

CHRONOLOGY OF THE AGENDA ITEM

The City of Dunwoody has requested an easement and Right of Way to continue their sidewalk project. This project will improve and expand the sidewalk on Vermack Road in front of Dunwoody High School which provides more accessibility to students and community members. This project will include repairing cracked sections of the sidewalk that are hazardous while also expanding the sidewalk improving accessibility.

Area of the easement and Right of Way has been appraised at a value of \$25,281.00.

This agenda item seeks the Board of Education approval of the easement and Right of Way to the City of Dunwoody for improvement of the sidewalk on Vermack Road.
