

### **CHRONOLOGY OF THE AGENDA ITEM**

On February 4, 2019, the Board of Education approved CDH Partners as part of RFQu 19-752-023, "A/E Continuing Contract for Professional Services" as one of the responsive responsible firms whose proposal best met the requirements of the solicitation documents and contract obligations to provide architectural and engineering services on an as needed basis for the Facilities/Maintenance Department and the SPLOST program.

On February 13, 2023, the Board of Education approved the final contract extension through April 22, 2024.

This request is to authorize DCSD to contract with CDH Partners to provide an analysis and report on the condition of the school-based exterior athletic facilities used by DCSD high schools.
