Description of Services		Consideration	Evaluation and Metrics			
The CATIP program will provide specifically designed accredited induction support, mentoring, coaching and technical assistance to agricultural teachers in their first or second year of teaching set forth by the Commission on Teacher Credentialing (CTC) for a high school agricultural teacher within our district.		CATIP covers the induction needs of early career agriculture teachers with Preliminary Single Subject: Agriculture or Designate Subjects: Agriculture credential. The CATIP program is different from most induction programs in that that they support early career agriculture teachers with veteran agriculture teacher mentors who work in neighboring schools and districts, and provides contextualized professional development through a network of agricultural teachers from the California Agricultural Teachers' Association (CATA). This induction program is accredited through the Commission on Teacher Credentialing via Davis Joint Unified School District and operates state-wide.	Successful completion of the CATIP Program.

CGS is a nonprofit organization that provides diversity and equity presentations promoting inclusion of "all people" (a "Presentation") to schools and other organizations. CGS will provide up to a three-hour Presentation (half-day) in person on 11/17/25. The Presentation will include a question-and-answer session, and attendees will be provided with take-home materials and a link to follow-up on activities to further the conversation.		The speaker will help students explore and better understand the differences among people in general. Every individual brings a unique background, set of experiences, learning styles, and perspectives to our community. Recognizing and appreciating these differences is key to creating a more inclusive, supportive, and effective environment for everyone. The speaker will deepen our awareness, improve communication, and learn strategies for embracing diversity in meaningful ways. By understanding each other better, we can build stronger relationships, foster empathy, and ensure that every voice is valued and respected.		N/A
