

CHRONOLOGY OF THE AGENDA ITEM

The Globe Academy is requesting that the DeKalb County Board of Education approve the Educational Facility Site Application for their proposed new site at 1994 Clairmont Road, Decatur GA 30033.

Per GaDOE guidelines, a site application for all sites to be used for a school facility must be approved by the Local Education Agency. For the Globe Academy, this would be the DeKalb County Board of Education and the DeKalb County School District. A formal request for site approval by the local school system is necessary for the Georgia Department of Education to consider the site application for approval.
