

## **CHRONOLOGY OF THE AGENDA ITEM**

The U.S. Department of Education is requiring all local school districts that receive ESSER funds and use those funds for facilities improvements and upgrades to implement the U.S. Department of Labor's Federal Labor Standards Act, commonly referred to as the Davis Bacon Wage Rate Requirements outlined in 29 Code of Federal Regulations, Part 5.5.

This request is to approve the request to contract with **Canty Consulting Services** to provide administrative and compliance support to the DCSD for the implementation of the Davis Bacon Wage Rate requirements for approved construction projects funded with ESSER funds, to ensure that the district is in compliance with the Davis Bacon Wage Rate requirements.

**Canty Consulting Services** is currently providing this service for previously approved construction projects funded with ESSER funds. Approval of this agreement would be a continuation of services for the remaining ESSER projects.
