Subject: RE: [EXTERNAL]RE: Request for Legal Assistance for Board Agenda Item - Easterseals North Georgia, Inc.

Good evening,

Legal sufficiency is approved, subject to one additional change. I advise renaming section 6 (Ex. A at page 6) to "Effect" and striking section 6.1.

The intent of the Agreement is to outline specific terms between the parties. It is counter-intuitive to include a statement that it is not binding.

I hope that this is helpful. Don't hesitate to reach out if I can provide further input.

Best,
