

CHRONOLOGY OF THE AGENDA ITEM

In 2002 DeKalb County School District standardized Staefa/Talcon as the only allowable controls system to be installed in DeKalb County Schools. The software that runs this control system is utilized with the iNTREO product line. Delta Controls is the exclusive manufacturer of the iNTREO brand of HVAC product nationally. Control Concepts, Inc., is the exclusive sole source distributor and installer of the iNTREO system in the state of Georgia.

On January 11, 2016, the DeKalb County School District Board of Education approved Control Concepts, Inc. as a Sole Source Vendor for the installation of HVAC instrumentation and controls district wide.

On October 19, 2020, the Dekalb County School District Board of Education approved Control Concepts, Inc. as a Sole Source Vendor for the installation of HVAC instrumentation and controls district wide.
