

BOARD POLICY
Remedial Programs

Descriptor Term: IDDB
Date: XXXXX XX, 2023

The Bibb County School ~~District s~~ shall will offer ~~those courses for~~ remedial instruction to meet the needs of students as dictated by student needs, with particular emphasis in reading and mathematics.

The purpose of a remedial education program is to provide supplemental instruction to ~~identified~~ students who are functioning below their expected level of achievement. All remedial education instruction will operate within the framework of the Georgia Department of Education guidelines and procedures. ~~When federal or state funds are used, such programs will comply with all student selection, record keeping, and funding requirements.~~
