

CHRONOLOGY OF THE AGENDA ITEM

The use of the cooperative agreements in addition to DCSD Bid 19-163 will enlarge the vendor pool to assist in handling the large demand for musical instruments without cutting out local/smaller vendors.

In addition, utilizing the cooperative agreements to purchase musical instruments ensure that we will have quality suppliers and quality products as the vendors have already been vetted.

This request is to purchase musical instruments utilizing the buying power of TIPS Cooperative Agreement through May 31, 2023 and Purchasing Cooperative of America through June 18, 2023.
