

Chronology of the Agenda Item

On September 21, 2022, Project Manager Sanjula Singhal, notified the principal of Stone Mountain Elementary School about 1st Grade Teacher, Rebecca Kafka, nominating our school/district to be recipients of a donation of Lysol Wipes for the 2022-2023 school year as a part of Frontline Impact's Heroes for Healthy Schools campaign. Ms. Singhal shared that her organization was prepared to send 40 pallets of wipes to help provide our teachers and staff around the district a safer environment to learn and work. The value of the wipes, for donation, total in the amount of \$134,100. Dr. Covington subsequently notified the organization to garner what information was needed for the review and acceptance of the donation. Frontline Impact Project submitted the necessary information for review and submission for Board of Education approval.
