Language Solutions Made Simple

Experts at interpretation and translation since 1998

Translation Station provides language services in almost 200 languages and prides itself on breaking down language barriers. Our services include spoken interpretation (on-site, video remote and over-the-phone; consecutive and simultaneous) and document translation.

We are one of the oldest and largest language service providers in Atlanta, serving industries such as health care (health insurance companies, hospitals and other medical providers), legal (court systems and law firms), and education (public school systems and universities). Our success is directly related to the quality of our linguists and our belief in good old-fashioned customer service.

Professional. Reliable. Your partner for languages services.

“Translation Station has been a valued partner for more than 5 years, delivering reliable, responsive and professional language translation services that assist our company in providing quality, cost-effective health care solutions.”
