriate federal, state, municipal, or other governmental agencies, including the potentially affected public, of the existence of any Hazardous Materials located on or in the Project site, or located during the performance of this Agreement. The existence or discovery of Hazardous Materials constitutes a Changed Condition under this Agreement. Client further agrees to defend, indemnify, and hold Consultant harmless from any claims related to Hazardous Materials that may be brought or filed by third parties due to the services provided by Consultant under this Agreement, except to the extent caused by the sole negligence of Consultant.

10. CERTIFICATIONS

Client agrees not to require that Consultant execute any certification with regard to Services performed or Work tested and/or observed under this Agreement unless: 1) Consultant believes that it has performed sufficient Services to provide a sufficient basis to issue the certification; 2) Consultant believes that the Services performed or Work tested and/or observed meet the criteria of the certification; and 3) Consultant has reviewed and approved in writing the exact form of such certification prior to execution of this Agreement. Any certification by Consultant is limited to an expression of professional opinion based upon the Services performed by Consultant, and does not constitute a warranty or guarantee, either expressed or implied. Any such certification in no way relieves the contractor or any other party from meeting requirements imposed by contract or other means, including industry standards. Client further agrees not to make resolution of any dispute with the Consultant or payment of any sums due Consultant in any way contingent on Consultant signing any such certification or similar document.

11. ALLOCATION OF RISK

11.1. Limitation of Remedies. In recognition of the relative risks and benefits of the project to Client and Consultant, the risks are allocated such that Client agrees, to the fullest extent permitted by law, that the total cumulative liability of Consultant, its subconsultants and subcontractors, and all of their respective shareholders, directors, officers, employees, and agents (collectively “Consultant Entities”), to Client arising from Services under this Agreement, including any indemnity obligation, any defense costs and attorney’s fees, and any consequential damages which may be due under this Agreement, will not exceed the extent of available coverage with coverage limits outlined in Section 12. This limitation applies to all lawsuits, claims, or actions that allege errors or omissions in Consultant Entities Services, whether alleged to arise in tort, contract, warranty, or other legal theory. Client further agrees to require any contractor or subcontractor who may perform work in connection with any design, report, or study by Consultant to include a like indemnity and limitation of remedies clause in favor of Consultant. Client and Consultant agree that this clause was expressly negotiated and agreed upon.

11.2. Indemnification.

11.2.1. Indemnification of Client. Subject to all otherwise applicable statutes of limitations and repose and the provisions and limitations of this Agreement, including section 11.1 above, Consultant agrees to indemnify and hold harmless Client, its shareholders, officers, directors, and employees from and against any and all third party claims, suits, liabilities, damages, expenses, or losses including reimbursement of reasonable attorney’s fees and costs of defense, collectively “Losses” to the extent caused by Consultant’s negligent performance of its Services under this Agreement. With regard to any claim alleging Consultant’s negligent performance of professional services, Consultant’s defense obligation under this indemnity paragraph means only the reimbursement of reasonable defense costs to the proportionate extent of its actual indemnity obligation hereunder. The indemnity obligations provided under this section shall only apply to the extent such Losses are determined by a court of competent jurisdiction or arbitrator to have been caused by the negligence of Consultant.

11.2.2. Indemnification of Consultant. Client will indemnify and hold harmless Consultant Entities from and against any and all Losses to the extent caused by the negligence or willful misconduct of Client, its employees, agents, and contractors. In addition, except to the extent caused by Consultant’s sole negligence, Client expressly agrees to defend, indemnify, and hold harmless Consultant Entities from and against any and all Losses arising from or related to the existence, disposal, release, discharge, treatment, or transportation of Hazardous Materials, or the exposure of any person to Hazardous Materials, or the degradation of the environment due to the presence, discharge, disposal, release of, or exposure to Hazardous Material.

11.3 No Personal Liability. Client and Consultant intend that Consultant’s services will not subject Consultant’s individual employees, officers, or directors to personal liability. Therefore, and notwithstanding any other provision of this Agreement, Client agrees as its sole and exclusive remedy to direct or assert any claim, demand, or suit only against the business entity identified as “Consultant” on the first page of this Agreement.

11.4 Deviation from Recommendations. Unless specifically agreed otherwise in writing, Client agrees that Consultant bears no responsibility for ensuring Client’s or any other party’s compliance with any specifications, procedures, or recommendations provided by Consultant to Client under this Agreement (collectively, “recommendations”). Client hereby releases Consultant from all liability arising from any other party’s failure to fully comply with recommendations, and Client will defend, indemnify, and hold harmless Consultant from any party’s claims for losses arising from or related to Client’s or any other party’s failure to fully comply with recommendations.

11.5. Consequential Damages. Neither Client nor Consultant will be liable to the other for any special, consequential, incidental, indirect, punitive, or penal losses or damages including but not limited to losses, damages, or claims related to the unavailability of property or facilities, shutdowns or service interruptions, loss of use, profits, revenue, business, reputation, financing or inventory, or for use charges, cost of capital, or claims of the other party or its customers. This waiver applies to all such claims and damages, whether based on contract, warranty, tort, or any other legal theory.

11.6. Continuing Agreement. The indemnity obligations, limitation of remedies, and consequential damages waiver established under this Agreement will survive the expiration or termination of this Agreement. If Consultant provides additional or different Services to Client that the parties do not confirm through execution of an amendment to this Agreement, the obligations of the parties to indemnify each other, the limitations on liability, and the consequential damages waiver established under this Agreement apply to such Services as if the parties had executed an amendment.

12.2. Contractor’s Insurance. Client will require that all Contractors and subcontractors for the Project name Consultant as an additional insured under their General Liability and Automobile Liability insurance policies. If Client is not the Project owner, Client will require the Project owner to require the owner’s Contractor to purchase and maintain General Liability, Builder’s Risk, Automobile Liability, Workers’ Compensation, and Employer’s Liability

insurance with limits no less than as set forth above, and to name Consultant and its subcontractors and subconsultants as additional insureds on the General Liability and Builder's Risk insurance.

12.3. Certificates of Insurance. Upon request, Consultant and Client will each provide the other with certificate(s) of insurance evidencing the existence of the policies required herein. Except for Professional Liability and Workers' Compensation Insurance, all policies required herein shall contain a waiver of subrogation.

CONSULTANT will provide to CLIENT electronic media or access to electronic media in which the instruments of professional service are stored or CONSULTANT will use electronic means, like e-mail, to transmit the instrument(s) of professional service directly. CLIENT and CONSULTANT both realize that data, words, graphical representations, drawings, and other elements of electronically stored or transmitted instruments of professional service may experience unpreventable, random alteration. Accordingly, CLIENT shall have [sixty (60)] calendar days after receiving or gaining access to CONSULTANT's proposed-final instrument(s) of professional service to inspect the material for readability, accuracy, and completeness. CLIENT shall call to CONSULTANT's attention any errors, omissions, or other problems, permitting CONSULTANT to provide prompt adjustments or corrections for CLIENT's additional review. Unless CLIENT requests modifications to the instruments of professional service within 7 days, the instruments of professional service shall become final. CLIENT shall, to the extent permitted by law, waive any and all claims against CONSULTANT that arise from or are related to the unauthorized modification of CONSULTANT's instruments of professional service by CLIENT or any person or entity that acquires or obtains the instruments of professional service from or through CLIENT. CLIENT shall further indemnify and hold harmless CONSULTANT from and against any and all claims, demands, allegations, causes of action, damages, losses, costs, or other liabilities and expenses (including all attorney's fees and court costs) that arise from or are related to the unauthorized modification of CONSULTANT's instruments of professional service by CLIENT or any person or entity that acquires or obtains the instruments of professional service from or through CLIENT. CLIENT shall also compensate CONSULTANT for any time CONSULTANT spends or expenses CONSULTANT incurs arising from or relating to the unauthorized modification of CONSULTANT's instruments of professional service by CLIENT or any person or entity that acquires or obtains the instruments of professional service from or through CLIENT. Such compensation shall be based upon CONSULTANT's prevailing fee schedule and expense-reimbursement policy. (The term "any and all claims" used in this provision means "any and all claims in contract, tort, or statute alleging negligence, errors, omissions, strict liability, statutory liability, breach of contract, breach of warranty, negligent misrepresentation, or other acts giving rise to liability.")

13.5. Unauthorized Reuse and Reliance. No party other than Client may rely, and Client will not represent to any other party that it may rely on Documents without Consultant's express prior written consent, receipt of additional compensation by Consultant, and the written agreement of the party seeking reliance to be bound to the same terms and conditions as Client. Client will not permit disclosure, mention, or communication of, or reference to the Documents in any offering circular, securities offering, loan application, real estate sales documentation, or similar promotional material without Consultant's express prior written consent. Any reuse or modification of the Documents, including Documents in an electronic format, by Client or anyone obtaining them through Client will be at Client's sole risk and without liability to Consultant. Client will defend, indemnify, and hold Consultant harmless from all claims, demands, actions, and expenses (including reasonable attorney's fees, expert fees, and other costs of defense) arising out of or in any way related to the reuse or modification of the Documents by Client or anyone obtaining them through Client. Client further releases and agrees to defend, indemnify, and hold harmless Consultant from and against any claim, action or proceeding brought by any party claiming to rely upon information or opinions contained in the Documents provided to such person or entity, published, disclosed or referred to without Consultant's prior written consent.
