

Chronology of the Agenda Item

On October 8, 2018 the Board approved the Capital Outlay Reimbursement Application for FY 2020, which included projects for capital improvement of the Eldridge L. Miller ES, Toney ES, and Kittredge/Nancy Creek ES facilities. Additionally, on September 9, 2019 the Board approved the Capital Outlay Reimbursement Application for FY 2021, which included projects for capital improvement of the Rock Chapel ES facility. The scope of improvements in the FY 2020 application for reimbursement included HVAC and Renovations, however the capital improvement of the Eldridge L. Miller ES, Toney ES, and Kittredge/Nancy Creek ES facilities will not include HVAC and/or Renovations. Moreover, the scope of improvements in the FY 2021 application for reimbursement included HVAC and Renovations, however the capital improvement of the Rock Chapel ES facility will not include HVAC and/or Renovations. Furthermore, it is requested that the Board approve a revision to the Capital Outlay Reimbursement Applications for FY2020 and FY 2021 to reflect the removal of the actual scope of work for capital improvement projects Eldridge L. Miller ES, Toney ES, Kittredge/Nancy Creek ES, and Rock Chapel ES facilities.
