Team Building ✧ Teacher Mentoring ✧ State Reporting ✧ Assessment
Student Services Support ✧ Data Analysis and Accountability ✧ Student Discipline ✧ RTI
Strategic Partnerships ✧ Professional Development ✧ Instructional Programming
Budgeting and Forecasting

WORK EXPERIENCE

Dekalb County Schools **Assistant Principal, Tucker High School** **July 2018 - Present**

- School-wide Assessment Coordinator
- Lead core and non-core content PLCs in using data-driven instructional protocols to guide instruction and improve student achievement. This includes using district-benchmark assessment and common unit assessment data to develop lesson plans, integrate rigorous and engaging teaching strategies, and create appropriate re-teaching and remediation as needed.
- Provide leadership and guidance for Multi-Tiered Support Systems (MTSS) to the current RTI/SST Coordinator

Fulton County Schools **Curriculum Assistant Principal, Banneker High School** **July 2014 – June 2018**

- Provided curriculum changes over a three-year period that resulted in Banneker High School being removed from the Georgia Department of Education's Priority School list.
- Developed data driven protocols (instructional framework, rigorous assessments, instructional action plans, as well as remediation and acceleration opportunities) that led to average gains of 12% in six out the eight GA Milestones testing areas
- Created collaborative planning for all academic content areas, double-blocked reading and math support for targeted students, cohort programs for both AVID and Junior Achievement Business and STEM Academy through development of the school master schedule
- Increased the graduation rate by 20% from 2014 – 2017 by establishing "Operation Graduation"
- Developed and implemented support to intensify auxiliary programming for graduating seniors by placing an increased focus on supporting their transition to post-secondary options of either college, career, or military

- Successfully led the implementation of Opportunity Culture a strategic staffing initiative to engage highly skilled teachers in peer mentorship and provide access to teaching more students
- Successfully led the school reaccreditation process and team resulting in successful reaccreditation through AdvancedEd.

**Atlanta Public Schools (APS)
Virtual Learning Program Manager
June 2012 – May 2014**

- Increased Atlanta Public Schools graduation rate by 8% from 2012 to 2014 through the establishment of the Atlanta Virtual Academy
- Designed and implemented high-quality online learning programming for middle and high school acceleration and recovery
- Provided instructional support programs for alternative and non-traditional schools
- Led the procurement process (RFP) for district online learning tools
- Developed and managed implementation of district-wide virtual learning budget

Fulton County Schools

**Coordinator of Technology, Virtual, and Extended Learning
June 2010 – June 2012**

- Improved Fulton County Extended Learning instructional programming.
- Facilitated initial redesign of Fulton Virtual Campus (online school for middle and high school students)
- Led transition from district wide High School Summer School Sites to individual school sites
- Developed and maintained district budget for Elementary, Middle, and High School extended learning programs (Test Remediation, Summer School, Night School, Tutorials)

Langston Hughes High School

Graduation Coach/CTE Department Chair (August 2009-May 2010)

- Coordinated transition programs for 9th graders to successfully adapt to high school
- Tracked the progress of at-risk students as they progress toward graduation
- Worked with faculty to developed and implement individual intervention strategies for at-risk students
- Developed partnerships with area social agencies for students at-risk of not graduating
- Served as the liaison between Career and Technical Education (CTE) department (Business, Family & Consumer Science, Technology-Pre-Engineering, Automotive, and Graphic Arts) members and administrative staff

Riverwood International Charter School

**CTE Department Chair, Work Based Learning (WBL) and Partnerships Coordinator
(January 1999 - August 2009)**

- Liaison between Career and Technical Education (CTE) department (Business, Family & Consumer Science, Technology-Pre-Engineering, Professional Foods, and Broadcast Video Production) members and administrative staff
- International Business Magnet and International Baccalaureate Strand Developer and Coordinator
- Evaluated and monitored the quality of instruction and provide feedback with formal and informal evaluation instruments
- Supervised 100+ students enrolled in WBL program (annually)
- Established partnerships in education with businesses in the Sandy Springs community
- Provided instruction in Web Page Design and Intro to Animation
- Future Business Leaders of America (FBLA) Adviser
- School Webmaster and Consultant
- Instructional Technology Committee Consultant
- Grant Development and VP Financial Disbursement, Riverwood Foundation

Georgia Perimeter College

Faculty/Staff Training Specialist (July 1998–January 1999)

Kendrick High School

Business Education Instructor (August 1997 – June 1998)

EDUCATION
