

## NOTICE INVITING REQUEST FOR QUALIFICATIONS

Notice is hereby given that the Santa Rosa City School District, of Sonoma County, State of California, is issuing a Request for Qualifications (“RFQ”) to create a pool of prequalified Program and Construction Managers.

The District will receive sealed Statements of Qualifications (“SOQ”) in response to a Request for Qualifications (“RFQ”) for inclusion in SRCs’s Program and Construction Management Consultant pool. Each respondent determined to have appropriate and necessary qualifications and experience will be included in the District’s pool of prequalified Program and Construction Management firms and be allowed to respond to future Request for Proposals (“RFP”) for individual Projects. This RFQ is expected to be issued by the District on May 9, 2025.

SOQs must comply with and respond to all requirements of the RFQ, which may be obtained by contacting [langeleshernandez@srcs.k12.ca.us](mailto:langeleshernandez@srcs.k12.ca.us) or on the purchasing page of the district’s website.

SOQs must be filed via email to [langeleshernandez@srcs.k12.ca.us](mailto:langeleshernandez@srcs.k12.ca.us) no later than 2:00 p.m. on May 30, 2025.

The District reserves the right to cancel the RFQ process for the pool at any time, for any reason or no reason, at the District’s absolute discretion.

Each respondent acknowledges that by submitting a SOQ or any future submittal, including a proposal in response to the District’s anticipated RFP, they do so at their own expense, cost, and risk without assurance of award of a contract, and having no right to request, claim or seek any compensation, damages, or reimbursement of any nature or sort.
