

BOARD POLICY
Student Code of Conduct

Descriptor Term: JCDA
Date: ~~July XXXXX XX~~, 2023

It is the policy of Bibb County School District ("District") to develop and implement age-appropriate student codes of conduct designed to improve the student learning environment and to comply with state-Georgia law and State Board of Education Rule 160-4-8-.15. Each code of conduct shall include the following:

1. Standards for student behavior that designedare designed to create the expectation that students will behave themselves in such a way to facilitate a learning environment for themselves and other students. The standards should be designed also to encourage students to respect each other and Dschool district employees, to motivate students to obey student behavior policies adopted by this boardthe Bibb County Board of Education ("Board"), and to prompt students to followobey student behavior rules established at each school within this Dschool district.;
2. Student support processes that are designed to consider ,as appropriate in light of the severity of the behavioral problem. Student, support services will be available at each school. , the school system andThe District will work with other public entities andor community organizations which-that may assist students andto address behavioral problems.;
3. Progressive discipline process designedthat is implemented to create the expectation that the degree of discipline imposed by each-school administration will be in-proportionproportionate to the severity of the behavior of a particular student, the previous discipline history of the student, and other relevant factors. School administration will ,while-also insuringprovide -that each student receives with the due process mandated by federal and state law.;
4. Parental involvement opportunities processes designedthat are provided to enable parents, guardians, teachers, and school administrators to work together to improve and enhance student behavior and academic performance. The process should enable parents, guardians, and school employees to freely communicate freely their concerns about student behaviors which detract from the learning environment.

The Superintendent or his or her designee willshall involve parents in developing and updating student codes of conduct. Each code shall require disciplinary action for each infraction of the code of conduct. All student codes of conduct will shall be submitted to the Board of Education for approval.

The student code of conduct willshall be distributed to each student and the student's parents or guardians during the first week of school and upon enrollment of each new

student. The parents or guardians shall will be requested to provide the school with a signed-an acknowledgment confirming receipt of the to the schoolcode of conduct. The student code of conduct shall be available in the school office and each classroom. The student code of conduct will also be available on the District's website.
