

Conflict of Interest Code of the Central Unified School District

The Political Reform Act (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict-of-interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. Section 18730) that contains the terms of a standard conflict-of-interest code and may be incorporated by reference in an agency's code. After public notice and hearing, the standard code may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendices designating positions and establishing disclosure requirements shall constitute the conflict of interest code of the Central Unified School District ("District").

The Form 700s for designated positions, other than the members of the District's Governing Board and Superintendent, shall be filed with the District. District's Governing Board and Superintendent are to file their original Form 700s directly with the Clerk of the Board for the Fresno County Board of Supervisors using the electronic filing system. If the Form 700s are not filed electronically, the paper Form 700 and waiver shall be filed with District and, upon receipt of these paper Form 700s with waivers, the District shall make and retain a copy and forward the original to the Clerk of the Board of Supervisors.

The District shall retain a copy of all electronically filed Form 700s, a copy of all paper Form 700s with waivers and the original Form 700s of designated positions and shall make the Form 700s available for public review, inspection, and reproduction. (Gov. Code section 81008).

The provisions of all Conflict of Interest Codes and amendments thereto previously adopted by the Agency are hereby superseded.
