

## **CHRONOLOGY OF THE AGENDA ITEM**

After the May 24, 2016, approval of the 2017-2022 E-SPLOST V referendum by DeKalb voters, the Board approved an E-SPLOST V list of projects on December 5, 2016, for \$561 million to include various capital renewal, renovations, and classroom addition projects throughout the District.

On September 13, 2021, the Board approved the award of RFQu No. 21-752-038 for Professional Architectural and Engineering Services for Allgood Elementary School, Brockett Elementary School, Evansdale Elementary School, Kittredge Magnet School, Margaret Harris Comprehensive School, Stone Mill Elementary School, and Stone Mountain Elementary School for Group B Fire Sprinkler Installation to **Cooper Carry, Inc.**

The additional scope of work was recommended by the project's design professionals and/or requested by DCSD Facilities. The requested amendment to the architectural services contract for this project would cover the expected costs of both the additional scope of work as well as cost escalation associated with the original scope of work for this project.
