Description of Services			Consideration		Evaluation and Metrics			
Westminster Woods is a local environmental agency that offers a variety of environmental and outdoor education programs. SLES sixth graders will participate in team building, environmental education, and character development programming. The high ropes course will not be included in the trip activities.			This environmental learning provides critical team building, sense of community and individual growth for these students. Students strengthen observational skills while conducting investigations on this all day redwood adventure. Students may focus on topics such as food chains, biodiversity, or redwood anatomy while exploring plant and animal communities.		Student survey post camp and noted increase in participation.
