

### **CHRONOLOGY OF THE AGENDA ITEM**

On August 26, 2021, DeKalb County School District awarded RFQ 21-752-036 to Clean Earth (formerly MKC Enterprises-A Clean Earth Company), for the segregation, packing, transport, and disposal of waste, for an initial one-year term with four (4) one-year options to renew subject to Board approval on a year-to-year basis. The request for quote amount was less than \$100,000, therefore did not require Board approval.

On October 18, 2021, the Board of Education approved the revision of Board Policy DJE to require Board approval for any Independent Contractor Agreements with a total cost of \$50,000 or more.

This agenda item seeks the Board of Education approval for the first of four (4) one-year (1-year) contract renewal options.
