

Dear recipient,

Each year, Publix has the pleasure of hosting the “Tools for Back to School” register campaign. Through the generosity of customers and associates, funds raised from this campaign help provide school supplies for students and teachers in the communities we serve.

We are delighted to share that your organization is receiving a cash contribution to purchase school supplies for your classrooms and/or individual families. Please deposit the enclosed check within six months of receipt and utilize the funds within one year of receipt. We also request that you provide a brief report detailing how many individuals were served and how the funds were spent.

If possible, please share this announcement and how you plan to utilize the funds on your social media sites, tagging @Publix and incorporating #GoodTogether.

If you have any questions, please contact your local Publix community relations department. If needed, you can find the Publix community relations manager for your area at corporate.publix.com/requests/community-relations-contacts.

Thank you for your continuous dedication to educating our next generation!
