

Policy 5131.8: Mobile Communication Devices

Status:
DRAFT

Original Adopted Date: 10/01/2019 | **Last Revised Date:** 03/01/2025 | **Last Reviewed Date:** 08/13/2026

The Governing Board recognizes that student use of smartphones and other mobile communication devices on campus may be beneficial to student learning and well-being, and could be harmful and disruptive of the instructional program in some circumstances. When on campus or when under the supervision of district employees, students may use smartphones and other mobile communication devices only as permitted under this policy.

Option 1: (Limited use of smartphones and other mobile communication devices)

Students may use smartphones or other mobile communication devices on campus during noninstructional time as long as the device is utilized in accordance with law and any applicable school rules.

Mobile communication devices shall be turned off during instructional time.

End Option 1

~~Option 2: (Prohibited use of smartphones and other mobile communication devices)~~

~~Students shall not use smartphones or other mobile communication devices while at a school site or under the supervision and control of a district employee.~~

~~End Option 2~~

However, a student shall not be prohibited from possessing or using a mobile communication device under any of the following circumstances: (Education Code 48901.5, 48901.7)

1. In the case of an emergency, or in response to a perceived threat of danger
2. When a teacher or administrator grants permission to the student to possess or use a mobile communication device, subject to any reasonable limitation imposed by that teacher or administrator
3. When a licensed physician or surgeon determines that the possession or use is necessary for the student's health and well-being
4. When the possession or use is required by the student's individualized education program

The Superintendent or designee may undertake measures or strategies in accordance with law, to limit student access to smartphones and other mobile communication devices on campus.
(Education Code 48901.7)

Smartphones and other mobile communication devices shall not be used in any manner which infringes on the privacy rights of any other person.

A student's personal electronic device shall not be searched without the consent of the student's parent/guardian, except pursuant to a lawfully issued warrant, when a school official, in good faith, believes that an emergency involving danger of death or serious physical injury to the student or others requires access to the electronic device information, or when the search is otherwise permitted pursuant to Penal Code 1546.1.

When a student uses a mobile communication device in an unauthorized manner while at a school site or under the supervision and control of a district employee, the student may be disciplined and the district employee may temporarily confiscate the device. The employee shall store the device securely until it is returned to the student or turned over to the principal or designee, as appropriate.

A student may also be subject to discipline, in accordance with law, Board policy, or administrative regulation, for off-campus use of a mobile communication device which poses a threat or danger to the safety of students, staff, or district property or substantially disrupts school activities.

The district will not be responsible or liable for a student's mobile communication device which is brought on campus or to a school activity and is lost, stolen, or damaged.

The Board shall review and, as necessary, update this policy at least once every five years. Any

such review or update shall include significant stakeholder participation to ensure that the policy is responsive to the unique needs and desires of the school community.
