# State Improvement Lists

Under the federal Every Student Succeeds Act (ESSA), states are required to identify schools in need of additional support – in Georgia, these designations are referred to as CSI and TSI.

## Comprehensive Support and Improvement (CSI)

All Students Subgroup

and

## Targeted Support and Improvement (TSI)

Race/Ethnicity (6), Economically Disadvantaged, English Learners,  
and Students with Disability subgroups

# 2022-2023 Schools Identified as CSI and Promise

Typically, schools are identified for CSI if they are among the **lowest-performing 5% or 5.01% to 10%** of Title I schools in the state when ranked according to their three-year CCRPI average.

However, Georgia updated its CSI entrance criteria for 2022 based on data limitations resulting from the pandemic.

# Schools Identified for CSI Support

CSI Graduation Rate:

Four-year adjusted cohort graduation rate less than or equal to 67%.

# Schools Identified for TSI Support

The school has at least one subgroup performing in the lowest 5% of all schools in at least 50% of CCRPI components.

The criteria for Targeted Support and Improvement remained unchanged, but utilize the CCRPI indicators and components available in 2022.
