

CHRONOLOGY OF THE AGENDA ITEM

On April 18, 2022, the Cross Keys High School received approval from the Georgia Department of Education (GaDOE) to allow them to construct additions on their campus at 1626 North Druid Hills Road, Atlanta, Georgia 30329.

Per GaDOE guidelines, a site application for addition and/or modernization to an existing educational facility must be approved by the Local Education Agency. For Cross Keys High School, this would be the DeKalb County Board of Education and the DeKalb County School District. The Board must approve the Cross Keys High School site application for it to be allowed to build their planned addition.
