

**Attention:** Dekalb County Schools/Martin Luther King Jr. High School,

My name is Kevin Byard, professional football player for the Philadelphia Eagles in the NFL. Please let this letter serve as notice of my \$5,000 to the MLK Athletics program. I am a graduate of MLK and the first NFL athlete to be drafted by the National Football Association. On May 6<sup>th</sup>, 2022, MLK named the athletic hallway and the weightroom after me. As part of my plan to continue to give back to my former high school, I would like to continue to donate to help upgrade facilities and make the athletic program be the best it can be in whatever capacity athletics may seem to need. The funds donated are to be specifically for the athletic program. Coach Bush contacted me earlier in the summer about a few projects she was working on and needed additional funding so, I wanted to be able to assist her in anyway I could. So please accept this donation of \$5,000 for the upgrade and betterment of the MLK athletic program and facilities.

Sincerely

Kevin Byard
