Dr. Lori Rodgers, Assistant Superintendent of District Effectiveness

SUBJECT: Lease Agreement for Eisenhower Property

Summary

This memorandum requests approval of a Lease agreement between the Bibb County Board of Education and the Macon Bibb County Urban Development Authority to lease approximately 25,000 square feet of building space located at 2122 Eisenhower Parkway for future design and use of CTAE district-wide pathway expansions.

Background

As part of continued development for cutting edge CTAE pathways and programs, to include opportunities for public/private partnerships and workforce development, the Bibb County School District is requesting a lease agreement with Macon Bibb Urban Development Authority. In preparation of the potential designs and pathway developments, an RFP for architectural services was put out for bid.

Next steps for this process will be design and development of potential pathways and the associated facility needs of those pathways, to enhance opportunities for our students. The design, development and facility needs for this project will be funded by ESSER Funds.

Recommendation

It is recommended that the Bibb County Board of Education authorize the Superintendent to enter into a lease agreement with the Macon Bibb County Urban Development Authority to lease approximately 25,000 square feet of building space located at 2122 Eisenhower Parkway for future design and use of potential CTAE district-wide pathway expansions.
