Address: <input style="width: 90%;" type="text"/>	
Address: <input style="width: 90%;" type="text"/>	
City: <input style="width: 90%;" type="text"/>	
Zip Code: <input style="width: 90%;" type="text"/>	
<input style="width: 90%;" type="text"/>	

* For State and Commission Charter School, the Principal will sign for Superintendent.

Application for:

If Other Explain

I. Location of Existing Facility

Address of Existing Facility (List address, City, and Zip Code)	
Acreage in the current site: <input style="width: 40px;" type="text"/> Acreage in 100 year flood plain: <input style="width: 40px;" type="text"/> Does this acreage meet the minimum requirements: **Please attach a rationale and request by the local school board for requesting a variance to the minimum size requirement if the answer above is "NO"	<div style="text-align: center;">Current Facility Code</div> <div style="text-align: center;">Current Site Code</div>

VI. Attachments

The following documents must be submitted to the Facilities Services Unit of the Georgia Department of Education to evaluate you system's request for approval of an addition or modernization of an existing educational facility:

- A copy of the rough plat showing addition to existing educational facility site
- A copy of the Risk Hazard Analysis
- Letter from local water/sewage stating ability to meet the new water/sewage capacity OR a signature on this application of local water/sewage representative.

The Facilities Services Unit of the Georgia Department of Education is authorized to request any additional information on any criteria (Section) when such information is needed to complete the evaluation of the addition or modernization of an existing facility.

Comments:

This section below is for the use by the Department of Education Facilities Services. Based on our visual inspection of the site and/or evaluation of the documentation submitted by the school system, the decision of the GaDoe Facilities Services is:

This addition or modernization of this existing facility is approved without mitigation.

This addition or modernization of this existing facility is approved with mitigations.

This addition or modernization is not recommended for approval.

Signature of Director, Facilities Service Unit
