

2025 California School Dashboard and Student Performance Data

San José Unified School District

Board of Education

December 11, 2025

Student Performance Data Review

- Context of Data
- CA Dashboard and Dataquest
- 2024-2025 Performance Data
- Next Steps

Context of State Dashboard Data

- Rooted in national accountability movement from early 2000's
- Influenced by numerous factors
- Provides a baseline
- Highlight opportunity gaps

Context of State Dashboard Data

- Combine dashboard with local data to identify opportunity gaps
- Local data: benchmarks, progress reports, student work, and teacher feedback.

Our Approach to Data

- Focus on formative, continually reflect
- Identify focus areas and subgroups for support

California Dashboard Measures

State Indicators

- ELA Performance
- Math Performance
- English Learner Progress
- Chronic Absenteeism
- Graduation Rate
- Suspension Rate
- College and Career Readiness
- Science

Local Indicators

- Implementation of Academic Standards
- Access to Broad Course of Study
- Teachers, Materials, Facilities
- Parent and Family Engagement
- Implementation of Local Climate Survey

- Annual report of school performance using eight state indicators.
- Uses “***Distance from Standard***” as measure for academic indicators.
- Displays data in color coded ‘speedometer’ for each indicator.

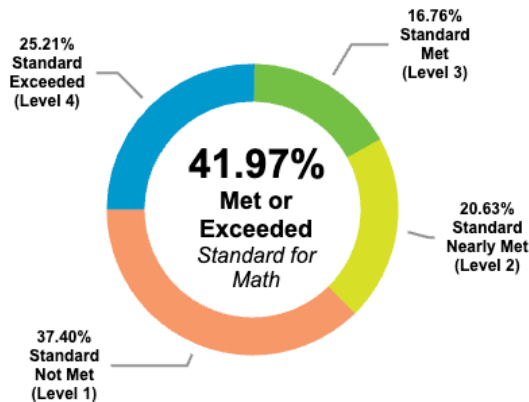

- Annual reports and spreadsheets for several dozen performance and demographic metrics.
- Uses “***Proficiency Rates***” as measure for academic indicators.
- More detailed and nuanced data, available in spreadsheet format.

Grade Level Proficiency

ELA

Math

- Increased Math scores at 16 schools, particularly at the elementary level.
- Increased ELA scores at 22 schools
- English Learner progress scores up across 23 schools
- College and Career Readiness indicators increased at 5 high schools

ELA Subgroup Performance SY24-25

- 8 subgroups increased at least 1 color band
- No subgroups decreased
- No subgroups in Red

Math Subgroup Performance SY24-25

- 3 subgroups increased at least 1 color band
- 1 subgroup decreased

National Exam Performance Spring 2025

The SAT School Day Exam was taken by 1600 juniors with ERW scores increasing by 6 points and Math scores increasing by 7 points – beating both state and national averages.

Over 2500 students took 5735 AP/IB exams in science, languages, computer programming, social studies, art, music, math and English.

Over 78% achieved high scores to earn college course credit.

Our Response to Data

- Identify focus and support areas
- Align action plans to strategic goals
- Tailor staffing, training, and resources
