Description of Services		Consideration		Evaluation and Metrics			
Imagine Learning will provide an instructional platform and grading as teachers of record for multiple classes at two campuses. Montgomery High School and Elsie Allen High School have been unable to fill teaching vacancies in Chemistry and Spanish respectively. Imagine Learning will provide an online curriculum for all of the sections left unfilled by the vacancies, as well as a teacher of record. Their teacher will be able to support students, answer questions, use appropriate A-G level curriculum, and grade all student work appropriately.		This contract is only in support of students for the remainder of the Fall Semester. An additional contract will have to be brought forward for the Spring Semester to continue these services. These teaching positions are still posted with the hopes of being filled by an in-person teacher. If the positions are unfilled, the district will need to continue these services.		Student grades and attendance in comparison to these metrics from the first quarter.
