LEASE TERMS AND CONDITIONS

- LEASE.** Lessor agrees to lease to Lessee, and Lessee agrees to lease from Lessor, the Equipment (as defined below). The lease of any Equipment is governed by the terms of this Agreement. The Equipment is and shall remain the personal property of Seller.
- TERMS.** All capitalized terms used and not otherwise defined herein, will have the meanings set forth in this Agreement. As used in this Agreement, the following definitions shall apply: “**Accessories**” shall mean any additions, attachments, or accessories to the modular buildings, or ancillary services, provided by Lessor to Lessee and identified in this Agreement; “**Equipment**” shall mean the modular buildings, Accessories, and/or Services identified in this Agreement, together with any replacements, repairs, additions, attachments or accessories hereafter rented to Lessee under this Agreement.
- PAYMENTS AND PRICE ADJUSTMENTS.** Lessee agrees to pay to Lessor each payment specified herein on a net invoice basis. Payment terms are net due upon receipt unless otherwise agreed upon in writing. All payments due from Lessee pursuant to this Agreement shall be made by Lessee without any abatement or setoff of any kind whatsoever arising from any cause whatsoever. Prices will be increased by Lessor for unknown circumstances or conditions, including, but not limited to, driver waiting time, special transport permits, difficult site conditions and/or increases in fuel prices.
- LEASE TERM; EARLY TERMINATION.** The Lease Term and Monthly Rent, each of which are specified in this Agreement, shall commence on the date the Equipment is delivered to the Site (the "Start Rent Date"), unless a different date is mutually agreed upon in writing, and shall continue thereafter for the number of months specified in this Agreement as the Lease Term. Lessee agrees to pay the Total Charges per Month specified in this Agreement (as may be adjusted pursuant to Section 5 below) for each month during the Lease Term and any extensions thereof. A month is defined as thirty (30) calendar days; rent will be billed monthly unless otherwise specified in this Agreement (but rent shall be due and owing even in the absence of actual receipt by Lessee of an invoice or bill). In the event that Lessee terminates this Agreement prior to the expiration of the Lease Term, Lessor shall be entitled to charge an early termination fee, even if such termination occurs prior to delivery of the Equipment. Such fee shall be determined by Lessor, in its sole discretion, following the receipt of the termination request. Such early termination fee may include, but shall not be limited to, charges related to the preparation of the Equipment for delivery and/or the rental value of this Agreement. In no event shall any such early termination fee exceed the total value of this Agreement. Lessor shall not be liable to Lessee for any failure or delay in obtaining, delivering or setting up the Equipment. If Lessee delays delivery of the Equipment for any reason for thirty (30) days or longer from the original delivery date mutually agreed upon between both parties, Lessor may, in Lessor's sole discretion, charge Lessee a monthly storage fee equal to the Monthly Rent starting on the original delivery date, and/or terminate this Agreement, subject to the early termination provisions set forth above.
- EXTENSION OF LEASE TERM.** Upon expiration of the initial Lease Term set forth in this Agreement, the lease of the Equipment shall automatically be extended on a month-to-month basis until the Equipment is returned to Lessor. This Agreement does not expire and the terms and conditions hereof shall remain in full force and effect for any extension of the Lease Term, unless otherwise agreed upon by Lessor and Lessee in writing. Lessor may periodically revise the Total Charges per Month from those reflected in this Agreement if the lease of the Equipment is extended beyond the initial Lease Term. If the lease of the Equipment is extended beyond the initial Lease Term, Lessor may revise the charges for the Charges Upon Return from those specified in this Agreement to reflect Lessor's then-current market rates for such services.
- PREPARATION FOR REMOVAL OF THE EQUIPMENT.** Prior to the scheduled removal of the Equipment, Lessee shall, at a minimum: (a) provide clear access to the Equipment for Lessor to dismantle and remove the Equipment from the Site by industry-standard trucking methods; (b) disconnect all utilities; (c) remove all personal property of Lessee's from the Equipment; and (d) in the case of Equipment that includes plumbing, flush the plumbing lines clean and ensure that no foreign matter remains in any fixtures. Plumbing must be properly disconnected by Lessee at its sole cost and expense. Lessee will be responsible for costs of repair required by improper plumbing disconnection to the extent that the Equipment is damaged. Any components, parts or accessories supplied by Lessor must be returned with the Equipment. In the event that Lessee fails to meet the requirements herein, additional charges may be incurred by Lessee for additional labor, waiting time, or dry-runs in the event that Lessor is unable to return the Equipment as scheduled.
- RETURN OF EQUIPMENT.** Lessee must provide a minimum of thirty (30) days prior, written notice to Lessor when requesting to return the Equipment. Lessee is responsible for complying with the requirements set forth in the "Preparation for Removal of the Equipment" section of these Lease Terms and Conditions. Unless otherwise agreed upon by Lessor in writing, Lessee shall continue to be responsible for payment of the Total Charges per Month set forth in this Agreement (as may be adjusted pursuant to Section 5 hereto) until return of the Equipment to Lessor is completed. The Total Charges per Month will be prorated in one-half (1/2) month increments only. If the Equipment is returned within the first fifteen (15) days of the billing period, Lessee shall be responsible for paying half of the Total Charges per Month; if Equipment is returned between the sixteenth (16th) and thirtieth (30th) days of the billing period, Lessee shall be responsible for paying the entire amount of the Total Charges per Month. The charges reflected in this Agreement for Charges Upon Return will be adjusted for any Lease Term longer than twelve (12) months or if the Lease is extended beyond the initial Lease Term, pursuant to Section 5.
- WARRANTIES; DISCLAIMER.** Lessor warrants to Lessee that the Equipment, when delivered and set up and under normal use and regular service and maintenance by Lessee, shall be free from major defects in materials and workmanship that prevent any normal use and operation. Accessories supplied by Lessor pursuant to this Agreement but not owned by Lessor shall not be subject to the foregoing warranty, but shall carry the applicable warranty of the Accessory owner, which Lessor hereby assigns to Lessee to the extent transferable. Lessor's liability under this warranty shall be limited to the replacement or repair of the defective Equipment (during Lessor's normal working hours), at Lessor's option; provided, however, that Lessee shall provide written notice of any failure or defect to Lessor within four (4) days after discovery, and within the applicable warranty period, and failure to provide such notice in a timely manner may result in a limitation of this warranty at Lessor's sole option. If Lessee does not grant clear, unobstructed access for any such repairs between 8:00 a.m. and 5:00 p.m., Monday through Friday, Lessee shall bear the cost of repair rates for labor at the applicable overtime rates. 10. **LOSS OR DAMAGE.** Upon delivery and until the Equipment is removed from the Site by Lessor or its authorized agent, Lessee assumes all risk of loss or damage to the Equipment. Should any Equipment damaged be capable of repair, the Equipment shall be repaired and restored to its condition existing prior to such damage, at Lessee's sole cost and expense. In the event any of the Equipment is damaged beyond repair or is lost, stolen or wholly destroyed, this Agreement shall cease and terminate as to such Equipment as of the date of the event, accident or occurrence causing such loss or destruction, and Lessee shall pay Lessor within forty-five (45) days thereafter, an amount equal to the full replacement value of the Equipment, which payment obligation shall survive the termination of this Agreement.
11. **INSURANCE.** Lessee shall procure and maintain, at its sole expense (including all premiums, deductibles and self-insured retentions), (i) property insurance covering the loss, theft, destruction, or damage to the Equipment in an amount not less than the full replacement value thereof (and with a deductible no higher than \$25,000), naming Lessor as loss payee of the proceeds, and (ii) commercial general liability insurance (minimum of \$1,000,000 per occurrence and \$2,000,000 in the aggregate) (and with a deductible no higher than \$25,000), naming Lessor and its designees as additional named insureds. Lessee's insurance shall be primary and non-contributory to any insurance maintained by Lessor or any other additional insureds or additional named insureds. The liability insurance policy shall contain coverage for all contractual indemnity obligations of Lessee set forth in this Agreement, cross-liability and waiver of subrogation provisions in favor of Lessor and any other additional insureds. LEASE TERMS AND CONDITIONS

- LEASE.** Lessor agrees to lease to Lessee, and Lessee agrees to lease from Lessor, the Equipment (as defined below). The lease of any Equipment is governed by the terms of this Agreement. The Equipment is and shall remain the personal property of Seller.
- TERMS.** All capitalized terms used and not otherwise defined herein, will have the meanings set forth in this Agreement. As used in this Agreement, the following definitions shall apply: **"Accessories"** shall mean any additions, attachments, or accessories to the modular buildings, or ancillary services, provided by Lessor to Lessee and identified in this Agreement; **"Equipment"** shall mean the modular buildings, Accessories, and/or Services identified in this Agreement, together with any replacements, repairs, additions, attachments or accessories hereafter rented to Lessee under this Agreement.
- PAYMENTS AND PRICE ADJUSTMENTS.** Lessee agrees to pay to Lessor each payment specified herein on a net invoice basis. Payment terms are net due upon receipt unless otherwise agreed upon in writing. All payments due from Lessee pursuant to this Agreement shall be made by Lessee without any abatement or setoff of any kind whatsoever arising from any cause whatsoever. Prices will be increased by Lessor for unknown circumstances or conditions, including, but not limited to, driver waiting time, special transport permits, difficult site conditions and/or increases in fuel prices.
- LEASE TERM; EARLY TERMINATION.** The Lease Term and Monthly Rent, each of which are specified in this Agreement, shall commence on the date the Equipment is delivered to the Site (the "Start Rent Date"), unless a different date is mutually agreed upon in writing, and shall continue thereafter for the number of months specified in this Agreement as the Lease Term. Lessee agrees to pay the Total Charges per Month specified in this Agreement (as may be adjusted pursuant to Section 5 below) for each month during the Lease Term and any extensions thereof. A month is defined as thirty (30) calendar days; rent will be billed monthly unless otherwise specified in this Agreement (but rent shall be due and owing even in the absence of actual receipt by Lessee of an invoice or bill). In the event that Lessee terminates this Agreement prior to the expiration of the Lease Term, Lessor shall be entitled to charge an early termination fee, even if such termination occurs prior to delivery of the Equipment. Such fee shall be determined by Lessor, in its sole discretion, following the receipt of the termination request. Such early termination fee may include, but shall not be limited to, charges related to the preparation of the Equipment for delivery and/or the rental value of this Agreement. In no event shall any such early termination fee exceed the total value of this Agreement. Lessor shall not be liable to Lessee for any failure or delay in obtaining, delivering or setting up the Equipment. If Lessee delays delivery of the Equipment for any reason for thirty (30) days or longer from the original delivery date mutually agreed upon between both parties, Lessor may, in Lessor's sole discretion, charge Lessee a monthly storage fee equal to the Monthly Rent starting on the original delivery date, and/or terminate this Agreement, subject to the early termination provisions set forth above.
- EXTENSION OF LEASE TERM.** Upon expiration of the initial Lease Term set forth in this Agreement, the lease of the Equipment shall automatically be extended on a month-to-month basis until the Equipment is returned to Lessor. This Agreement does not expire and the terms and conditions hereof shall remain in full force and effect for any extension of the Lease Term, unless otherwise agreed upon by Lessor and Lessee in writing. Lessor may periodically revise the Total Charges per Month from those reflected in this Agreement if the lease of the Equipment is extended beyond the initial Lease Term. If the lease of the Equipment is extended beyond the initial Lease Term, Lessor may revise the charges for the Charges Upon Return from those specified in this Agreement to reflect Lessor's then-current market rates for such services.
- PREPARATION FOR REMOVAL OF THE EQUIPMENT.** Prior to the scheduled removal of the Equipment, Lessee shall, at a minimum: (a) provide clear access to the Equipment for Lessor to dismantle and remove the Equipment from the Site by industry-standard trucking methods; (b) disconnect all utilities; (c) remove all personal property of Lessee's from the Equipment; and (d) in the case of Equipment that includes plumbing, flush the plumbing lines clean and ensure that no foreign matter remains in any fixtures. Plumbing must be properly disconnected by Lessee at its sole cost and expense. Lessee will be responsible for costs of repair required by improper plumbing disconnection to the extent that the Equipment is damaged. Any components, parts or accessories supplied by Lessor must be returned with the Equipment. In the event that Lessee fails to meet the requirements herein, additional charges may be incurred by Lessee for additional labor, waiting time, or dry-runs in the event that Lessor is unable to return the Equipment as scheduled.
- RETURN OF EQUIPMENT.** Lessee must provide a minimum of thirty (30) days prior, written notice to Lessor when requesting to return the Equipment. Lessee is responsible for complying with the requirements set forth in the "Preparation for Removal of the Equipment" section of these Lease Terms and Conditions. Unless otherwise agreed upon by Lessor in writing, Lessee shall continue to be responsible for payment of the Total Charges per Month set forth in this Agreement (as may be adjusted pursuant to Section 5 hereto) until return of the Equipment to Lessor is completed. The Total Charges per Month will be prorated in one-half (1/2) month increments only. If the Equipment is returned within the first fifteen (15) days of the billing period, Lessee shall be responsible for paying half of the Total Charges per Month; if Equipment is returned between the sixteenth (16th) and thirtieth (30th) days of the billing period, Lessee shall be responsible for paying the entire amount of the Total Charges per Month. The charges reflected in this Agreement for Charges Upon Return will be adjusted for any Lease Term longer than twelve (12) months or if the Lease is extended beyond the initial Lease Term, pursuant to Section 5.
- WARRANTIES; DISCLAIMER.** Lessor warrants to Lessee that the Equipment, when delivered and set up and under normal use and regular service and maintenance by Lessee, shall be free from major defects in materials and workmanship that prevent any normal use and operation. Accessories supplied by Lessor pursuant to this Agreement but not owned by Lessor shall not be subject to the foregoing warranty, but shall carry the applicable warranty of the Accessory owner, which Lessor hereby assigns to Lessee to the extent transferable. Lessor's liability under this warranty shall be limited to the replacement or repair of the defective Equipment (during Lessor's normal working hours), at Lessor's option; provided, however, that Lessee shall provide written notice of any failure or defect to Lessor within four (4) days after discovery, and within the applicable warranty period, and failure to provide such notice in a timely manner may result in a limitation of this warranty at Lessor's sole option. If Lessee does not grant clear, unobstructed access for any such repairs between 8:00 a.m. and 5:00 p.m., Monday through Friday, Lessee shall bear the cost of repair rates for labor at the applicable overtime rates. LEASE TERMS AND CONDITIONS

- LEASE.** Lessor agrees to lease to Lessee, and Lessee agrees to lease from Lessor, the Equipment (as defined below). The lease of any Equipment is governed by the terms of this Agreement. The Equipment is and shall remain the personal property of Seller.
- TERMS.** All capitalized terms used and not otherwise defined herein, will have the meanings set forth in this Agreement. As used in this Agreement, the following definitions shall apply: **"Accessories"** shall mean any additions, attachments, or accessories to the modular buildings, or ancillary services, provided by Lessor to Lessee and identified in this Agreement; **"Equipment"** shall mean the modular buildings, Accessories, and/or Services identified in this Agreement, together with any replacements, repairs, additions, attachments or accessories hereafter rented to Lessee under this Agreement.
- PAYMENTS AND PRICE ADJUSTMENTS.** Lessee agrees to pay to Lessor each payment specified herein on a net invoice basis. Payment terms are net due upon receipt unless otherwise agreed upon in writing. All payments due from Lessee pursuant to this Agreement shall be made by Lessee without any abatement or setoff of any kind whatsoever arising from any cause whatsoever. Prices will be increased by Lessor for unknown circumstances or conditions, including, but not limited to, driver waiting time, special transport permits, difficult site conditions and/or increases in fuel prices.
- LEASE TERM; EARLY TERMINATION.** The Lease Term and Monthly Rent, each of which are specified in this Agreement, shall commence on the date the Equipment is delivered to the Site (the "Start Rent Date"), unless a different date is mutually agreed upon in writing, and shall continue thereafter for the number of months specified in this Agreement as the Lease Term. Lessee agrees to pay the Total Charges per Month specified in this Agreement (as may be adjusted pursuant to Section 5 below) for each month during the Lease Term and any extensions thereof. A month is defined as thirty (30) calendar days; rent will be billed monthly unless otherwise specified in this Agreement (but rent shall be due and owing even in the absence of actual receipt by Lessee of an invoice or bill). In the event that Lessee terminates this Agreement prior to the expiration of the Lease Term, Lessor shall be entitled to charge an early termination fee, even if such termination occurs prior to delivery of the Equipment. Such fee shall be determined by Lessor, in its sole discretion, following the receipt of the termination request. Such early termination fee may include, but shall not be limited to, charges related to the preparation of the Equipment for delivery and/or the rental value of this Agreement. In no event shall any such early termination fee exceed the total value of this Agreement. Lessor shall not be liable to Lessee for any failure or delay in obtaining, delivering or setting up the Equipment. If Lessee delays delivery of the Equipment for any reason for thirty (30) days or longer from the original delivery date mutually agreed upon between both parties, Lessor may, in Lessor's sole discretion, charge Lessee a monthly storage fee equal to the Monthly Rent starting on the original delivery date, and/or terminate this Agreement, subject to the early termination provisions set forth above.
- EXTENSION OF LEASE TERM.** Upon expiration of the initial Lease Term set forth in this Agreement, the lease of the Equipment shall automatically be extended on a month-to-month basis until the Equipment is returned to Lessor. This Agreement does not expire and the terms and conditions hereof shall remain in full force and effect for any extension of the Lease Term, unless otherwise agreed upon by Lessor and Lessee in writing. Lessor may periodically revise the Total Charges per Month from those reflected in this Agreement if the lease of the Equipment is extended beyond the initial Lease Term. If the lease of the Equipment is extended beyond the initial Lease Term, Lessor may revise the charges for the Charges Upon Return from those specified in this Agreement to reflect Lessor's then-current market rates for such services.
- PREPARATION FOR REMOVAL OF THE EQUIPMENT.** Prior to the scheduled removal of the Equipment, Lessee shall, at a minimum: (a) provide clear access to the Equipment for Lessor to dismantle and remove the Equipment from the Site by industry-standard trucking methods; (b) disconnect all utilities; (c) remove all personal property of Lessee's from the Equipment; and (d) in the case of Equipment that includes plumbing, flush the plumbing lines clean and ensure that no foreign matter remains in any fixtures. Plumbing must be properly disconnected by Lessee at its sole cost and expense. Lessee will be responsible for costs of repair required by improper plumbing disconnection to the extent that the Equipment is damaged. Any components, parts or accessories supplied by Lessor must be returned with the Equipment. In the event that Lessee fails to meet the requirements herein, additional charges may be incurred by Lessee for additional labor, waiting time, or dry-runs in the event that Lessor is unable to return the Equipment as scheduled.
- RETURN OF EQUIPMENT.** Lessee must provide a minimum of thirty (30) days prior, written notice to Lessor when requesting to return the Equipment. Lessee is responsible for complying with the requirements set forth in the "Preparation for Removal of the Equipment" section of these Lease Terms and Conditions. Unless otherwise agreed upon by Lessor in writing, Lessee shall continue to be responsible for payment of the Total Charges per Month set forth in this Agreement (as may be adjusted pursuant to Section 5 hereto) until return of the Equipment to Lessor is completed. The Total Charges per Month will be prorated in one-half (1/2) month increments only. If the Equipment is returned within the first fifteen (15) days of the billing period, Lessee shall be responsible for paying half of the Total Charges per Month; if Equipment is returned between the sixteenth (16th) and thirtieth (30th) days of the billing period, Lessee shall be responsible for paying the entire amount of the Total Charges per Month. The charges reflected in this Agreement for Charges Upon Return will be adjusted for any Lease Term longer than twelve (12) months or if the Lease is extended beyond the initial Lease Term, pursuant to Section 5.
- WARRANTIES; DISCLAIMER.** Lessor warrants to Lessee that the Equipment, when delivered and set up and under normal use and regular service and maintenance by Lessee, shall be free from major defects in materials and workmanship that prevent any normal use and operation. Accessories supplied by Lessor pursuant to this Agreement but not owned by Lessor shall not be subject to the foregoing warranty, but shall carry the applicable warranty of the Accessory owner, which Lessor hereby assigns to Lessee to the extent transferable. Lessor's liability under this warranty shall be limited to the replacement or repair of the defective Equipment (during Lessor's normal working hours), at Lessor's option; provided, however, that Lessee shall provide written notice of any failure or defect to Lessor within four (4) days after discovery, and within the applicable warranty period, and failure to provide such notice in a timely manner may result in a limitation of this warranty at Lessor's sole option. If Lessee does not grant clear, unobstructed access for any such repairs between 8:00 a.m. and 5:00 p.m., Monday through Friday, Lessee shall bear the cost of repair rates for labor at the applicable overtime rates. In the event any of the Equipment is damaged beyond repair or is lost, stolen or wholly destroyed, this Agreement shall cease and terminate as to such Equipment as of the date of the event, accident or occurrence causing such loss or destruction, and Lessee shall pay Lessor within forty-five (45) days thereafter, an amount equal to the full replacement value of the Equipment, which payment obligation shall survive the termination of this Agreement.
11. **INSURANCE.** Lessee shall procure and maintain, at its sole expense (including all premiums, deductibles and self-insured retentions), (i) property insurance covering the loss, theft, destruction, or damage to the Equipment in an amount not less than the full replacement value thereof (and with a deductible no higher than \$25,000), naming Lessor as loss payee of the proceeds, and (ii) commercial general liability insurance (minimum of \$1,000,000 per occurrence and \$2,000,000 in the aggregate) (and with a deductible no higher than \$25,000), naming Lessor and its designees as additional named insureds. Lessee's insurance shall be primary and non-contributory to any insurance maintained by Lessor or any other additional insureds or additional named insureds. The liability insurance policy shall contain coverage for all contractual indemnity obligations of Lessee set forth in this Agreement, cross-liability and waiver of subrogation provisions in favor of Lessor and any other additional insureds. All evidence of all required insurance shall be in a form reasonably acceptable to Lessor and with a company having an A.M. Best rating of A- (VII) or better, and shall not be subject to cancellation without thirty (30) days' prior written notice to Lessor. Lessee shall provide to Lessor insurance certificates and endorsements (including without limitation, additional insured and loss payee endorsements) evidencing compliance with the insurance requirements of this Agreement (including without limitation, the deductible amounts and waiver of subrogation) prior to delivery of the Equipment and shall maintain all required insurance coverage until the Equipment is returned to Lessee. Lessor will not and does not provide insurance for any of Lessee's personal property that may be in or on any Equipment.
12. **INDEMNIFICATION AND LIMITATION OF LIABILITY.**
 - (a) **LESSEE ON BEHALF OF ITSELF, ITS SUCCESSORS, ASSIGNS, PARENTS, SUBSIDIARIES, VENDORS, SUBCONTRACTORS, AND AFFILIATES, AND THEIR RESPECTIVE REPRESENTATIVES, DIRECTORS, OFFICERS, MANAGERS, VENDORS, MEMBERS, SHAREHOLDERS, PARTNERS, CONTRACTORS, EMPLOYEES, AGENTS, AND ASSIGNS (EACH, A "LESSEE PARTY," AND COLLECTIVELY, THE "LESSEE PARTIES") SHALL INDEMNIFY, DEFEND, RELEASE, AND HOLD HARMLESS LESSOR, ITS SUCCESSORS, ASSIGNS, PARENTS, SUBSIDIARIES, VENDORS, CONTRACTORS, AND AFFILIATES, AND THEIR RESPECTIVE REPRESENTATIVES, DIRECTORS, OFFICERS, MANAGERS, VENDORS, MEMBERS, SHAREHOLDERS, PARTNERS, CONTRACTORS, EMPLOYEES, AGENTS, AND ASSIGNS (EACH A "LESSOR INDEMNIFIED PARTY," AND COLLECTIVELY, THE "LESSOR INDEMNIFIED PARTIES") FROM AND AGAINST ANY AND ALL LOSSES, FEES, COSTS, EXPENSES, CLAIMS, LIABILITIES, DAMAGES, PENALTIES, FINES, FORFEITURES, AND SUITS (INCLUDING COSTS OF DEFENSE, SETTLEMENT AND REASONABLE ATTORNEYS' FEES, ENVIRONMENTAL CONSULTANTS AND EXPERT WITNESS FEES AT TRIAL AND ON APPEAL) (COLLECTIVELY, "LOSSES") RELATING TO, ARISING OUT OF OR IN CONNECTION WITH: (1) ANY BREACH OR NON-FULFILLMENT OF ANY COVENANT, AGREEMENT, OR OBLIGATION TO BE PERFORMED BY LESSEE PURSUANT TO THIS AGREEMENT, OR ANY INACCURACY IN OR BREACH OF ANY OF THE REPRESENTATIONS OF LESSEE SET FORTH IN THIS AGREEMENT; (2) THE OCCURRENCE OF ANY EVENT SET FORTH IN SECTION 13; (3) THE SELECTION, USE, POSSESSION, DELIVERY, RENTING, LEASING, SUBLEASING, OPERATION, TRANSPORT, MAINTENANCE, CONDITION, REPAIR, REPLACEMENT, REPOSSESSION, RETURN OR STORAGE OF ANY EQUIPMENT OR ANY SERVICES; (4) ANY FAILURE BY ANY LESSEE PARTY TO COMPLY WITH ANY APPLICABLE LAW IN CONNECTION WITH ANY EQUIPMENT OR THE SERVICES OR THIS AGREEMENT; (5) ANY DEATH OR BODILY INJURY TO ANY PERSON OR DESTRUCTION OR DAMAGE TO ANY PROPERTY TO WHICH THE ACTS OR OMISSIONS OF A LESSEE PARTY CONTRIBUTED; OR (6) ANY NEGLIGENT OR INTENTIONAL ACT OR OMISSION OF ANY LESSEE PARTY FOR ANY ACTION RELATED TO OR ANY USE OF ANY EQUIPMENT. This Professional Services Agreement (“Agreement”) is dated **December 1, 2025**, for reference purposes only, and is made by and between the **Santa Rosa High School District** (“District”) and **NorBay Consulting - A Vista Environmental Consulting Company** (“Contractor”), (together, “Parties”).

WHEREAS, Government Code section 53060 authorizes the District to contract with independent entities for the furnishing of special and professional services and advice, if those persons are specially trained and experienced and competent to perform the services required;

WHEREAS, the District is in need of such services and advice and the Contractor warrants that it is specially trained, licensed, experienced and competent to perform the services required by the District;

WHEREAS, the Contractor agrees to perform the services described in this Agreement in accordance with the standards of its profession, to District’s satisfaction, and in accordance with this Agreement.

NOW, THEREFORE, the Parties agree as follows:

2. Term. This Agreement and the Parties’ obligations hereunder shall commence on December 11, 2025. Contractor shall diligently perform as required and complete performance *during the life of the Project*, unless this Agreement is terminated and/or otherwise cancelled prior to that time.

- Signed Agreement
- Insurance Endorsements
- Workers’ Compensation Certificate
- W-9 Form
- Scope of Work
- Fingerprinting/Criminal Background Certificate

4. Compensation. District shall pay Contractor for Services satisfactorily rendered pursuant to this Agreement, the sum of \$3,246.00. Contractor shall provide a monthly invoice of the amount of Fees due for Services rendered in the prior month accompanied by documentation reasonably requested by District substantiating all charges, and District shall pay the undisputed amounts of such invoices within thirty (30) days of receipt of the invoice.

5. Expenses. Expenses will not be charged for Contractor's performance of these Services, with the exception of "none".

6. Materials. Contractor at its sole cost and expense shall provide and furnish all tools, labor, materials, equipment, transportation services and any other items (collectively, "Equipment") which are required or necessary to perform the Services in a manner which is consistent with generally accepted standards of the profession for similar services. Notwithstanding the foregoing, District shall not be responsible for any damages to persons or property as a result of the use, misuse or failure of any Equipment used by Contractor or the Contractor employees, agents, representatives or contractors (collectively, "Contractor Parties"), even if such Equipment is furnished, rented or loaned to Contractor or the Contractor Parties by District. Furthermore, District may reject any Equipment or workmanship that does not conform to the requirements of this Agreement and Contractor must then promptly remedy or replace it at no additional cost to District and subject to District's reasonable satisfaction.

7. Independent Contractor. Contractor, in the performance of this Agreement, shall be and act as an independent Contractor. Contractor understands and agrees that it and all of its employees shall not be considered officers, employees, agents, partners, or joint venturers of the District, and are not entitled to benefits of any kind or nature normally provided employees of the District and/or to which District's employees are normally entitled, including, but not limited to, State Unemployment Compensation or Worker's Compensation. Contractor shall assume full responsibility for payment of all federal, state and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Contractor's employees. In the performance of the Services herein contemplated, Contractor shall have the sole authority for controlling and directing the performance of the details of the work. Contractor shall defend, indemnify, and hold harmless the District against any claims that it or any of its employees or agents are employees of the District.

8. Performance of Services / Standard of Care.

8.1 Contractor represents that Contractor has the qualifications and ability to perform the Services in a professional manner, without the advice, control or supervision of District. Contractor's Services will be performed, findings obtained, reports and recommendations prepared in accordance with generally and currently accepted principles and practices of its profession and applicable laws, rules and regulations.

8.1.1 Contractor hereby represents that it possesses the necessary professional capabilities, qualifications, licenses, skilled personnel, experience, expertise, and financial resources, and it has available and will provide the necessary equipment, materials, tools, and facilities to perform the Services in an efficient, professional, and timely manner in accordance with the terms and conditions of the Agreement.

8.1.2 Contractor shall be responsible for the professional quality, technical accuracy, completeness, and coordination of the Services, and Contractor understands that the District relies upon such professional quality,

accuracy, completeness, and coordination by Contractor in performing the Services.

8.1.3 Contractor shall ensure that any individual performing work under the Agreement requiring a California license shall possess all appropriate licenses, and shall have sufficient skill and experience to perform the work assigned to them.

8.2 Contractor and District agree to participate in regular meetings to discuss strategies, timetables, implementation of services, and any other issues deemed relevant to the operation of Contractor's performance of Services.

8.3 The work completed hereunder must meet the approval of the District and shall be subject to the District's general right of inspection and supervision to secure the satisfactory completion thereof.

8.4 Contractor shall maintain complete and accurate records relating to the provision of the Services under this Agreement, including records of the time spent and materials used by Contractor in providing the Services, in such form as District shall approve or request. During the Term and for a period of three (3) years thereafter, upon District's written request, Contractor shall allow District or District's representative to inspect and make copies of such records in connection with the provision of the Services.

9. Originality of Services. Except as to standard generic details, Contractor agrees that all technologies, formulae, procedures, processes, methods, writings, ideas, dialogue, compositions, recordings, teleplays and video productions prepared for, written for, or submitted to the District and/or used in connection with this Agreement, shall be wholly original to Contractor and shall not be copied in whole or in part from any other source, except that submitted to Contractor by District as a basis for such services.

10. Intellectual Property.

10.1 Contractor acknowledges and agrees that any and all work product, including any deliverables, it conceives, creates, develops, or reduces to practice, in whole or part, during the term of the Agreement, including without limitation, all "works of original authorship" and all content, inventions, improvements, enhancements, designs, ideas, source code, software applications, formula, processes, techniques, discoveries, or know-how, whether or not patentable or copyrightable, are "works for hire" and are and/or shall become and remain the sole and exclusive property of the District and the District shall be the sole owner of all patents, copyrights, and other rights in connection therewith throughout the world. To the extent any such works are not deemed works for hire, Contractor hereby assigns to the District, Contractor's entire right, title, and interest in any invention, technique, process, device, discovery, improvement, or know-how, whether patentable or not, hereafter made or conceived solely or jointly by Contractor while working for or on behalf of the District, which relates to, is suggested by, or results from matters set forth in any active Statement of Work and depends on either:

10.1.1 Contractor's knowledge of Confidential Information (as defined in Section 6) it obtains from the District.

10.1.2 The use of the District's equipment, supplies, facilities, information, or materials.

10.2 Contractor shall disclose any such invention, technique, process, device, discovery, improvement, or know-how promptly to the District. Contractor shall, upon request of the District, promptly execute a specific assignment of title to the District and do anything else reasonably necessary to enable the District to secure for itself, patent, trade secret, or any other proprietary rights in the United States or other countries.

10.3 All writings or works of authorship, including, without limitation, program codes or documentation, produced or authored by Contractor in the course of performing services for the District, together with any associated copyrights, are works made for hire and the exclusive property of the District. To the extent that any writings or works of authorship may not, by operation of law, be works made for hire, this Agreement shall constitute an irrevocable assignment by Contractor to the District of the ownership of and all rights of copyright in, such items, and the District shall have the right to obtain and hold in its own name, rights of copyright, copyright registrations, and similar protections which may be available in the works. Contractor shall give the District or its designees all assistance reasonably required to perfect such rights.

10.4 If for any reason, including incapacity, the District cannot secure Contractor's signature on any document needed to apply for, perfect, or otherwise acquire title to the intellectual property rights granted to it under this Section, or to enforce such rights within seven (7) business days of such request, Contractor hereby designates the District as Contractor's attorney-in-fact and agent, solely and exclusively to act for and on Contractor's behalf to execute and file such documents with the same legal force and effect as if executed by Contractor and for no other purpose.

11. Default. The occurrence of any of the following constitutes a Default by Contractor under this Agreement:

11.1 Contractor violates this Agreement and fails to remedy or cure such violation within ten (10) days after District's written notice thereof;

11.2 Contractor exposes the District to liability to others for personal injury or property damage;

11.3 Contractor becomes insolvent or admits its inability to pay its debts generally as they become due;

11.4 Contractor becomes subject, voluntarily or involuntarily, to any proceeding under any domestic or foreign bankruptcy or insolvency law, which is not fully stayed within seven (7) business days or is not dismissed or vacated within thirty (30) days after filing;

11.5 Contractor is dissolved or liquidated or takes any corporate action for such purposes;

11.6 Contractor makes a general assignment for the benefit of creditors;

11.7 Contractor has a receiver, trustee, custodian, or similar agent appointed by order of any court of competent jurisdiction to take charge of or sell any material portion of its property or business; or

11.8 Contractor becomes incapable to perform any of the Services.

12. Dispute Resolution

The Parties desire to quickly and cost-effectively resolve any disputes related to the interpretation or enforcement of this Agreement. Therefore, each Party shall make best efforts to resolve informally any such disputes.

12.1 Contractor Continuation of Services. Except in the event of the District's failure to make an undisputed payment of the fees owed to the Contractor, notwithstanding any disputes between District and the Contractor hereunder, the Contractor shall continue to provide and perform Services pending a subsequent resolution of such disputes.

12.2 Mandatory Mediation. All claims, disputes and other matters in controversy between the Inspection Firm and the District arising out of or pertaining to this Agreement shall be submitted for resolution by non-binding mediation. The Parties shall jointly select a mediator within thirty (30) days of a request of mediation by a Party, and complete mediation as soon thereafter as practically possible but in no event later than ninety (90) days after the original request for mediation, unless otherwise agreed to by the Parties.

12.3 Government Claim Requirements. The Contractor shall comply with all claims presentation requirements as provided in Chapter 1 (commencing with section 900) and Chapter 2 (commencing with section 910) of Part 3 of Division 3.6 of Title 1 of Government Code as a condition precedent to the Contractor's right to bring a civil action against the District

12.4 Arbitration. In the event that mediation is unsuccessful, to the extent applicable law does not otherwise provide, any dispute, claim or controversy between or among the District and Inspection Firm arising out of or in any way relating to this Agreement shall be determined by confidential, binding arbitration in the county in which the District's administrative offices are located before a neutral arbitrator. The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures in force at the time the arbitration is commenced. The arbitrator shall decide any issue of the breach, termination, enforcement, interpretation or validity of this entire agreement, including the determination of the scope or applicability of the agreement to arbitrate. The Parties adopt and agree to implement the JAMS Optional Arbitration Appeal Procedure (as it exists on the date of this Agreement) with respect to any final arbitration award pursuant to this Agreement. Any court proceedings related to the arbitration shall

take place in the state court (or federal court, if jurisdiction exists) in the county in which the District's administrative offices is located. This clause shall not preclude Parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction.

By agreeing to this binding arbitration provision, the Parties understand that they are waiving certain important rights and protections that otherwise may have been available if a dispute were determined by a judicial action including, without limitation, the extent of available discovery, the right to a jury trial, the recovery of attorney fees and certain rights of appeal.

This agreement and the rights of the Parties hereunder shall be governed by and construed in accordance with the laws of California, exclusive of conflict or choice of law rules.

If this Agreement is related to a larger project for which there is more than one contract involved, and if more than one contractual dispute arises related to that project, then the District then may, at its option, consolidate arbitration proceedings arising from the Project into a single arbitration proceeding.

12.5 Attorney's Fees. To the extent either Party must seek enforcement or interpretation of this Agreement or otherwise defend against a claim arising from this Agreement, each Party shall bear their own fees and costs, including, but not limited to, mediation fees, arbitration fees, attorneys' fees and collection expenses, regardless of whether legal proceedings are or have been commenced to enforce said terms.

13. Termination.

13.1 For Convenience by District. District may, at any time, with or without reason, terminate this Agreement and compensate Contractor only for services satisfactorily rendered to the date of termination. Written notice by District shall be sufficient to stop further performance of services by Contractor. Notice shall be deemed given when received by the Contractor or no later than three (3) calendar days after the day of mailing, whichever is sooner.

13.2 With Cause by District. District may terminate this Agreement upon giving of written notice of intention to terminate for cause. Cause shall include:

12.2.1. any material violation of this Agreement by the Contractor; or

12.2.2. any act by Contractor exposing the District to liability to others for personal injury or property damage; or

12.2.3. Contractor is adjudged a bankrupt, Contractor makes a general assignment for the benefit of creditors or a receiver is appointed on account of Contractor's insolvency.

Written notice by District shall contain the reasons for such intention to terminate and, unless within three (3) calendar days after that notice the condition or violation shall cease or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the three (3) calendar days cease and terminate. In the event of this termination, the District may secure the required Services from another Contractor. If the expense, fees, and/or costs to the District exceeds the cost of providing the Services pursuant to this Agreement, the Contractor shall immediately pay the excess expense, fees, and/or costs to the District upon the receipt of the District's notice of these expense, fees, and/or costs. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District.

13.3 Upon termination, Contractor shall provide the District with all documents produced maintained or collected by Contractor pursuant to this Agreement, whether or not such documents are final or draft documents.

14. Indemnification. To the furthest extent permitted by California law, Contractor shall indemnify, and hold harmless the District, its Governing Board, agents, representatives, officers, Contractors, employees, trustees, and volunteers ("the Indemnified Parties") from any and all claims, arising out of, pertaining to or relating to the negligence, recklessness, errors or omissions, or willful misconduct of Contractor. Contractor shall, to the fullest extent permitted by California law, defend the Indemnified Parties at Contractor's own expense, including attorneys' fees and costs, from any and all claims arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Contractor. EXHIBIT "A"
DESCRIPTION OF SERVICES TO BE PERFORMED BY CONTRACTOR

November 20, 2025

Mr. Brian Cameron
 Van Pelt Construction Services
 450 Chadbourne Road, Suite B
 Fairfield, CA 94534

**SUBJECT: REQUEST FOR PROPOSAL
 PRE-RENOVATION HAZARDOUS MATERIALS INSPECTION
 DESOTO HALL MODERNIZATION PROJECT
 SANTA ROSA HIGH SCHOOL, SANTA ROSA, CALIFORNIA**

Dear Mr. Cameron:

Enclosed you will find NorBay Consulting – A Vista Environmental Consulting Company (NBC-V)’s revised proposal for conducting a pre-renovation hazardous materials inspection in conjunction with the modernization project scheduled for DeSoto Hall at Santa Rosa High School. The construction date for DeSoto Hall is 2020 thus it is not anticipated that either asbestos or lead paint were utilized, but the inspection would still need to be conducted as per Bay Area Air Quality Management District (BAAQMD) and Cal-OSHA regulations.

NBC-V SCOPE OF SERVICES PROPOSAL

Our proposed scope of work includes the following:

- Collect bulk samples of suspected asbestos containing building materials within the path of construction.
- Bulk samples will be analyzed for asbestos by a certified laboratory utilizing Polarized Light Microscopy (PLM). Depending on results, additional analysis by Point Count **may** be required if initial analytical results indicate the presence of <1% asbestos.
- Conducted a lead inspection of building components/fixtures/finishes within the path of construction utilizing a SciAps X-0550 direct reading instrument.
- Generate a final report to include a summary of results, recommendations, laboratory reports/chain of custody forms, spread sheet of lead readings and the mandatory CDPH Form 8552.

NBC-V PROPOSED FEE SCHEDULE

• Site Visit/travel	Flat Rate	\$ 1,400.00
• Sample Analysis (asbestos bulk)	42 PLM @ \$ 27.00 ea.	\$ 1,134.00
• Sample Analysis (multi-layered)	4 PLM @ \$ 48.00 ea.	\$ 192.00
• Sample Analysis (point count)	3 PC @ \$ 90.00 ea.	\$ 270.00**
• Report Generation	Flat Rate	\$ 250.00
• TOTAL PROPOSAL		\$ 2,976.00
• TOTAL PROPOSAL <u>IF</u> POINT COUNT IS REQUIRED		\$ 3,246.00**

Revised Request for Proposal
Pre-Renovation Hazardous Materials Inspection
DeSoto Hall Modernization Project
Santa Rosa High School, Santa Rosa, California

Please note the following:

- The proposal was based on drawings and pictures provided to NBC-V and timely access to all parts of the building scheduled to be inspected.
- The number of samples proposed to be collected is strictly an estimate based on previous experience with similar types and sized projects. Van Pelt Construction Services/Santa Rosa City Schools will only be invoiced for the actual number of samples analyzed by the laboratory.
- All inspection activities will be conducted by Cal-OSHA asbestos and CDPH Lead certified personnel.
- Please note that this proposal is based on a three-business day turnaround time for sample analysis. The turnaround time is based on when the lab receives the samples, not the day the samples are collected. Typically, the laboratory receives the samples within 24 hours after they are collected.

NBC-V appreciates the opportunity to provide you with this proposal. If you have any questions regarding this proposal or if you require additional information, please do not hesitate to contact me.

Sincerely,
NORBAY CONSULTING- *A Vista Environmental Consulting Company*

GENERAL CONDITIONS

- 1. Labor and Materials.** The Contractor shall furnish and pay for all labor, materials, equipment and services necessary to complete the Work in accordance with the Contract Documents. Unless otherwise expressly provided for in the Contract Documents, all materials, equipment and other items incorporated into the Work shall be new and of the most suitable grade and quality for the purpose intended. The Work is subject to tests/inspections as required by the Contract Documents. The Contractor shall afford the District, the Project Inspector, the Architect and test/inspection services with access to the Work, wherever located and whether in place or in progress. All of the Work shall conform with the requirements of the Contract Documents and applicable laws, ordinances, rules and regulations.
- 2. Submittals.** The Contractor shall submit to the District Representative or the Architect, as designated in the Contract Documents, shop drawings, product data and other submittals (collectively "Submittals") required by the Contract Documents promptly and in an orderly sequence while allowing sufficient time for review and comment. No portion of the Work requiring Submittals shall be performed until the required Submittals have been reviewed and accepted.
- 3. Construction Schedule.** If required by the Contract Documents, the Contractor shall prepare a Construction Schedule in such form and format required by the Contract Documents. The Construction Schedule shall reflect all activities necessary to complete the Work and shall be in such detail as required by the Contract Documents. If a Construction Schedule is required, the Contractor shall update the schedule monthly or more frequently as directed by the District or required by the circumstances of the Work.
- 4. Changes.**

 - 4.1 Changes to the Work.** The District may, by written order, make Changes to the Work, issue additional instructions and to add to or delete from the Work. No Change may be made without the prior written approval and direction of the District. Adjustments of the Contract Price or the Contract Time on account of a Change authorized hereunder will only be made by written Change Order duly executed by the Contractor and the District Representative. Adjustments to the Contract Price for authorized Changes shall be limited to the actual costs of labor, materials and equipment necessary to complete the Change plus the mark-up set forth in the Contract; it being agreed that the mark-up represents all compensation due the Contractor for profit, overhead/administrative costs and impacts of an authorized Change. The Contractor or Subcontractor may adjust the prevailing wage rate for allowable labor costs to reflect fringe benefits, payroll taxes and labor burdens actually incurred by Contractor and provided to such labor directly engaged in performing a Change. Changes approved by the District shall be reduced to Change Order in the form established by the District.
 - 4.2 Change Orders.** If the District approves of a Change, a written Change Order prepared by the Architect on behalf of the District shall be forwarded to the Contractor describing the Change and setting forth the adjustment to the Contract Time and the Contract Price, if any, on account of such Change. All Change Orders shall be in full payment and final settlement of all claims for direct, indirect and consequential costs, including, without limitation, costs of delays or impacts related to, or arising out of, items covered and affected by the Change Order, as well as any adjustments to the Contract Time. Any claim or item relating to any Change incorporated into a Change Order not presented by the Contractor for inclusion in the Change Order shall be deemed waived. The Contractor shall execute the Change Order prepared pursuant to the foregoing; once the Change Order has been prepared and forwarded to the Contractor for execution, without the prior approval of the District which may be granted or withheld in the sole and exclusive discretion of the District, the Contractor shall not modify or amend the form

or content of such Change Order, or any portion thereof. The Contractor's attempted or purported modification or amendment of any such Change Order, without the prior approval of the District, shall not be binding upon the District; any such unapproved modification or amendment to such Change Order shall be null, void and unenforceable. Unless otherwise expressly provided for in the Contract Documents or in the Change Order, any Change Order issued hereunder shall be binding upon the District only upon action of the District's Board of Education ("Board") approving and ratifying such Change Order. In the event of any amendment or modification made by the Contractor to a Change Order for which there is no prior approval by the District, in accordance with the provisions of this Article, unless otherwise expressly stated in its approval and ratification of such Change Order, any action of the Board of Education to approve and ratify such Change Order shall be deemed to be limited to the Change Order as prepared by the Architect; such approval and ratification of such Change Order shall not be deemed the District's approval and ratification of any unapproved amendment or modification by the Contractor to such Change Order.

4.3 Contractor Notice of Changes. If the Contractor claims that any instruction, request, the Drawings, the Specifications, action, condition, omission, default, or other situation obligates the District to increase the Contract Price or to extend the Contract Time, the Contractor shall notify the Project Manager, if any, the Project Inspector and the Architect, in writing, of such claim within ten (10) days from the date of its actual or constructive notice of the factual basis supporting the same. The District shall consider any such claim of the Contractor only if sufficient supporting documentation is submitted with the Contractor's notice to the Project Inspector and the Architect. Time is of the essence in Contractor's written notice pursuant to the preceding sentence so that the District can promptly investigate and consider alternative measures to the address such instruction, request, Drawings, Specifications, action, condition, omission, default or other situation. Accordingly, Contractor acknowledges that its failure, for any reason, to give written notice (with sufficient supporting documentation to permit the District's review and evaluation) within ten (10) days of its actual or constructive knowledge of any instruction, request, Drawings, Specifications, action, condition, omission, default or other situation for which the Contractor believes there should an adjustment of the Contract Time or the Contract Price shall be deemed Contractor's waiver, release, discharge and relinquishment of any right to assert or claim any entitlement to an adjustment of the Contract Time or the Contract Price on account of any such instruction, request, Drawings, Specifications, action, condition, omission, default or other situation. In the event that the District determines that the Contract Price or the Contract Time are subject to adjustment based upon the events, circumstances and supporting documentation submitted with the Contractor's written notice under this Article.

4.4 Substitutions. No substitution of any specified item, product, material or system ("Specified Items") will be considered unless the Contractor submits a request to substitute Specified Items along with data substantiating the equivalency of the proposed substitution with the Specified Items not more than thirty-five (35) days after the date of award of the Contract to the Contractor. For Projects with a contract duration of one hundred eighty (180) days or less, all requests for substitutions of any specified item shall be submitted not more than fourteen days after the date of the award of the Contract to Contractor. The Contractor shall reimburse the District for all costs and expenses incurred by the District to review a proposed substitution for Specified Items. The District's acceptance or rejection of a proposed substitution shall be final. No substitution accepted by the District shall increase the Contract Price or the Contract Time; provided, however, if the cost to furnish/install an approved substitution of is less than the specified Item, the Contract Price shall be reduced by such cost difference. If any Specified Items are identified in any portion of the Contract Documents as "District Standard Materials/Equipment" "match existing in use" or similar words/phrases, in accordance with Public Contract Code section 3400, the District shall be deemed to have made a finding that

such Specified Items are designated as “sole source” items designed to match existing and in use items. In accordance with Public Contract Code section 3400, the District will not consider or accept alternatives or substitutions for any Specified Items so identified.

5. Safety; Security. The Contractor shall comply with all applicable laws, ordinances, rules, regulations, and all Board policies and procedures pertaining to safety at the Site, including but not limited to such laws, ordinances, rules, regulations, and policies and procedures relating to COVID-19 or any other pandemic or epidemic. The Contractor shall implement safety measures such as fencing, barricades, signs, lights and other precautions to prevent injury or death to persons or damage to property. The Contractor is responsible for securing the Site and Work in place or in progress (including materials/equipment/tools situated at the Site) to prevent theft, loss or damage. The District and employees, officers, agents or representatives of the District are not liable to the Contractor, Subcontractors or their respective personnel for the loss, theft, damage or destruction of materials, equipment, tools and other personal property items, whether or not such personal property is used to complete the Work or is incorporated into the Work. The risk of such loss, theft, damage or destruction is solely that of the Contractor or Subcontractors. **All contractors, including all subcontractors, laborers and any individual performing work on any District project, are required to wear hard hats and safety vests at all times while on any District site or campus without exception.**

6. Labor.

6.1 Prevailing Wage Rates. The Contractor and all Subcontractors shall: (i) pay their respective workers at least the prevailing wage rate established for the classification, trade or work performed by each worker; and (ii) maintain complete and accurate payroll records for workers engaged in the Work. During the Work and pursuant to Labor Code section 1771.4(a)(4), the Department of Industrial Relations will monitor and enforce the prevailing wage rate obligations of the Contractor and Subcontractors. The Contractor shall comply with all requirements established by the Department of Industrial Relations relating prevailing wage rates, the payment thereof and posting of notices relating thereto. The Contractor is subject to all assessments, penalties and other charges for prevailing wage rate violations.

6.2 Apprentices. Apprentices, if any engaged in performing any portion of the Work shall be in strict conformity with applicable laws, rules and regulations, including, without limitation, Labor Code sections 1777.5 through 1777.7, which are incorporated herein by this reference.

6.3 DIR Registration.

6.3.1 Contractor and Subcontractor Compliance. Strict compliance with DIR Registration requirements pursuant to Labor Code section 1725.5 is a material obligation of the Contractor hereunder. The foregoing includes, without limitation, compliance with DIR Registration requirements at all times during performance of the Work by the Contractor and all Subcontractors of any tier. No portion of the Work is permitted to be performed by a Subcontractor of any tier unless the Subcontractor is a DIR Registered contractor. The failure of the Contractor and all Subcontractors of every tier to be DIR Registered at all times during performance of the Work is the Contractor’s default of a material obligation of the Contractor under the Contract Documents.

6.3.2 Contractor Obligation to Verify Subcontractor DIR Registration Status. An affirmative and on-going obligation of the Contractor under the Contract Documents is the Contractor’s verification that all Subcontractors, of all tiers, are at all times during performance of the Work in full and strict compliance with DIR Registration requirements. The Contractor shall not permit or allow any Subcontractor of any tier to perform any Work without the Contractor’s verification that all such Subcontractors are in full and strict compliance with DIR Registration requirements.

- 6.3.3 Contractor Obligation to Request Substitution of Non-DIR Registered Subcontractor.** If any Subcontractor identified in the Contractor’s Designated Subcontractors List submitted with the Contractor’s proposal for the Work whose DIR Registration lapses prior to or during a Subcontractor’s performance of Work, the Contractor shall request the District’s consent to substitute the non-DIR Registered Subcontractor pursuant to Labor Code section 1771.1(c)(3) and/or Labor Code section 1771.1(d).
- 6.3.4 Contractor/Subcontractor Penalties pursuant to Labor Code § 1771.1(g).** “If the Labor Commissioner or his or her designee determines that a contractor or subcontractor engaged in the performance of any public work contract without having been registered in accordance with this section, the contractor or subcontractor shall forfeit, as a civil penalty to the state, one hundred dollars (\$100) for each day of work performed in violation of the registration requirement, not to exceed an aggregate penalty of eight thousand dollars (\$8,000) in addition to any penalty registration fee assessed pursuant to clause (ii) of subparagraph (E) of paragraph (2) of subdivision (a) of Section 1725.5.”
- 6.3.5 Subcontractor Penalties pursuant to Labor Code § 1771.1 (h)(1).** “In addition to, or in lieu of, any other penalty or sanction authorized pursuant to this chapter, a higher tiered public works contractor or subcontractor who is found to have entered into a subcontract with an unregistered lower tier subcontractor to perform any public work in violation of the requirements of section 1725.5 or this section shall be subject to forfeiture, as a civil penalty to the state, of one hundred dollars (\$100) for each day the unregistered lower tier subcontractor performs work in violation of the registration requirement, not to exceed an aggregate penalty of ten thousand dollars (\$10,000).”
- 6.4 Certified Payroll Records.**
- 6.4.1 Compliance With Labor Code §§ 1771.4 and 1776.** A material obligation of the Contractor under the Contract Documents is: (i) the Contractor’s strict compliance with the requirements pursuant to Labor Code §§ 1771.4 and 1776 for preparation and submittal of electronic Certified Payroll Records (“CPR”) directly to the DIR no less than every 30 days while Work is being performed and within 30 days after the final day of work performed on the Project for any journeyman, apprentice, worker or other employee that was employed in connection with the Work, or within ten (10) days of any request by the Direct or the DIR to the requesting entity; and (ii) the Contractor’s enforcement of CPR preparation and submittal for all Subcontractors of every tier.
- 6.4.2 Express Condition Precedent to Payment of Contract Price.** Strict compliance with CPR requirements established pursuant to Labor Code section 1776 is an express condition precedent to the District’s obligation to: (i) process any request for payment of any portion of the Contract Price; or (ii) to disburse any portion of the Contract Price to the Contractor. The Contractor shall demonstrate strict compliance with CPR preparation and submittal requirements by delivery to the District of electronic files or hard copies of all CPRs submitted by the Contractor and/or Subcontractors for the Work pursuant to Labor Code sections 1771.4 and 1776 concurrently with the submittal thereof to the Labor Commissioner. The District: (i) shall not be obligated to process or disburse any portion of the Contract Price; or (ii) shall not be deemed in default of the District’s obligations under the Contract Documents unless the Contractor’s demonstrates strict compliance with CPR preparation and submittal requirements.
- 6.5 Limits on Hours/Days of Work.** The Contractor and Subcontractors shall not require or permit any worker to provide more than eight (8) hours of work per day or forty (40) hours of work per week without additional compensation as mandated by law, in accordance with Labor Code section 1813.
- 6.6 Competency and Discipline.** The Contractor shall enforce strict discipline and good order among the Contractor’s employees, the employees of any Subcontractor and all other persons

performing any part of the Work at the Site. Personnel of the Contractor or any Subcontractor shall be subject to removal from the Site for violations of applicable law or District policies. The Contractor shall not permit employment of unfit persons or persons not skilled in tasks assigned to them and shall dismiss from its employ and direct any Subcontractor or Sub-subcontractor to dismiss from their employment any person deemed by the District to be unfit or incompetent to perform Work.

- 6.7 Superintendent.** The Contractor shall employ a Superintendent fluent in verbal and written English who shall be in attendance at the Site at all times during performance of Work at the Site. The Superintendent shall be deemed the Contractor's Representative for the Work; directions, instructions or other communications to or with the Contractor's Superintendent shall be deemed directions, instructions or communications to or with the Contractor.
- 7. Subcontractors.** The Work of each Subcontractor shall be set forth in a written Subcontract agreement incorporating by reference this Contract; Subcontracts shall be made available to the District for review upon request of the District. The Contractor is responsible to the District for the acts, omissions and other conduct of Subcontractors. Each Subcontractor shall maintain Workers' Compensation/Employers Liability Insurance and Commercial General Liability Insurance as required by the Contract for Labor and Materials.
- 8. Project Certification.** If the Work is subject, in whole or in part, to DSA jurisdiction, the Contractor shall completely and timely complete and/or comply with all DSA requirements relating to: (i) observations/inspections of the Work during construction; and (ii) DSA PR 13-01 project inspections, tests and certification process. A material obligation of the Contractor hereunder is completion of all actions or activities required by a contractor for a work of improvement subject to DSA jurisdiction sufficient for DSA to issue a certification that the Work, as constructed, complies with the DSA approved Design Documents.
- 9. Payment of the Contract Price.** The District will make payment of the Contract Price upon completion of the Work, the Contractor's full performance of all other obligations under this Contract Documents and the Contractor's submission of a properly itemized invoice. Upon receipt of the Contractor's invoice, the District Representative will promptly verify that the Work has been completed and that the Contractor has performed all other obligations hereunder. Within thirty (30) days of the District Representative's confirmation of the completion of Work and the Contractor's performance of other obligations hereunder, the District will make payment of the Contract Price. If the Contract Time is a duration of sixty (60) days or more, the Contractor may submit invoices on a monthly basis for the value of Work completed in the prior month, whereupon the District Representative will promptly verify that the Work has been completed as indicated in the Contractor's invoice. Within thirty (30) days of the date of such verification, the District will make payment equal to ninety five percent (95%) of the value of the Work completed. Within sixty (60) days of completion of all Work and all other of the Contractor's obligations hereunder, amounts previously retained from prior invoices will be released to the Contractor. The District may, in its sole discretion, condition payment of the Contract Price, or any portion thereof, upon: (i) the Contractor's preparation of a Schedule of Values for review and acceptance by the District's Representative; (ii) the submittal of executed Waivers and Releases (on Progress Payment or Final Payment, as applicable) for the Contractor and all Subcontractors receiving any portion of the Contract Price; and/or (iii) delivery of Certified Payroll records of the Contractor and Subcontractors. The District may withhold payment of the Contract Price if: (i) there are claims or the probability of claims being submitted by Subcontractor, Material Suppliers or others in connection with the Work; (ii) defective or non-conforming Work which is not remedied; or (iii) there are any uncured Contractor defaults.

10. Insurance. The Contractor and its Subcontractors shall, at all times during the Work, maintain Workers Compensation, Employers Liability, and Commercial General Liability Insurance in the minimum coverage amounts set forth in the Contract. The Contractor’s Commercial General Liability Insurance shall name the District as an Additional Insured. All policies of insurance shall include provisions that the policy of insurance will not be materially modified, cancelled or allowed to expire without at least thirty (30) days advance notice to the District. Prior to commencing the Work, the Contractor shall deliver Certificates of Insurance of itself and its Subcontractors evidencing the required insurance coverages.

11. Indemnification. Unless arising solely out of the active negligence or willful misconduct of the District, the Contractor shall indemnify, defend and hold harmless the District, the District’s Board of Education and all members thereof and the District’s employees, officers, agents and representatives from all claims, demands and liabilities, including, without limitation, attorneys’ fees and costs, which arise out of or are related in any manner to this Contract or the Work. The Contractor’s obligations hereunder include, without limitation: (i) injury to, or death of, persons; (ii) damage to property; (iii) theft or loss of property; (iv) Stop Payment Notice claims; and (v) other losses, damages or costs arising out of, in whole or in part, of the acts, omissions or other conduct of the Contractor or Subcontractors. The Contractor’s obligations hereunder shall survive termination of the Contract and/or completion of the Work, and are incorporated into and made a part of the obligations of the Surety issuing the Performance Bond.

12. Delays and Time Extensions.

12.1 Excusable Delays. If completion of the Work is delayed by Excusable Delays, the Contract Time shall be subject to adjustment for such reasonable period of time as determined by District. Excusable Delays shall not result in any increase in the Contract Price. “Excusable Delays” refer to unforeseeable and unavoidable casualties or other unforeseen causes beyond the control, and without fault or neglect, of the Contractor, any Subcontractor, Material Supplier or other person directly or indirectly engaged by the Contractor in performance of any portion of the Work. Excusable Delays include unanticipated and unavoidable labor disputes, unusual and unanticipated delays in transportation of equipment, materials or Construction Equipment reasonably necessary for completion and proper execution of the Work, and unanticipated unusually severe weather conditions. Neither the financial resources of the Contractor or any person or entity directly or indirectly engaged by the Contractor in performance of any portion of the Work shall be deemed conditions beyond the control of the Contractor. If an event of Excusable Delay occurs, the Contract Time shall be subject to adjustment hereunder only if the Contractor establishes: (i) full compliance with all applicable provisions of the Contract Documents relative to the method, manner and time for Contractor’s notice and request for adjustment of the Contract Time; (ii) that the event(s) forming the basis for Contractor’s request to adjust the Contract Time are outside the reasonable control and without any fault or neglect of the Contractor or any person or entity directly or indirectly engaged by Contractor in performance of any portion of the Work; and (iii) that the event(s) forming the basis for Contractor’s request to adjust the Contract Time directly and adversely impacted the progress of the Work.

12.2 The Contractor may be granted a time extension if the Contractor encounters an unavoidable delay of the work due to causes completely beyond the Contractor’s control and which the Contractor could not have avoided by the exercise of reasonable care, prudence, foresight and diligence. Causes for which a claim for extension of time may be made include: acts of the public enemy, acts of another contractor in the performance of another contract with District, priority of a governmental agency for materials or equipment, fire, flood, violent wind storm, pandemic, epidemic, quarantine restriction, strike, freight embargo, or weather of an unusually severe nature. The Contractor will not be granted time extensions for weather conditions

which are normal for the location of the Project, according to the U. S. Weather Bureau Records.

- 12.3** A request for extension of time and compensation related thereto shall be made in writing to the Architect and District within ten (10) calendar days of the date the delay is encountered, or shall be deemed waived. The request shall include a detailed description of the reasons for the delay and corrective measures by the Contractor. The request shall be accompanied by evidence that the insurance policies required by the Contract shall be in effect during the requested additional period of time. In order for the Architect to consider a request for time extension, the Contractor must prove that the reasons stated for the delay actually caused a delay in portions of the work which will result in completion beyond the date specified in the Contract. The Contractor may also be granted a time extension for a significant change in the scope of work which request for extension of time shall be included in a Contract modification proposal.
- 12.4** No damages or compensation or any kind shall be paid to a Contractor because of delays in the progress of work, whether such delays be avoidable or unavoidable, that are not the responsibility of District. District's liability to Contractor for delays for which District is responsible shall be limited to an extension of time unless such delays were unreasonable under the circumstances involved and were not within the contemplation of the parties when the Contract was awarded. The Contractor shall provide to District the actual, substantiated costs to Contractor for which the Contractor may claim damages from District. Such costs, if any, shall be directly related to the Project, and shall not include costs that would be borne by the Contractor in the regular course of business, including, but not limited to, home office overhead and ongoing insurance costs. Delay damages shall not include Contractor or Subcontractor markup for overhead and profit, but only actual, documented, and direct actual costs. District shall not be liable for any damages which the Contractor could have avoided by any reasonable means including, but not limited to, the more judicious handling of forces or equipment.
- 12.5** The granting of an extension of time because of unavoidable delays shall in no way operate as a waiver on the part of District of the right to collect liquidated damages for other delays or of any other rights to which District is entitled.
- 13. District Right to Terminate.** The Contractor's failure to comply with any term or condition of the Contract Documents shall constitute default of the Contractor; in such event, the District may terminate the Contract upon seven (7) days written notice to the Contractor. Unless the Contractor shall have commenced, and diligently thereafter prosecute to completion, all required actions to cure such default(s), this Contract shall be deemed terminated without further action of the District; such termination shall be effective the seventh (7th) day after the date of the District's written notice. If the District terminates the Contract for default of the Contractor, the Contractor and the Performance Bond Surety shall be liable to the District for all losses, costs and damages arising out of the Contractor's default and costs to complete the Work which exceeds the remaining Contract Price at the time of termination. In addition to the preceding, the District may terminate this Contract, in whole or in part, at any time for the convenience of the District by written notice to the Contractor, in which case, the payment of the Contract Price shall be limited to the value of the Work in place or in progress at the time of the termination for the District's convenience; no payment shall be made or due from the District for the unperformed portion of the Work.
- 14. Warranty.** The Contractor warrants to the District that: (i) all materials and equipment furnished under the Contract Documents are new, of good quality and of the most suitable grade and quality for the purpose intended, unless otherwise specified in the Contract Documents; and (ii) all Work and workmanship is of good quality, free from faults and defects and in conformity with the requirements of the Contract Documents. If within one (1) year, or such other period set forth in the Contract

Documents, any of the Work or workmanship is found defective or not in compliance with the Contract Documents, the Contractor shall upon the District's demand, promptly take all measures necessary to correct, repair or replace such Work or workmanship. If the Contractor fails to do so, the District may take necessary action to correct, replace or replace such Work or workmanship at the cost and expense of the Contractor.

- 15. Tests/Inspections of the Work.** The Work shall be subject to tests/inspections as required by the Contract Documents. The Contractor shall be liable for all costs, fees or expenses of tests/inspections which result from the Work not being ready for tests/inspections or the failure of the Work to comply with the applicable test/inspection standards. If the Work is subject to the jurisdiction of the Division of State Architect ("DSA"), all of the Work shall be subject to inspection/observation by the Project Inspector retained by the District under DSA regulations. If DSA or the Project Inspector deem any portion of the Work to not be in compliance with requirements of the Contract Documents, a material obligation of the Contractor is its prompt and complete repair, replacement or correction of such portion(s) of the Project so they comply with requirements of the Contract Documents. The Project Inspector shall have access at all times to the Work, whether in place or in progress; the Contractor shall provide such access without adjustment of the Contract Price or the Contract Time.

16. Miscellaneous.

- 16.1 Governing Law; Interpretation.** This Contract shall be governed by the laws of the State of California. This Contract shall be interpreted as a whole and not in favor of the District or the Contractor.

16.2 Disputes.

- 16.2.1 Disputes; Continuation of Work.** Notwithstanding any claim, dispute or other disagreement between the District and the Contractor regarding performance under the Contract Documents, the scope of Work thereunder, or any other matter arising out of or related to, in any manner, the Contract Documents or the Work, the Contractor shall proceed diligently with performance of the Work in accordance with the District's written direction, pending any final determination or decision regarding any such claim, dispute or disagreement.

- 16.2.2 Public Contract Code § 9204 Claims Resolution Procedures.** Claims of the Contractor are subject to the non-binding dispute resolution procedures set forth in Public Contract Code section 9204 ("Section 9204") provided, however, that the Contractor's initiation of Section 9204 procedures is expressly subject to the Contractor's prior full and timely compliance with requirements and procedures of the Contract Documents relating to procedures for resolution of claims, change orders, disputes and other matters in controversy under the Contract Documents.

- 16.2.2.1 Claim Defined.** The term "Claim" shall be as defined in Section 9204.

- 16.2.2.2 Claim Documentation.** The Contractor shall furnish reasonable documentation to support each Claim. "Reasonable documentation" includes, without limitation: (i) contractual and legal basis establishing Claim entitlement or merit; (ii) factual basis establishing District liability for the Claim; (iii) detailed breakdown of labor, materials, equipment and other costs included in the Claim; and (iv) detailed basis, including Construction Schedule analysis and fragnets supporting any Contract Time adjustment or Liquidated Damages relief included in the scope of a Claim.

- 16.2.2.3 District Claim Review Statement.** Within forty-five (45) days (or such other time mutually agreed to by the District and the Contractor) after

receipt of a properly submitted and properly documented Claim, the District will conduct a reasonable review of the Claim and provide the Contractor with a written statement identifying the disputed and undisputed portions of the Claim (“Claim Review Statement”). If the District does not provide the Contractor with the Claim Review Statement for any Claim within forty-five (45) days (or other time mutually agreed to by the District and the Contractor) after receipt of a properly submitted and properly documented Claim, the Claim is deemed rejected in its entirety and thereupon, the Contractor may initiate the Meet and Confer process described below. A Claim deemed rejected pursuant to the foregoing does not constitute an adverse finding of Claim merit or the Contractor’s responsibility or qualifications. If the Claim Review Statement identifies any undisputed portion of a Claim (“Undisputed Claim”) and payment is due from the District on the Undisputed Claim, the District shall process and make payment on the Undisputed Claim within sixty (60) days after the issuance date of the Claim Review Statement.

16.2.3 Meet and Confer.

16.2.3.1 Meet and Confer Demand. If the Contractor disputes any portion of the Claim Review Statement, or if a Claim is deemed rejected by the District not providing the Contractor with the Claim Review Statement within the time permitted under section 9204, the Contractor may demand an informal conference to meet and confer with the District for settlement of the issues in dispute (“Meet and Confer”). The Contractor’s Meet and Confer request must be submitted to the District: (i) in writing; (ii) by registered mail or certified mail, return receipt requested; and (iii) within ten (10) days after the Claim Review Statement is submitted to the Contractor or within ten (10) days after the date the Claim is deemed rejected, as applicable. Failure of the Contractor to strictly comply with the foregoing is deemed a waiver of the Contractor’s right to request the Meet and Confer and the Non-Binding Mediation procedures under Section 9204. If the Contractor strictly complies with the foregoing, the District will schedule the Meet and Confer conference within thirty (30) days of the Contractor’s Meet and Confer request for settlement of disputed portions of the Claim Review Statement.

16.2.3.2 Meet and Confer Statement. Within ten (10) business days after conclusion of the Meet and Confer conference, if any portion of a Claim remains disputed, the District shall provide the Contractor a written statement identifying the disputed and undisputed portions of the Claim (“Meet and Confer Statement”). If the Meet and Confer Statement identifies any Undisputed Claim and payment is due from the District on the Undisputed Claim, the District shall process and make payment on the Undisputed Claim within sixty (60) days after date the Meet and Confer Statement is issued.

16.3 Dispute Resolution. The Parties desire to quickly and cost-effectively resolve any disputes related to the interpretation or enforcement of this Agreement. Therefore, each Party shall make best efforts to resolve informally any such disputes.

16.3.1 Contractor Continuation of Services. Except in the event of the District’s failure to make an undisputed payment of the fees owed to the Contractor, notwithstanding any disputes between District and the Contractor

hereunder, the Contractor shall continue to provide and perform Services pending a subsequent resolution of such disputes.

16.3.2 *Mandatory Mediation.* All claims, disputes and other matters in controversy between the Inspection Firm and the District arising out of or pertaining to this Agreement shall be submitted for resolution by non-binding mediation. The Parties shall jointly select a mediator within thirty (30) days of a request of mediation by a Party, and complete mediation as soon thereafter as practically possible but in no event later than ninety (90) days after the original request for mediation, unless otherwise agreed to by the Parties.

16.3.3 *Government Claim Requirements.* The Contractor shall comply with all claims presentation requirements as provided in Chapter 1 (commencing with section 900) and Chapter 2 (commencing with section 910) of Part 3 of Division 3.6 of Title 1 of Government Code as a condition precedent to the Contractor's right to bring a civil action against the District

16.3.4 *Arbitration.* In the event that mediation is unsuccessful, to the extent applicable law does not otherwise provide, any dispute, claim or controversy between or among the District and Inspection Firm arising out of or in any way relating to this Agreement shall be determined by confidential, binding arbitration in the county in which the District's administrative offices are located before a neutral arbitrator. The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures in force at the time the arbitration is commenced. The arbitrator shall decide any issue of the breach, termination, enforcement, interpretation or validity of this entire agreement, including the determination of the scope or applicability of the agreement to arbitrate. The Parties adopt and agree to implement the JAMS Optional Arbitration Appeal Procedure (as it exists on the date of this Agreement) with respect to any final arbitration award pursuant to this Agreement. Any court proceedings related to the arbitration shall take place in the state court (or federal court, if jurisdiction exists) in the county in which the District's administrative offices is located. This clause shall not preclude Parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction.

By agreeing to this binding arbitration provision, the Parties understand that they are waiving certain important rights and protections that otherwise may have been available if a dispute were determined by a judicial action including, without limitation, the extent of available discovery, the right to a jury trial, the recovery of attorney fees and certain rights of appeal.

This agreement and the rights of the Parties hereunder shall be governed by and construed in accordance with the laws of California, exclusive of conflict or choice of law rules.

If this Agreement is related to a larger project for which there is more than one contract involved, and if more than one contractual dispute arises related to that project, then the District then may, at its option, consolidate arbitration proceedings arising from the Project into a single arbitration proceeding.

- 16.3.5 Attorney's Fees.** To the extent either Party must seek enforcement or interpretation of this Agreement or otherwise defend against a claim arising from this Agreement, *each* Party shall bear their own fees and costs, including, but not limited to, mediation fees, arbitration fees, attorneys' fees and collection expenses, regardless of whether legal proceedings are or have been commenced to enforce said terms.
- 16.3.6 Payments of Undisputed Claims.** If a payment due from the District for Undisputed Claims identified in the Claim Review Statement or the Meet and Confer Statement issued for a Claim is not made within the time established under Section 9204 the overdue portion of such payment shall bear interest at the rate of seven percent (7%) per annum from the date due. The District's credit application of any amount due for an Undisputed Claim against amounts due from the Contractor under the Contract Documents shall be deemed payment of the Undisputed Claim.
- 16.3.7 Subcontractor Claims.**
- 16.3.7.1 Subcontractor Claim Submittal.** If a Subcontractor, of any tier (collectively "Subcontractor") lacks legal standing to assert a Claim against the District because privity of contract does not exist, the Contractor may present the District a Claim on behalf of the Subcontractor ("Subcontractor Claim"). Each Subcontractor requesting submittal of a Subcontractor Claim to the District shall furnish reasonable documentation to support the Subcontractor Claim. Within forty-five (45) days of receipt of a Subcontractor's written request to submit a Subcontractor Claim, the Contractor shall notify the Subcontractor in writing as to whether the Contractor presented the Subcontractor Claim to the District. If the Contractor did not present the Subcontractor Claim, the Contractor shall provide the Subcontractor with a statement of the reasons for not having done so.
- 16.3.7.2 Contractor Certification of Subcontractor Claim.** The District's review of Subcontractor Claims is expressly subject to the Contractor's submittal of a duly completed and executed form of Contractor Certification of Subcontractor Claim certifying that the Contractor has thoroughly reviewed the Subcontractor Claim and based on the Contractor's review, certify that: (i) the Subcontractor Claim is made by the Subcontractor in good faith; (ii) the Subcontractor Claim is supported by reasonable documentation establishing entitlement to the relief requested and District liability therefor; and (iii) the Subcontractor Claim does not incorporate any request constituting a False Claim under applicable law, including the California False Claim Act (Government Code § 12650 *et seq.*). The form of Contractor Certification of Subcontractor Claim is included in the Contract Documents.
- 16.3.7.3 District Review of Subcontractor Claim.** Subcontractor Claims presented by the Contractor to the District are subject to the Section 9204 non-binding dispute resolution procedures set forth above, as modified herein. Requests for the District to conduct Meet and Confer and/or non-binding mediation procedures must be submitted jointly by the Contractor and the

Subcontractor submitting the Subcontractor Claim. If Mediation proceedings are initiated in connection with a Subcontractor Claim, mediator and mediation administration fees and costs shall be borne equally by the District, Contractor and Subcontractor.

16.3.7.4 **Disputed Subcontractor Claims.** Subcontractor Claims which are not fully resolved by the Section 9204 non-binding dispute resolution procedures shall be resolved by Section 20104.4 Dispute Resolution Procedures.

16.3.8 **Contractor Compliance with Government Code.** Pursuant to Government Code Section 930.6, any and all claims, demands, disputes, disagreements or other matters in controversy between the Contractor and the District for money or damages, shall be deemed a “suit for money or damages” and shall be subject to the provisions of Government Code Sections 945.4, 945.6 and 946. Notwithstanding the dispute resolution and arbitration provisions set forth in this Article herein, all claims, demands, disputes, disagreements or other matters in controversy between the Contractor and the District seeking money or damages in any sum shall first be presented to the District’s Board of Education and acted upon or deemed rejected as a condition precedent to suit in accordance with California Government Code section 900 *et seq.*

16.4 **Waiver of Consequential Special Damages.** Notwithstanding any right conferred by law or arising by operation of law, by executing the Contract, the Contractor expressly waives and relinquishes any and all right or entitlement to assert or recover any damages, losses or liabilities from the District which are in the nature of special or consequential damages, losses or liabilities arising out of or related in any manner to the District’s breach or default of its obligations under the Contract Documents.

16.5 **Notices.** Except as otherwise expressly provided for in the Contract Documents, all notices which the District or the Contractor may be required, or may desire, to serve on the other, shall be effective only if delivered by personal delivery or by postage prepaid, First Class Certified Return Receipt Requested United States Mail, addressed to the District or the Contractor at their respective address set forth in the Contract Documents, or such other address(es) as either the District or the Contractor may designate from time to time by written notice to the other in conformity with the provisions hereof. In the event of personal delivery, such notices shall be deemed effective upon delivery, provided that such personal delivery requires a signed receipt by the recipient acknowledging delivery of the same. In the event of mailed notices, such notice shall be deemed effective on the third working day after deposit in the mail.

16.6 **Force Majeure.** Neither party will be liable to the other for unanticipated delays or failures in performance resulting from causes beyond the reasonable control of that party, including but not limited to, acts of God, labor disputes or disturbances, material shortages or rationing, riots, acts of war, governmental regulations, communications or utility failures, casualties, pandemics, epidemics, or quarantines; provided that the delayed party: (i) gives the other party prompt written notice of such cause, (ii) uses its reasonable efforts to correct such failure or delay in its performance, and (iii) resumes performance as soon as reasonably practicable. Any and all delays resulting from a force majeure event, as specified herein, will only be classified as excusable, non-compensable delays.

16.7 **Successors.** This Contract shall be binding upon and inure to the benefit of the respective successors-in-interest of the District and the Contractor. The foregoing notwithstanding, the Contractor shall not assign this Contract, any right or obligation hereunder or any portion thereof.

- 16.8 **Permits; Approvals.** Unless otherwise expressly provided in the Contract Documents, the Contractor shall obtain and pay for all fees, permits or approvals necessary to complete the Work.
- 16.9 **Non-Discrimination.** The Contractor and its Subcontractors shall not discriminate against any active or prospective employee based upon race, color, ancestry, national origin, religion, sex, age, sexual preference or marital status. The Contractor and its Subcontractors shall comply with all applicable laws, ordinances, rules and regulations prohibiting workplace discrimination and/or discriminatory employment practices.
- 16.10 **Days.** Unless otherwise stated in the Contract Documents, all references to “days” shall be deemed references to calendar days.
- 16.11 **Severability.** If any term, condition or provision of this Contract is deemed invalid, illegal or unenforceable by a Court of competent jurisdiction, such term, condition or provision shall be deemed severed herefrom, but all other terms, conditions and provisions hereof shall remain unaffected and in full force and effect.
- 16.12 **Entire Agreement.** This Contract and the Contract Documents constitute the entire agreement and understanding of the District and the Contractor concerning the subject matter hereof.

HAZARDOUS MATERIALS PROCEDURES & REQUIREMENTS

1. Summary

This document includes information applicable to hazardous materials and hazardous waste abatement.

2. Notice of Hazardous Waste or Materials

a. Contractor shall give notice in writing to the District, the Construction Manager, and the Architect promptly, before any of the following materials are disturbed, and in no event later than twenty-four (24) hours after first observance, of any:

1) Material that Contractor believes may be a material that is hazardous waste or hazardous material, as defined in section 25117 of the Health and Safety Code, that is required to be removed to a Class I, Class II, or Class III disposal site in accordance with provisions of existing law;

2) Other material that may present a substantial danger to persons or property exposed thereto in connection with Work at the site.

b. Contractor's written notice shall indicate whether the hazardous waste or material was shown or indicated in the Contract Documents to be within the scope of Work, and whether the materials were brought to the site by Contractor, its Subcontractors, suppliers, or anyone else for whom Contractor is responsible. As used in this section the term "hazardous materials" shall include, without limitation, asbestos, lead, Polychlorinated biphenyl (PCB), petroleum and related hydrocarbons, and radioactive material.

c. In response to Contractor's written notice, the District shall investigate the identified conditions.

d. If the District determines that conditions do not involve hazardous materials or that no change in terms of Contract is justified, the District shall so notify Contractor in writing, stating reasons. If the District and Contractor cannot agree on whether conditions justify an adjustment in Contract Price or Contract Time, or on the extent of any adjustment, Contractor shall proceed with the Work as directed by the District.

e. If after receipt of notice from the District, Contractor does not agree to resume Work based on a reasonable belief it is unsafe, or does not agree to resume Work under special conditions, then District may order such portion of Work that is in connection with such hazardous condition or such affected area to be deleted from the Work, or performed by others, or District may invoke its rights to terminate the Contract in whole or in part. District will determine entitlement to or the amount or extent of an adjustment, if any, in Contract Price or Contract Time as a result of deleting such portion of Work, or performing the Work by others.

f. If Contractor stops Work in connection with any hazardous condition and in any area affected thereby, Contractor shall immediately redeploy its workers, equipment, and materials, as necessary, to other portions of the Work to minimize delay and disruption.

3. Additional Warranties and Representations

a. Contractor represents and warrants that it, its employees, and its subcontractors and their employees, shall at all times have the required levels of familiarity with the Site and the Work, training, and ability to comply fully with all applicable laws and contractual requirements for safe and expeditious performance of the Work, including whatever training is or may be required regarding the activities to be performed (including, but not limited to, all training required to address adequately the actual or potential dangers of Contract performance).

b. Contractor represents and warrants that it, its employees, and its subcontractors and their employees, shall at all times have and maintain in good standing any and all certifications and licenses required by applicable federal, state, and other governmental and quasi-governmental requirements applicable to the Work.

c. Contractor represents and warrants that it has studied carefully all requirements of the Specifications regarding procedures for demolition, hazardous waste abatement, or safety practices, specified in the Contract, and prior to submitting its Project proposal, has either (a) verified to its satisfaction that the specified procedures are adequate and sufficient to achieve the results intended by the Contract Documents, or (b) by way of approved "or equal" request or request for clarification and written Addenda, secured changes to the specified procedures sufficient to achieve the results intended by the Contract Documents. Contractor accepts the risk that any specified procedure will result in a completed Project in full compliance with the Contract Documents.

4. Monitoring and Testing

a. District reserves the right, in its sole discretion, to conduct air monitoring, earth monitoring, Work monitoring, and any other tests (in addition to testing required under the agreement or applicable law), to monitor Contract requirements of safe and statutorily compliant work methods and (where applicable) safe re-entry level air standards under state and federal law upon completion of the job, and compliance of the work with periodic and final inspection by public and quasi-public entities having jurisdiction.

b. Contractor acknowledges that District has the right to perform, or cause to be performed, various activities and tests including, but not limited to, pre-abatement, during abatement, and post-abatement air monitoring, that District shall have no obligation to perform said activities and tests, and that a portion of said activities and tests may take place prior to the completion of the Work by Contractor. In the event District elects to perform these activities and tests, Contractor shall afford District ample access to the Site and all areas of the Work as may be necessary for the performance of these activities and tests. Contractor will include the potential impact of these activities or tests by District in the Contract Price and the Scheduled Completion Date.

c. Notwithstanding District's rights granted by this paragraph, Contractor may retain its own industrial hygiene consultant at Contractor's own expense and may collect samples and may perform tests including, but not limited to, pre-abatement, during abatement, and post-abatement personal air monitoring, and District reserves the right to request documentation of all such activities and tests performed by Contractor relating to the Work and Contractor shall immediately provide that documentation upon request.

5. Compliance with Laws

a. Contractor shall perform safe, expeditious, and orderly work in accordance with the best practices and the highest standards in the hazardous waste abatement, removal, and disposal industry, the applicable law, and the Contract Documents, including, but not limited to, all responsibilities relating to the preparation and return of waste shipment records, all requirements of the law, delivering of all requisite notices, and obtaining all necessary governmental and quasi-governmental approvals.

b. Contractor represents that it is familiar with and shall comply with all laws applicable to the Work or completed Work including, but not limited to, all federal, state, and local laws, statutes, standards, rules, regulations, and ordinances applicable to the Work relating to:

- (1) The protection of the public health, welfare and environment;
- (2) Storage, handling, or use of asbestos, PCB, lead, petroleum based products, radioactive material, or other hazardous materials;

6. Disposal

a. Contractor has the sole responsibility for determining current waste storage, handling, transportation, and disposal regulations for the job Site and for each waste disposal facility. Contractor must comply fully at its sole cost and expense with these regulations and any applicable law. District may, but is not obligated to, require submittals with this information for it to review consistent with the Contract Documents.

b. Contractor shall develop and implement a system acceptable to District to track hazardous waste from the Site to disposal, including appropriate "Hazardous Waste Manifests" on the EPA form, so that District may track the volume of waste it put in each landfill and receive from each landfill a certificate of receipt.

c. Contractor shall provide District with the name and address of each waste disposal facility prior to any disposal, and District shall have the express right to reject any proposed disposal facility. Contractor shall not use any disposal facility to which District has objected. Contractor shall document actual disposal or destruction of waste at a designated facility by completing a disposal certificate or certificate of destruction forwarding the original to the District.

7. Permits

a. Before performing any of the Work, and at such other times as may be required by applicable law, Contractor shall deliver all requisite notices and obtain the approval of all governmental and quasi-governmental authorities having jurisdiction over the Work. Contractor shall submit evidence satisfactory to District that it and any disposal facility:

- 1) have obtained all required permits, approvals, and the like in a timely manner both prior to commencement of the Work and thereafter as and when required by applicable law; and
- 2) are in compliance with all such permits, approvals and the regulations.

For example, before commencing any work in connection with the Work involving asbestos-containing materials, or PCBs, or other hazardous materials subject to regulation, Contractor agrees to provide the required notice of intent to renovate or demolish to the appropriate state or federal agency having jurisdiction, by certified mail, return receipt requested, or by some other method of transmittal for which a return receipt is obtained, and to send a copy of that notice to District. Contractor shall not conduct any Work involving asbestos-containing materials or PCBs unless Contractor has first confirmed that the appropriate agency having jurisdiction is in receipt of the required notification. All permits, licenses, and bonds that are required by governmental or quasi-governmental authorities, and all fees, deposits, tap fees, offsite easements, and asbestos and PCB disposal facilities expenses necessary for the prosecution of the Work, shall be procured and paid for by Contractor. Contractor shall give all notices and comply with the all applicable laws bearing on the conduct of the Work as drawn and specified. If Contractor observes or reasonably should have observed that Plans and Specifications and other Contract Documents are at variance therewith, it shall be responsible for promptly notifying District in writing of such fact. If Contractor performs any Work contrary to applicable laws, it shall bear all costs arising therefrom.

- b. In the case of any permits or notices held in District's name or of necessity to be made in District's name, District shall cooperate with Contractor in securing the permit or giving the notice, but the Contractor shall prepare for District review and execution upon approval, all necessary applications, notices, and other materials.

8. Indemnification

To the fullest extent permitted by law, the indemnities and limitations of liability expressed throughout the Contract Documents apply with equal force and effect to any claims or liabilities imposed or existing by virtue of the removal, abatement, and disposal of hazardous waste. This includes, but is not limited to, liabilities connected to the selection and use of a waste disposal facility, a waste transporter, personal injury, property damage, loss of use of property, damage to the environment or natural resources, or "disposal" and "release" of materials associated with the Work (as defined in 42 U.S.C. § 9601 et seq.).

9. Termination

District shall have an absolute right to terminate for default immediately without notice and without an opportunity to cure should Contractor knowingly or recklessly commit a material breach of the terms of the Contract Documents, or any applicable law, on any matter involving the exposure of persons or property to hazardous waste. However, if the breach of contract exposing persons or property to hazardous waste is due solely to an ordinary, unintentional, and non-reckless failure to exercise reasonable care, then the procedures for termination for cause shall apply without modification.

LEAD-BASED MATERIALS CERTIFICATION

PROJECT: **Piner High School Gym Bleacher Railing Replacement** between Santa Rosa High School District (“District”) and American Eagle Enterprises (“Contractor”) (“Contract” or “Project”).

This certification provides notice to the Contractor that:

- 1) Contractor’s work may disturb lead-containing building materials.
- 2) Contractor shall notify the District if any work may result in the disturbance of lead-containing building materials.
- 3) Contractor shall comply with the Renovation, Repair and Painting Rule, if lead-based paint is disturbed in a six-square-foot or greater area indoors or a 20-square-foot or greater area outdoors.

1. Lead as a Health Hazard

Lead poisoning is recognized as a serious environmental health hazard facing children today. Even at low levels of exposure, much lower than previously believed, lead can impair the development of a child’s central nervous system, causing learning disabilities, and leading to serious behavioral problems. Lead enters the environment as tiny lead particles and lead dust disburse when paint chips, chalks, peels, wears away over time, or is otherwise disturbed. Ingestion of lead dust is the most common pathway of childhood poisoning; lead dust gets on a child’s hands and toys and then into a child’s mouth through common hand-to-mouth activity. Exposures may result from construction or remodeling activities that disturb lead paint, from ordinary wear and tear of windows and doors, or from friction on other surfaces.

Ordinary construction and renovation or repainting activities carried out without lead-safe work practices can disturb lead-based paint and create significant hazards. Improper removal practices, such as dry scraping, sanding, or water blasting painted surfaces, are likely to generate high volumes of lead dust.

Because the Contractor and its employees will be providing services for the District, and because the Contractor’s work may disturb lead-containing building materials, CONTRACTOR IS HEREBY NOTIFIED of the potential presence of lead-containing materials located within certain buildings utilized by the District. All school buildings built prior to 1978 are presumed to contain some lead-based paint until sampling proves otherwise.

2. Overview of California Law

Education Code section 32240 et seq. is known as the Lead-Safe Schools Protection Act. Under this act, the Department of Health Services is to conduct a sample survey of schools in the State of California for the purpose of developing risk factors to predict lead contamination in public schools. (Ed. Code, § 32241.)

Any school that undertakes any action to abate existing risk factors for lead is required to utilize trained and state-certified contractors, inspectors, and workers. (Ed. Code, § 32243, subd. (b).) Moreover, lead-based paint, lead plumbing, and solders, or other potential sources of lead contamination, shall not be utilized in the construction of any new school facility or the modernization or renovation of any existing school facility. (Ed. Code, § 32244.)

Both the Federal Occupational Safety and Health Administration (“Fed/OSHA”) and the California Division of Occupational Safety and Health (“Cal/OSHA”) have implemented safety orders applicable to all construction work where a contractor’s employee may be occupationally exposed to lead.

The OSHA Regulations apply to all construction work where a contractor’s employee may be occupationally exposed to lead. The OSHA Regulations contain specific and detailed requirements imposed on contractors subject to those regulations. The OSHA Regulations define construction work as work for construction, alteration, and/or repair, including painting and decorating. Regulated work includes, but is not limited to, the following:

- a. Demolition or salvage of structures where lead or materials containing lead are present;
- b. Removal or encapsulation of materials containing lead;
- c. New construction, alteration, repair, or renovation of structures, substrates, or portions thereof, that contain lead, or materials containing lead;
- d. Installation of products containing lead;
- f. Lead contamination/emergency cleanup;
- g. Transportation, disposal, storage, or containment of lead or materials containing lead on the site or location at which construction activities are performed; and
- h. Maintenance operations associated with the construction activities described in the subsection.

Because it is assumed by the District that all painted surfaces (interior as well as exterior) within the District contain some level of lead, it is imperative that the Contractor, its workers and subcontractors fully and adequately comply with all applicable laws, rules and regulations governing lead-based materials (including title 8, California Code of Regulations, section 1532.1).

Contractor shall notify the District if any Work may result in the disturbance of lead-containing building materials. Any and all Work that may result in the disturbance of lead-containing building materials shall be coordinated through the District. A signed copy of this Certification shall be on file prior to beginning Work on the Project, along with all current insurance certificates.

3. Renovation, Repair and Painting Rule, Section 402(c)(3) of the Toxic Substances Control Act

The EPA requires lead safe work practices to reduce exposure to lead hazards created by renovation, repair and painting activities that disturb lead-based paint. Pursuant to the Renovation, Repair and Painting Rule (RRP), renovations in homes, childcare facilities, and schools built prior to 1978 must be conducted by certified renovations firms, using renovators with training by a EPA-accredited training provider, and fully and adequately complying with all applicable laws, rules and regulations governing lead-based materials, including those rules and regulations appearing within title 40 of the Code of Federal Regulations as part 745 (40 CFR 745).

The RRP requirements apply to all contractors who disturb lead-based paint in a six-square-foot or greater area indoors or a 20-square-foot or greater area outdoors. If a DPH-certified inspector or risk assessor determines that a home constructed before 1978 is lead-free, the federal certification is not required for anyone working on that particular building.

4. Contractor’s Liability

Contractor shall comply with all applicable laws, rules, and regulations governing work with, and disposal, of lead. If the Contractor fails to comply with any applicable laws, rules, or regulations, and that failure results in a site or worker contamination, the Contractor will be held solely responsible for all costs involved in any required corrective actions, and shall defend, indemnify, and hold harmless the District, pursuant to the indemnification provisions of the Contract, for all damages and other claims arising therefrom.

If lead disturbance is anticipated in the Work, only persons with appropriate accreditation, registrations, licenses, and training shall conduct this Work.

It shall be the responsibility of the Contractor to properly dispose of any and all waste products, including, but not limited to, paint chips, any collected residue, or any other visual material that may occur from the prepping of any painted surface. It will be the responsibility of the Contractor to provide the proper disposal of any hazardous waste by a certified hazardous waste hauler. This company shall be registered with the Department of Transportation (DOT) and shall be able to issue a current manifest number upon transporting any hazardous material from any school site within the District.

The Contractor shall provide the District with any sample results prior to beginning Work, during the Work, and after the completion of the Work. The District may request to examine, prior to the commencement of the Work, the lead training records of each employee of the Contractor.

THE UNDERSIGNED WARRANTS THAT HE/SHE HAS THE AUTHORITY TO SIGN ON BEHALF OF AND BIND THE CONTRACTOR. THE DISTRICT MAY REQUIRE PROOF OF SUCH AUTHORITY.
