1. List school activities, including student government experience.

I am a member of several clubs, including the GSA, Gender and Sexuality Awareness Club, CSF - California Scholarship Federation, Key Club, and I am an officer (President) of the Piner Performing Arts Club. I am also a member of the school's choir. Previously, I have been a member of ASB's House of Representatives.

2. List community activities.

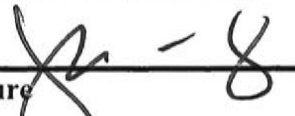

As a member of CSF and Key Club, I must complete community service and I get many opportunities for service presented to me - including Bake sales for Key Club and their PTP (pediatric trauma program) organization, working events like the Sebastopol tree lighting, and assembling paper flower bouquets for Piner custodians.

3. Why do you feel that you should be selected as the Student Representative to the Board of Education of Santa Rosa City Schools? What qualities do you think you could bring to the Board of Education?

I feel I could be a great Student Representative because I really care about my peers, my fellow students, and the Piner Community at large. I have worked hard so represent not be there for students within my current activities and would love the opportunity to be their voice and connection in the decisions being made for them. I believe I have a good understanding of procedure to be adapted to keep up with Board meetings and topics. I feel passionate about standing up for my community and would express their views. I am comfortable with public speaking so feel confident I could speak on issues. I have had a lot of practice in maintaining decorum and remaining civil and polite - in other words 'playing nice' - so I feel more than a voice, but I could be a calm, respectable voice in the face of whatever arises or could collaborate whenever necessary. Through my years at Piner, I have built a wide net of friends and acquaintances, so I feel I could represent a wide perspective of Piner.
