Original Adopted Date: 12/14/2023 | Last Revised Date: 12/11/2025 | Last Reviewed Date: 12/11/2025

### Responding to Requests for Information-Related Information or Documents

Upon receiving any verbal or written request for information or documents related to a student's or family's immigration or citizenship status, district staff shall:

1. Record or otherwise document the request and notify the Superintendent or designee about the request
2. Provide student's parent/guardian or, if the student is at least 18 years old, the student, with notice, a description of the request, and any documentation provided to the district describing the request, unless prohibited by a court order, judicial subpoena/warrant, or in cases involving investigation of child abuse, neglect, or dependency

Information or documents related to a student's immigration or citizenship status shall not be disclosed to a law enforcement officer without consent by the parent/guardian or, if the student is at least 18 years old, by the student, a court order, or judicial subpoena/warrant. To obtain written consent, the release of student information shall include the following information:

1. The signature and signature date of the parent/guardian, or student if the student is at least 18 years old
2. A description of the records to be disclosed
3. The reason for the release of information
4. The parties or class of parties receiving the information
5. A copy of the records to be released, if requested by the parent/guardian or student

In accordance with law and Board Policy 5125 – Student Records, the Superintendent or designee shall annually notify parents/guardians that the district will not release student information to third parties for immigration enforcement purposes, unless the parent/guardian consents or as required to do so by a court order or judicial subpoena/warrant.

### Responding to Requests for Access to Students or School Grounds

District staff shall receive parent/guardian consent before a student is interviewed or searched by any officer seeking to enforce civil immigration laws at the school, unless the officer presents a valid, effective warrant signed by a judge or a valid, effective court order. A student's parent/guardian shall be immediately notified if a law enforcement officer requests or gains access to the student for immigration enforcement purposes, unless the judicial warrant or subpoena restricts disclosure to the parent/guardian.

All visitors and outsiders, including immigration enforcement officers, shall register with the principal or designee upon entering school grounds during school hours. Each visitor or outsider shall provide the principal or designee with the visitor's name, address, occupation, age if less than 21, purpose in entering the school grounds, proof of identity, and any other information required by law. (Penal Code 627.2, 627.3)

District staff shall report the presence of any immigration enforcement officers to on-site district police and other appropriate administrators.

As early as possible, district staff shall notify the Superintendent or designee of any request by an immigration enforcement officer for access to the school or a student or for review of school documents, including service of lawful subpoenas, petitions, complaints, warrants, or other such documents.

In addition, district staff shall take the following actions in response to an officer present on the school campus specifically for immigration enforcement purposes:

1. Advise the officer that before school personnel can respond to the officer's request, they must first receive

notification and direction from the Superintendent or designee, except under exigent circumstances that necessitate immediate action

2. Request to see the officer's credentials, including the officer's name and badge number, and the phone number of the officer's supervisor, and note or make a copy of all such information
3. Ask the officer for the reason for being on school grounds and document the response
4. Request that the officer produce any documentation that authorizes school access
5. Make a copy of all documents produced by the officer and retain one copy for school records
6. If the officer declares that exigent circumstances exist and demands immediate access to the campus, comply with the officer's orders and immediately contact the Superintendent or designee
7. If the officer does not declare that exigent circumstances exist, respond according to the requirements of the officer's documentation, as follows:
  - a. If the officer has an Immigrations and Customs Enforcement (ICE) administrative warrant, district staff shall inform the agent that they cannot consent to any request without first consulting with the district's legal counsel or other designated district official.
  - b. If the officer has a federal judicial warrant, such as a search and seizure warrant or an arrest warrant signed by a federal judge or magistrate, district staff shall promptly comply with the warrant. If feasible, district staff shall consult with the district's legal counsel or designated administrator before providing the officer with access to the person or materials specified in the warrant.
  - c. If the officer has a subpoena for production of documents or other evidence, district staff shall inform the district's legal counsel or other designated official of the subpoena and await further instructions as to how to proceed.
8. Do not attempt to physically impede the officer, even if the officer appears to be exceeding the authorization given under a warrant or other document. If an officer enters the premises without consent, district staff shall document the officer's actions while on campus.
9. After the encounter with the officer, promptly make written notes of all interactions with the officer, including:
  - a. A list or copy of the officer's credentials and contact information
  - b. The identity of all school personnel who communicated with the officer
  - c. Details of the officer's request
  - d. Whether the officer presented a warrant or subpoena to accompany the request, what was requested in the warrant or subpoena, and whether the warrant or subpoena was signed by a judge
  - e. District staff's response to the officer's request
  - f. Any further action taken by the officer
  - g. A photo or copy of any documents presented by the officer
10. Provide a copy of these notes and associated documents collected from the officer to the district's legal counsel or other designated district official

The district's legal counsel or other designated official shall submit a timely report to the Governing Board regarding the officer's requests and actions and the district's responses. (Education Code 234.7)

The Superintendent or designee shall also email the Bureau of Children's Justice in the California Department of Justice (BCJ@doj.ca.gov) regarding any attempt by a law enforcement officer to access a school site or a student for immigration enforcement purposes.

### **Responding to the Detention or Deportation of Student's Family Member**

The Superintendent or designee shall encourage students and their families to update their emergency contact information as needed throughout the school year and to provide alternative contacts, including an identified trusted adult guardian, in case a student's parent/guardian is detained or is otherwise unavailable. The Superintendent or designee shall notify students' families that information provided on the emergency cards will only be used in response to specific emergency situations and not for any other purpose.

The Superintendent or designee shall also encourage all students and families to learn their emergency phone numbers and be aware of the location of important documentation, including birth certificates, passports, social security cards, physicians' contact information, medication lists, lists of allergies, and other such information that would allow the students and families to be prepared in the event that a family member is detained or deported.

In the event that a student's parent/guardian is detained or deported by federal immigration authorities, the Superintendent or designee shall release the student to the person(s) designated in the student's emergency contact information or to any individual who presents a caregiver's authorization affidavit on behalf of the student. The Superintendent or designee shall only contact child protective services if district personnel are unable to arrange for the timely care of the student by the person(s) designated in the emergency contact information maintained by the school or identified on a caregiver's authorization affidavit.

The Superintendent or designee shall notify a student whose parent/guardian was detained or deported that the student continues to meet the residency requirements for attendance in a district school, provided that the parent/guardian was a resident of California and the student lived in California immediately before the student moved out of state as a result of the parent/guardian's departure. (Education Code 48204.4)

The Superintendent or designee may refer a student or the student's family members to other resources for assistance, including, but not limited to, an ICE detainee locator, legal assistance, or the consulate or embassy of the parent/guardian's country of origin.
