# Microfiche Scanning

| Item       | Description/Quantity  | Unit Price   | Line Total |
|------------|---|--------------|------------|
| Microfiche | Scanning, Indexing & Digital Upload of Microfiche Sheets – 5,500 Sheets | \$1.75/Sheet | \$9,625.00 |
|            |   | Total        | \$9,625.00 |

\*\* This was not part of the original PO because we were not aware that the files contained Microfiche until we were scanning the project. The count of 5,500 sheets is an estimate.
