**CHRONOLOGY OF THE AGENDA ITEM**

On September 12, 2016, the Board of Education approved the Capital Outlay Reimbursement Application for FY'18 totaling $33.9 million in projects, including capital improvements at multiple facilities in the DeKalb County School District.

The Board has previously approved the FY18 Capital Outlay Application with the Georgia Department of Education, which included the following projects:

- Brockett ES 20-644-005
- Vanderlyn ES 20-644-010
- Woodward ES 20-644-008

The project listed has been completed, and final payments have been made to the respective architects and general contractors.

This board agenda item will allow the District to apply for the remaining reimbursement funds available for this project, which totals $127,265.
