## SCOPE OF WORK

This quote is to provide monitoring for your fire alarm systems. Cliff's Fire Extinguisher Company proposes setting up monitoring of your fire alarm systems to satisfy current code requirements. Monitoring accounts are charged monthly and billed annually in advance. Access to view accounts and put systems on test can be provided as an add on for the price listed per user.

| QTY    | Type                                                                   | Notes                                                                                     | Sales                                | Ext Sales  |
