Attn: Thomas Derosa / Martin Cervantes

Re: Martin's Office.

Project Location: Facilities Bldg., 601 James Ave., Redwood City, CA 94062.

Scope of Work: Provide all Labor, Equipment and Materials needed to remove and dispose of the following asbestos containing flooring system from Martin's facilities building office from the above-mentioned project location that were **identified &/or quantified** as per the site walk conducted on May 29, 2026. Total project time is approx. 3 days, to be done during normal business hours.

Qualifications: This proposal is based solely upon the materials identified in the hazmat report. Price predicated upon project being a public project, with CPR and prevailing wage rate requirements. This is a lump sum bid and breakdowns have been provided for scope clarification only. Any line item deductions must be approved by a R.B.C., Inc. officer. All work is to be performed in one phase as noted, if work is to be done in additional phases, then additional mobilizations will be charged at \$2,500.00 ea. CGL insurance coverage is set @ \$10,000,000.00 for Gen. Lia. & Pollution and \$2,000,000.00 for Auto. Price predicated upon owner/GC to provide power & water access at site. This bid is based upon the buildings being vacant with full and open access throughout the space. All non-haz items (carpeting, fixtures, appliances, etc.) required for removal to access UW's will be removed and left onsite for the demolition contractor. All intact asbestos &/or lead painted materials will remain in place for demolition. **R.B. Construction, Inc. is a union contractor and a SBE (CA DGS #10284), MBE (CPUC #9JS00084 & CA DOT #9755) and SLEB Alameda Co. (Cert. #12-00053) certified company, DIR #2000002629. P&P Bond rate 2.5%. All invoices to be paid in full within 60 calendar days.**

Exclusions: Intact Lead Painted items; P&S Bonds; Buried ACM (transite pipe); Any City or County building permits (except for BAAQMD & Cal-OSHA notifications/fees); MEP demo; salvage, store, replace of any items; intact lead paint; PCB Wastes/PCB priority building materials <50 ppm; power & water access; household haz waste items (paint cans, aerosol cans, chemicals, cleaning agents, etc.); cutting and capping of utilities; hidden / buried / inaccessible / mis-identified &/or mis-quantified hazardous materials; site fencing; temp. facilities/restrooms; hazardous soils remediation; fire extinguishers.

TOTAL BID PRICE: \$9,250.00
