To Whom It May Concern:

The Livsey School Parent Teacher Organization has donated \$21,480.00 toward the purchase and installation of an outdoor double-sided message sign with full color (marquee). We are fortunate to have this generous group of parents who have raised funds for this purpose to enhance the communication for our students, parents, and community.

We are looking forward to having this equipment installed and enjoying the results soon. Please feel free to reach out to me if you have any future questions about this project.

Sincerely,

A handwritten signature in cursive script that reads 'Shawna L. Pickett'.
