Good afternoon Mrs. Quillet. I hope you are doing well. As a follow-up to our recent discussion, this is to confirm that it is the intent of the State to extend the Statewide Contract for Firm Natural Gas with Scana for a 1 year prior, effective January 1, 2023. Our team is working to put this contract amendment in place.

I will provide you the fully executed amendment as soon as it is completed.

Thank you very much.

Carl
