

Policy 2110: Superintendent Responsibilities And Duties

Status: DRAFT

Original Adopted Date: 04/12/2017 | **Last Reviewed Date:** 06/18/2026

The Governing Board desires to establish a productive and collaborative working relationship with the Superintendent and to ensure that the work of the Superintendent is focused on student learning, achievement, and well-being, and the attainment of the district's vision and goals. Additionally, the Board desires to provide a fair basis for holding the Superintendent accountable. The responsibilities of the Superintendent are detailed in law, in the Superintendent's contract, and throughout Board policies and administrative regulations.

The Board shall set expectations and goals for the Superintendent at the beginning of every evaluation year.

As the chief executive officer of the district, the Superintendent shall implement all Board decisions and manage all instructional and noninstructional operations. Additionally, the Superintendent serves as a member of the district's governance team and has responsibilities to support Board operations and decision-making.

The Superintendent may delegate any of the Superintendent's responsibilities and duties to other district staff, but remains accountable to the Board for all areas of operation under the Superintendent's authority.

The Superintendent shall complete ethics training in accordance with Government Code 53234-53235.2 at least once every two years. (Government Code 53235)

If the Superintendent begins service with the district after January 1, 2026, the Superintendent is required to receive ethics training no later than six months from the first day of service with the district, and at least once every two years thereafter. (Government Code 53235.1)

The district shall maintain records of ethics training, which are public records subject to disclosure under the California Public Records Act, for at least five years after the Superintendent received the training. The district shall post on its website clear instructions and contact information for the purpose of requesting these records. (Government Code 53235.2)
