This agreement may only be amended by a written instrument signed by the Parties.

### C. CONFLICTS OF INTEREST; POLITICAL REFORM ACT

Contractor shall comply, and require its employees, agents, and subcontractors to comply, with all (1) applicable requirements governing avoidance of impermissible client conflicts; and (2) federal, state and local conflict of interest and disclosure laws and regulations including, without limitation, California Government Code section 1090 et seq., the California Political Reform Act (California Government Code section 87100 et seq.) and the regulations of the Fair Political Practices Commission concerning disclosure and disqualification (2 California Code of Regulations section 18700 et seq.). Failure to do so constitutes a material breach of this Agreement and is grounds for immediate termination of this Agreement by County.

In accepting this Agreement, Contractor covenants that it presently has no interest, and will not acquire any interest, direct or indirect, financial or otherwise, which would conflict in any manner or degree with the performance of this Agreement. Contractor further covenants that, in the performance of this Agreement, it will not use any contractor or employ any person having such an interest. Contractor, including but not limited to Contractor's employees, agents, and subcontractors, may be subject to the disclosure and disqualification provisions of the California Political Reform Act of 1974 (the "Act"), that (1) requires such persons to disclose economic interests that may foreseeably be materially affected by the work performed under this Agreement, and (2) prohibits such persons from making or participating in making decisions that will foreseeably financially affect such interests.

If the disclosure provisions of the Act are applicable to any individual providing service under the Agreement, Contractor shall, upon execution of this Agreement, provide County with the names, description of individual duties to be performed, and email addresses of all individuals, including but not limited to Contractor's employees, agents and subcontractors, that could be substantively involved in "mak[ing] a governmental decision" or "serv[ing] in a staff capacity" and in that capacity participating in making governmental decisions or performing duties that would be performed by an individual in a designated position, (2 CCR 18700.3), as part of Contractor's service to County under this Agreement. Contractor shall immediately notify County of the names and email addresses of any additional individuals later assigned to provide such service to County under this Agreement in such a capacity. Contractor shall immediately notify County of the names of individuals working in such a capacity who, during the course of the Agreement, end their service to County. Contractor shall ensure that all such individuals identified pursuant to this paragraph understand that they are subject to the Act and shall conform to all requirements of the Act and other applicable conflict of interest and disclosure laws and regulations, and shall file Statements of Economic Interests within 30 days of commencing service pursuant to this Agreement, annually by April 1, and within 30 days of their termination of service pursuant to this Agreement.

### D. LEVINE ACT COMPLIANCE

Contractor will comply, and will ensure that its agents (as that term is defined under California Government Code section 84308(h)) and its subcontractors identified in Contractor's proposal responding to a County solicitation and/or identified in this Agreement ("Subcontractors") comply, with Government Code section 84308 ("Levine Act") and the applicable regulations of the Fair Political Practices Commission concerning campaign disclosure (2 California Code of Regulations sections 18438.1 - 18438.8), which (1) require a party to a proceeding involving certain contracts to disclose on the record of the proceeding any contribution, as defined by Government Code section 84308(a)(6), of more than \$500 that the party or their agent has made within the prior 12 months to a member of the County's Board

of Supervisors or any Other Elected County Officer (“Elected County Officer”), and (2) prohibit a party to a proceeding involving a covered contract from making a contribution, as defined by Government Code section 84308(a)(6), of more than \$500 to any Elected County Officer during the proceeding and for 12 months following the final decision in the proceeding, as well as prohibit an agent of the party from making a contribution in any amount to any Elected County Officer during the same time periods. Contractor agrees to submit any disclosures required to be made under the Levine Act at the Office of the Clerk of the Board of Supervisors website at <https://www.sccgov.org/levineact>, and Contractor shall require Subcontractors to do the same. If this Agreement is of the type subject to the Levine Act and is to be considered or voted upon by the County’s Board of Supervisors, Contractor shall complete the Levine Act Contractor Form: Identification of Subcontractors and Agents, and if applicable, shall ensure that any Subcontractor completes the Levine Act Subcontractor Form: Identification of Agents, and Contractor must submit all such forms to the County as a prerequisite to execution of the Agreement.

**E. GOVERNING LAW, JURISDICTION AND VENUE**

This Agreement shall be construed and interpreted according to the laws of the State of California, excluding its conflict of law principles. Proper venue for legal actions shall be exclusively vested in state court in Santa Clara County. The parties agree that subject matter and personal jurisdiction are proper in state court in Santa Clara County and waive all venue objections.

**F. ASSIGNMENT**

No assignment of this Agreement or of the rights and obligations hereunder shall be valid without the prior written consent of the other party.

**G. ASSIGNMENT OF CLAYTON ACT, CARTWRIGHT ACT CLAIMS**

Contractor assigns to the County all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by the Contractor for sale to the County pursuant to this Agreement.

**H. WAIVER**

No delay or failure to require performance of any provision of this Agreement shall constitute a waiver of that provision as to that or any other instance. Any waiver granted by a party shall be in writing and shall apply to the specific instance expressly stated.

**I. TERMINATION**

- (3) Compliance with Wage and Hour Laws: Contractor shall comply with all applicable wage and hour Laws, which may include but are not limited to, the Federal Fair Labor Standards Act, the California Labor Code, and, if applicable, any local minimum wage, prevailing wage, or living wage Laws.
- (4) Definitions: For purposes of this Subsection H, the following definitions shall apply. A "Final Judgment" shall mean a judgment, decision, determination, or order (a) which is issued by a court of law, an investigatory government agency authorized by law to enforce an applicable Law, an arbiter, or arbitration panel and (b) for which all appeals have been exhausted or the time period to appeal has expired. For pay equity Laws, relevant investigatory government agencies include the federal Equal Employment Opportunity Commission, the California Division of Labor Standards Enforcement, and the California Department of Fair Employment and Housing. Contractor shall also provide any documentary evidence of compliance with the Final Judgment within 5 days of satisfying the Final Judgment. Any notice required by this paragraph shall be addressed to the Office of the County Executive-OCCM at 70 W. Hedding Street, East Wing, 11th Floor, San José, CA 95110. Notice provisions in this paragraph are separate from any other notice provisions in this Agreement and, accordingly, only notice provided to the Office of the County Executive-OCCM satisfies the notice requirements in this paragraph.
- (7) Access to Records Concerning Compliance with Pay Equity Laws: In addition to and notwithstanding any other provision of this Agreement concerning access to Contractor's records, Contractor shall permit the County and/or its authorized representatives to audit and review records related to compliance with applicable pay equity Laws. Upon the County's request, Contractor shall provide the County with access to any and all facilities and records, including but not limited to financial and employee records, that are related to the purpose of this Subsection H, except where prohibited by federal or state laws, regulations or rules. County's access to such records and

facilities shall be permitted at any time during Contractor's normal business hours upon no less than 10 business days' advance notice.

- (8) **Pay Equity Notification:** Contractor shall (1) at least once in the first year of this Agreement and annually thereafter, provide each of its employees working in California and each person applying to Contractor for a job in California (collectively, "Employees and Job Applicants") with an electronic or paper copy of all applicable pay equity Laws or (2) throughout the term of this Agreement, continuously post an electronic copy of all applicable pay equity Laws in conspicuous places accessible to all of Contractor's Employees and Job Applicants.
- (9) **Material Breach:** Failure to comply with any part of this Subsection H shall constitute a material breach of this Agreement. In the event of such a breach, the County may, in its discretion, exercise any or all remedies available under this Agreement and at law. County may, among other things, take any or all of the following actions:
- (i) Suspend or terminate any or all parts of this Agreement.
  - (ii) Withhold payment to Contractor until full satisfaction of a Final Judgment concerning violation of an applicable wage and hour Law or pay equity Law.
  - (iii) Offer Contractor an opportunity to cure the breach.

**Subcontractors:** Contractor shall impose all of the requirements set forth in this Subsection H on any subcontractors permitted to perform work under this Agreement. This includes ensuring that any subcontractor receiving a Final Judgment for violation of an applicable Law promptly satisfies and complies with such Final Judgment.

#### **K. BUDGET CONTINGENCY**

This Agreement is contingent upon the appropriation of sufficient funding by the County for the services covered by this Agreement. If funding is reduced or deleted by the County for the services covered by this Agreement, the County has the option to either terminate this Agreement with no liability occurring to the County or to offer an amendment to this Agreement indicating the reduced amount.

#### **L. COUNTY NO-SMOKING POLICY**

Contractor and its employees, agents and subcontractors, shall comply with the County's No-Smoking Policy, as set forth in the Board of Supervisors Policy Manual section 3.47 (as amended from time to time), which prohibits smoking: (1) at the Santa Clara Valley Medical Center Campus and all County-owned and operated health facilities, (2) within 30 feet surrounding County-owned buildings and leased buildings where the County is the sole occupant, and (3) in all County vehicles.

#### **M. FOOD AND BEVERAGES STANDARDS**

Except in the event of an emergency or medical necessity, the following nutritional standards shall apply to any foods and/or beverages purchased by Contractor with County funds for County-sponsored meetings or events.

If food is to be provided, healthier food options shall be offered. "Healthier food options" include (1) fruits, vegetables, whole grains, and low fat and low calorie foods; (2) minimally processed foods without added sugar and with low sodium; (3) foods prepared using healthy cooking techniques; and (4) foods with less than 0.5 grams of trans fat per serving. If meals are to be provided, a vegetarian option shall be provided, and the Contractor should consider providing a vegan option.

If pre-packaged snack foods are provided, the items shall contain: (1) no more than 35% of calories from fat, unless the snack food items consist solely of nuts or seeds; (2) no more than 10% of calories from saturated fat; (3) zero trans-fat; (4) no more than 35% of total weight from sugar and caloric sweeteners, except for fruits and vegetables with no added sweeteners or fats; and (5) no more than 360 mg of sodium per serving.

Sugar-sweetened beverages shall not be

provided.

**N. CONTRACTING PRINCIPLES**

All entities that contract with the County to provide services where the contract value is \$100,000 or more per budget unit per fiscal year and/or as otherwise directed by the Board, shall be fiscally responsible entities and shall treat their employees fairly. To ensure compliance with these contracting principles, all contractors shall: (1) comply with all applicable federal, state and local rules, regulations and laws; (2) maintain financial records, and make those records available upon request; (3) provide to the County copies of any financial audits that have been completed during the term of the contract; (4) upon the County’s request, provide the County reasonable access, through representatives of the Contractor, to facilities, financial and employee records that are related to the purpose of the contract, except where prohibited by federal or state laws, regulations or rules.

**O. CALIFORNIA PUBLIC RECORDS ACT**

The County is a public agency subject to the disclosure requirements of the California Public Records Act (“CPRA”). If Contractor’s proprietary information is contained in documents or information submitted to County, and Contractor claims that such information falls within one or more CPRA exemptions, Contractor must clearly mark such information “CONFIDENTIAL AND PROPRIETARY,” and identify the specific lines containing the information. In the event of a request for such information, the County will make reasonable efforts to provide notice to Contractor prior to such disclosure. If Contractor contends that any documents are exempt from the CPRA and wishes to prevent disclosure, it is required to obtain a protective order, injunctive relief or other appropriate remedy from a court of law in Santa Clara County before the County is required to respond to the CPRA request. If Contractor fails to obtain such remedy within the time the County is required to respond to the CPRA request, County may disclose the requested information.

Contractor further agrees that it shall defend, indemnify and hold County harmless against any claim, action or litigation (including but not limited to all judgments, costs, fees, and attorneys’ fees) that may result from denial by County of a CPRA request for information arising from any representation, or any action (or inaction), by the Contractor.

**P. THIRD PARTY BENEFICIARIES**

This agreement does not, and is not intended to, confer any rights or remedies upon any person or entity other than the parties.

**Q. INTELLECTUAL PROPERTY RIGHTS**

Ownership: County shall own all right, title and interest in and to the Deliverables. For purposes of this Agreement, the term “Deliverables” shall mean any documentation and deliverables created by Contractor during the performance of services that are identified in this Agreement. Contractor hereby assigns to the County all rights, title and interest in and to any and all intellectual property whether or not patentable or registrable under patent, copyright, trademark or similar statutes, made or conceived or reduced to practice or learned by Contractor, either alone or jointly with others, during the period of Contractor’s agreement with the County or result from the use of premises leased, owned or contracted for by the County.

Contractor acknowledges that all original works of authorship which are made by Contractor (either solely or jointly with others) within the scope of this Agreement and which are protectable by copyright are “works made for hire,” as that term is defined in the United States Copyright Act (17 U.S.C. Section 101), and shall belong solely to County. Contractor agrees that the County will be the copyright owner in all copyrightable works of every kind and description created or delivered by Contractor, either solely or jointly with others, in connection with any agreement with the County.

**R. INTELLECTUAL PROPERTY INDEMNITY**

Contractor represents and warrants for the benefit of the County and its users that, to its knowledge, as of the effective date of this Agreement, Contractor is the exclusive owner of all rights, title and interest in the Deliverables and/or services provided pursuant to this Agreement. Contractor shall defend, indemnify and hold the County harmless against any claim, action or litigation (including but not limited to all judgments, costs, fees, and reasonable attorney’s fees) by a third party alleging the Deliverables and/or services provided pursuant to this Agreement infringe upon any intellectual property rights of third parties. This indemnity and duty to defend is in addition to and does not

supersede the requirements stated in VII of this agreement.

#### **S. OWNERSHIP RIGHTS TO MATERIALS/RESTRICTIONS ON USE**

All materials obtained, developed or prepared by Contractor in the course of performing services hereunder, including but not limited to videotapes, audio recordings, still photographs, ads or brochures, and the derivative works, patent, copyright, trademark, trade secret or other proprietary rights associated therewith (collectively "Deliverables"), shall be the sole and exclusive property of the County. To the extent Contractor owns or claims ownership rights to said Deliverables, Contractor hereby expressly assigns all said rights, title, and interest in and to the Deliverables to the County pursuant to the terms and conditions of this Agreement and at no additional cost. The County has the exclusive royalty-free irrevocable right to duplicate, publish or otherwise use for any purpose, all materials prepared under this Agreement. If Contractor wishes to use the materials prepared hereunder for any purpose including but not limited to promotional, educational or commercial purposes, the Contractor shall obtain prior written authorization from the County, which consent may be withheld by the County in its sole discretion.

Contractor acknowledges that all original works of authorship which are made by Contractor (solely or jointly with others) within the scope of this Agreement and which are protectable by copyright are "works made for hire," as that term is defined in the United States Copyright Act (17 U.S.C., Section 101), and shall belong solely to County.

Contractor agrees that the County will be the copyright owner in all copyrightable works of every kind and description created or developed by Contractor, solely or jointly with others, in connection with any agreement with the County. If requested to, and at no further expense to the County, Contractor will execute in writing any acknowledgments or assignments of copyright ownership of such copyrightable works as may be appropriate for preservation of the worldwide ownership in the County and its nominees of such copyrights. This section shall apply to the extent not otherwise provided under this agreement.

#### **T. COUNTY DATA**

(1) Definitions: "County Data" shall mean data and information received by Contractor from County. County Data includes any information or data that is transported across a County network, or that resides in a County-owned information system, or on a network or system under the control and management of a contractor for use by County. "County Confidential Information" shall include all material, non-public information (including material, non-public County Data) appearing in any form (including, without limitation, written, oral or displayed), that is disclosed, directly or indirectly, through any means of communication by County, its agents or employees, to Contractor, its agents or employees, or any of its affiliates or representatives.

(2) Contractor shall not acquire any ownership interest in County Data (including County Confidential Information). As between Contractor and County, all County Confidential Information and/or County Data shall remain the property of the County. Contractor shall not, without County's written permission, use or disclose County Data (including County Confidential Information) other than in the performance of its obligations under this Agreement.

(3) Contractor shall be responsible for establishing and maintaining an information security program that is designed to ensure the security and confidentiality of County Data, protect against any anticipated threats or hazards to the security or integrity of County Data, and protect against unauthorized access to or use of County Data that could result in substantial harm or inconvenience to County or any end users. Upon termination or expiration of this Agreement, Contractor shall seek and follow County's direction regarding the proper disposition of County Data.

(4) Contractor shall take appropriate action to address any incident of unauthorized access to County Data, including addressing and/or remedying the issue that resulted in such unauthorized access, and notifying County by phone or in writing within 24 hours of any incident of unauthorized access to County Data, or any other breach in Contractor's security that materially affects County or end users. If the initial notification is by phone, Contractor shall provide a written notice within 5 days of the incident. Contractor shall be responsible for ensuring compliance by its officers, employees, agents, and subcontractors with the confidentiality, privacy, and information security requirements of this Agreement. Should County Confidential Information and/or legally protected County Data be divulged to unauthorized third parties, Contractor shall comply with all applicable federal and state laws and regulations, including but not limited to California Civil Code sections 1798.29 and 1798.82 at Contractor's sole expense. Contractor shall not charge County for any expenses associated with Contractor's compliance with these obligations.

(5) Contractor shall defend, indemnify and hold County harmless against any claim, liability, loss, injury or damage arising out of, or in connection with, the unauthorized use, access, and/or disclosure of information by Contractor and/or its agents, employees or sub-contractors, excepting only loss, injury or damage caused by the sole negligence or

willful misconduct of personnel employed by the County.

#### **U. PAYMENT TERM**

[NOT APPLICABLE TO COMMUNITY BASED ORGANIZATIONS – Describe payment terms for CBO's in Section V. (D) PAYMENT SCHEDULE]

The County's standard payment term shall be Net Thirty (30), unless otherwise agreed to by the parties. Payment shall be due Net Thirty (30) days from the date of receipt and approval of correct and proper invoices. Payment is deemed to have been made on the date the County mails the warrant or initiates the electronic funds transfer.

#### **V. CONTRACT EXECUTION**

Unless otherwise prohibited by law or County policy, the parties agree that an electronic copy of a signed contract, or an electronically signed contract, has the same force and legal effect as a contract executed with an original ink signature. The term "electronic copy of a signed contract" refers to a transmission by facsimile, electronic mail, or other electronic means of a copy of an original signed contract in a portable document format. The term "electronically signed contract" means a contract that is executed by applying an electronic signature using technology approved by the County.

#### **W. LIVING WAGE (IF APPLICABLE)**

Unless otherwise exempted or prohibited by law or County policy, where applicable, Contractors that contract with the County to provide Direct Services developed pursuant to a formal Request for Proposals process, as defined in County of Santa Clara Ordinance Code Division B36 ("Division B36") and Board Policy section 5.5.5.5 ("Living Wage Policy"), and their subcontractors, where the contract value is \$100,000 or more ("Direct Services Contract"), must comply with Division B36 and the Living Wage Policy and compensate their employees in accordance with Division B36 and the Living Wage Policy. Compliance and compensation for purposes of this provision includes, but is not limited to, components relating to fair compensation, earned sick leave, paid jury duty, fair workweek, worker retention, fair chance hiring, targeted hiring, local hiring, protection from retaliation, and labor peace. If Contractor and/or a subcontractor violates this provision, the Board of Supervisors or its designee may, at its sole discretion, take responsive actions including, but not limited to, the following:

- (b) Require the Contractor and/or Subcontractor to comply with an appropriate remediation plan developed by the County.
- (c) Waive all or part of Division B36 or the Living Wage Policy.

This provision shall not be construed to limit an employee's rights to bring any legal action for violation of the employee's rights under Division B36 or any other applicable law. Further, this provision does not confer any rights upon any person or entity other than the Board of Supervisors or its designee to bring any action seeking the cancellation or suspension of a County contract. By entering into this contract, Contractor certifies that it is currently complying with Division B36 and the Living Wage Policy with respect to applicable contracts and warrants that it will continue to comply with Division B36 and the Living Wage Policy with respect to applicable contracts.

Contractor shall comply with all reasonable requests by County for documentation demonstrating Contractor's compliance with this Section.

#### **Y. SURVIVAL**

All representations, warranties, and covenants contained in this Agreement, or in any instrument, certificate, exhibit, or other writing intended by the parties to survive this Agreement, shall survive the termination or expiration of this Agreement, including but not limited to all terms (1) providing for indemnification of County; (2) relating to the California Public Records Act; (3) relating to County Data; and (4) relating to Contractor's obligations upon termination or expiration of this Agreement.
